## **Facts Faith:**

*Facts, Faith, and the FAQs* Ken Stocker, Jim Stocker, 2006-10      **Fact, Faith and Fiction in the Development of Science** R. Hooykaas, 2013-06-29 In this posthumous book the late Professor R Hooykaas 1906 1994 conveys a lifetime of historical thought about modes of scientific advance over the centuries In what variety of ways has the human mind with all its subjectivity and its capacity for self deception but also its piercing gifts of discovery managed to come to terms with the whimsical tricks of nature Central to this erudite penetrating and widely ranging study is Hooykaas s distinction between facts given by nature yet entirely subject to our mode of interpreting them faith broad conceptions like the idea of order of simplicity or of harmony and fictions in the sense of those daring intellectual tools such as theories and hypotheses and models which reflect the scientist s creative imagination Case studies drawn from the history of all branches of science including chemistry and the earth sciences and from Antiquity to the present day serve to widen and to deepen the understanding of every reader whether a historian of science or not with a desire to learn more about the realities of the scientific pursuit      **Fact, Faith, and Experience** Watchman Nee, 2002-06 Throughout his life of ministry in service to the Lord Watchman Nee demonstrated a proper balance between knowing hte objective truths in the Bible and experiencing the subjective realities contained int he divine relation This book begins with the article Fact faith and experience Subsequent sections contain messages that relate to the topics of fact faith and experience      **Fact and Faith** David L. Bartlett, 2007-08-01 How shall we interpret the stories of miracles particularly the resurrection in this secular age The author calls us to look beyond the fact of a miracle to faith in what the miracle means To do this he tells us we must first of all try to understand what actually happened in history However he warns us that merely knowing what happened will not necessarily lead to vital Christian faith In developing his theme the author discusses the way in which each of the Four Gospels presents miracles the meaning of exorcism in the New Testament and today and the significance of the resurrection accounts Throughout the author suggests significant themes for preaching      **Faith Founded on Fact** John Warwick Montgomery, 2018-01-26 A provocative and controversial book intended to encourage Christian to make the case for the truthfulness of Christianity based on factual evidence Included are chapters on The Place of Reason in Christian Witness Science Theology and the Miraculous How Muslims Do Apologetics Dr Johnson as Apologist Contains the most sophisticated refutation available anywhere of the arguments of David Hume and Anthony Flew against miracles in general and the resurrection of Christ in particular      **Genesis and Geology For People of Faith and People of Fact** Steve Morreale, 2023-03-30 Steve Morreale always believed in God As a small boy he would look up at the clouds in the sky and try to catch a glimpse of God looking down on him After all wasn t God watching over us Lacking any in depth understanding of the Bible his faith remained simple and vulnerable to the nonbelieving scientifically educated individuals he encountered Steve s vulnerability reached a peak when he began studying geology in college The real facts of science not the unproven

theories conspired to eliminate God from Steve's life equation. Well meaning Christians required a Young Earth Creationist view that flew in the face of facts. Those small elements of truth could not be ignored; they could be seen, touched and calculated. Faith could not erase them. Eventually Steve turned to the God of his childhood and began to read the Bible. Its message of hope touched him. Could that hope and the facts of geology be reconciled? *Genesis and Geology For People of Faith and People of Fact* walks through the six days of Creation. That walk describes what God created and geology explains how He created it. *Value, Fact, and Faith* Pasquale De Marco, 2025-07-11

**Faith Versus Fact** Jerry A. Coyne, 2016-05-17 A superbly argued book. Richard Dawkins, author of *The God Delusion*, The New York Times bestselling author of *Why Evolution is True*, explains why any attempt to make religion compatible with science is doomed to fail. In this provocative book, evolutionary biologist Jerry A. Coyne lays out in clear, dispassionate detail why the toolkit of science, based on reason and empirical study, is reliable, while that of religion, including faith, dogma and revelation, leads to incorrect, untestable or conflicting conclusions. Coyne is responding to a national climate in which more than half of Americans don't believe in evolution; members of Congress deny

global warming and long conquered childhood diseases are reappearing because of religious objections to inoculation and he warns that religious prejudices in politics education medicine and social policy are on the rise Extending the bestselling works of Richard Dawkins Daniel Dennett and Christopher Hitchens he demolishes the claims of religion to provide verifiable truth by subjecting those claims to the same tests we use to establish truth in science Coyne irrefutably demonstrates the grave harm to individuals and to our planet in mistaking faith for fact in making the most important decisions about the world we live in Praise for Faith Versus Fact A profound and lovely book showing that the honest doubts of science are better than the false certainties of religion Sam Harris author of The End of Faith      Facts of Faith Christian Edwardson,2001-05 During forty years of caring for districts of churches and isolated believers besides raising up new churches by evangelistic effort the author of this work became greatly impressed with the need of educating the people in the fundamental doctrines of the Holy Scriptures He has found very few who could give from the word of God an intelligent reason for even its most prominent and important truths This spiritual poverty any minister will discover by personal investigation When we add to this condition the fact that during the past thirty years new errors have been stealthily introduced among Christians generally errors which undermine the very foundations of Bible truth and Christianity it becomes evident that even professing Christians are unprepared for the crises they will be obliged to meet in the near future      The Bible Heroes of Faith Book of Poems Joseph William Gilbert Barnett,2022-03-18 After completing my first book The Holy Scriptures Book of Poems I was inspired to write another book Initially I thought of trying to write several children stories of the more known Bible characters I also wanted to add more detail and depth to the stories After I completed the stories of the Bible characters I had set out to write about I had the idea to put them all together in one book That is how this book came to be I hope you enjoy it      **Faith Champions** M. H. Leigh,2021-09-16 This book Faith Champions reveals the faith of God the Creator s absolute sovereignty and unveils the grace of God s salvation to God s created children Faith in created beings ratified cultural traditional and customary actuality Faith in God the Creator verified holy sovereign divine factuality The good news of God s redemption evidenced God s purpose of living and God s will of life transforming all faithful and faithless people into Faith Champions of God Faith Champions under God assured God s promised blessing and God s everlasting resurrection Faith Champions in God manifested God s saving salvation and God s amazing grace Faith Champions through God profiled God s merciful attitude and God s gracious attribute Faith Champions for God professed God s natural suffering and God s supernatural rejoicing Faith Champions with God demonstrated God s sinful forgiveness and God s genuine giving Faith Champions about God proclaimed God s righteous morality and God s eternal immortality Faith Champions with God declared God s divine hope and God s unconditional love Faith Champions of God witnessed God s mysterious existence and testified God s mighty words plus God s miraculous deeds to all people in all nations by God s grace through faith For it is by grace you have been saved through faith this is not from yourselves it is the gift of God not by works so that no one can boast

