Love, 2000 Fairfield including its village of Southport is steeped in tradition and is rich in history Many people who call this coastal Connecticut community home already know that Fairfield was founded in 1639 by Roger Ludlow and was visited in 1789 by Pres George Washington who actually spent the night at the Sun Tavern However do they also know the history of Pulpit Rock or for that matter could they locate it What about the granite planter at the junction of Main Street Center Street and Harbor Road do they know the story behind that Those residents who remember Fairfield when as well as those with a desire to learn more about Fairfield when will be fascinated by Fairfield and Southport *Swindler Sachem* Jenny Hale Pulsipher, 2018-06-19 Indians too could play the land game for both personal and political benefit According to his kin John Wompas was no sachem although he claimed that status to achieve his economic and political ends He drew on the legal and political practices of both Indians and the English even visiting and securing the support of King Charles II to legitimize the land sales that funded his extravagant spending But he also used the knowledge acquired in his English education to defend the land and rights of his fellow Nipmucs Jenny Hale Pulsipher s biography offers a window on seventeenth century New England and the Atlantic world from the unusual perspective of an American Indian who even though he may not have been what he claimed was certainly out of the ordinary Drawing on documentary and anthropological sources as well as consultations with Native people Pulsipher shows how Wompas turned the opportunities and hardships of economic cultural religious and political
