with fellow New York women and laid the groundwork for women in the museum world while preserving decorative arts with an educational mission With illustrations of period objects documents maps paintings prints and drawings Beyond Blue and White is a colorful celebration of an iconic decorative art and dynamic women living in extraordinary times Wheeler Brown s rich narrative encourages us to see beyond the dazzling cobalt glaze of Delftware to consider that these vessels are also our connection to a history with a fascinating group of women at its center De Fidiculis Bibliographia Edward Heron-Allen,1892