For we are God's handiwork created in Christ Jesus to do good works which God prepared in advance for us to do Ephesians 2:8-10 NIV

**The Christian Faith: Why It's True** John Ankerberg, John Weldon, 2012-08-06 Christianity is unique in both the evidence upon which it rests the doctrines it teaches This book gives quick information on major biblical doctrinal themes It offers comparisons contrasts to any group's teachings on important subjects All cults new religions deny key biblical doctrines so whatever theology you are studying you can know that a biblical corrective is supplied

*Faith, Hope, and Love in the Kingdom of God* Robert Hernan Cubillos, 2017-04-27 We live in a world full of challenges The three graces can almost be seen as motors for Christian life in today's world but the words faith hope and love have so many everyday uses that their technical theological meanings are for many difficult to appreciate Modern life also leaves many yearning for authenticity and meaning Many religions have answered that need by calling to mind the image of a path Always profound progressions religious paths tend to be motivated either by practices the act of walking the path or focal points Christianity has a focal point an object and it sees the three graces as distinctively content filled The heart of this book is about helping people find the Christian path and their intellectual emotional and spiritual balance an equilibrium that is sustained by a strong personal faith an enduring hope for the future and genuine love that will withstand the worst of times It contributes to the category of Christian literature that provides a pattern for Christian living without surrendering the intellect to the more popular side of this genre

**David Oyedepo: the a - Z Adventure of Faith of the Billionaire Bishop** Olajide Olaopa, 2014-01-09 Bishop David Oyedepo is understood and misunderstood by different people for different reasons This book provides a better independent real life account of the mystery behind the mastery of this global Christian gospel phenomenon and his pace setting undeniable world class superlative successes in the midst of deep multidimensional national poverty within his home country

**The Faith Response** John R. Van Gelderen, 2011-07-01 In *The Faith Response* John Van Gelderen addresses this confusion by outlining a proper biblical understanding of the nature of faith which is true God dependence realizing I can't but God can and he doesn't stop there In later chapters he makes practical application of this truth to our daily walk with God showing how dependence on God is wrapped up in the secret of Christ in you the hope of glory

**Living By Faith** Bishop Eric A. Lambert, Jr., 2024-07-16 The Bible is thousands of years old yet we are taught to live our modern lives in

service to its guidance How If you worry about what seems to be a disconnect between Scriptural text and twenty first century life you are not alone During his nearly four decades as a pastor Bishop Eric A Lambert Jr has met many individuals who are frustrated in their walk of faith They don t know how to successfully apply the teachings of the Bible to their everyday lives With his book *Living by Faith Living the Exciting Life of Believing God* Lambert strips away the mystique of Scriptural language instead offering practical language to explain Scriptural truth And with that you can unlock your best life yet exercise real faith authentically in your unique life and find victory over the enemy of your soul **Importing Faith** Glyn J. Ackerley,2016-07-28 Many twenty first century evangelical charismatics in Britain are looking for a faith that works They want to experience the miraculous in terms of healings and Godsent financial provision Many have left the mainstream churches to join independentcharismatic churches led by those who are perceived to have special insights and to teach principles that will help believers experience the miraculous But all is not rosy in this promised paradise and when people are not healed or they remain poor they are often told that it is because they did not have enough faith This study discovers the origin of the principles that are taught by some charismatic leaders Glyn Ackerley identifies them as the same ideas that are taught by the positive confession health wealth and prosperity movement originating in the United States The origins of the ideas are traced back to New Thought metaphysics and its background philosophies of subjective idealism and pragmatism These principles were imported into the UK through contact between British leaders and those influenced by American word of faith teachers Glyn Ackerley explains the persuasiveness of such teachers by examining case studies suggesting their miracles may well have socialand psychological explanations rather than divine origins Faith Has Its Reasons Kenneth Boa,Robert M. Bowman Jr.,2012-01-05 A most accessible but thoroughly practical primer on apologetics How to Live and Keep from Dying Dick Braswell,2013-08-27 This handbook on how to live and enjoy the Abundant Christian Life is drawn from wonderful experiences I was so blessed to share with Pat my loving wife of 59 years This very Special Lady was the light of my life and the joy of my heart from the time we became sweethearts in junior high school until she slipped away to heaven in March of this year 2013 It is in loving memory of her that I dedicate this book with hopes that many will be encouraged and helped in their quest to Live and Keep from Dying Dick Braswell 2013
