Faith and Order Commission Papers ,2002 **An Ecumenical Odyssey** Stanley Jayakumar Yesudass,2024 No less than two decades were needed for the composition of the ecumenical convergence document The Church Towards a Common Vision TCTCV which was published by the World Council of Churches in 2013 The document was intended to reflect a common vision of churches and ecumenical stakeholders on a myriad of ecclesiological themes The book investigates whether the convergence document TCTCV delivers on its promises The book focuses on the formation and the reception of TCTCV along with the two draft versions The Nature and Purpose of the Church 1998 and The Nature and Mission of the Church 2005 and uncovers whether the responses by the churches to TCTCV hold an affirmation of the convergences registered in the document Furthermore it seeks to establish whether the responses point towards a common vision concerning various ecclesiological themes that are still contested by the churches today The book also explores whether the responses to TCTCV reveal an advancement in the conversation surrounding several debated issues and examines to what extent the churches are willing to creatively engage with the ecclesial other **My Ecumenical Journey** Bishop Michael Putney,2014-03-20 This book is a collection of essays by the Australian Roman Catholic Bishop Michael Putney on the topic of ecumenism The essays date from 1991 through to 2009 and are taken from papers and articles that he has written The book s introduction outlines Bishop Michael s involvement in ecumenical affairs from his early seminary days his participation in local ecumenical dialogue and initiatives right through to as a Bishop in his international involvement with bodies such as the World Council of Churches and later as a bishop with bodies such as the World Council of Churches and in as a member of the Vatican s Pontifical Council for Promoting Christian Unity The book has chapters on relations with the Anglican Communion the Lutheran Church and the Methodist Churches as well as the Jewish faith It also examines some key themes and issues in ecumenism the papacy baptism and justification The book includes a Foreword written by theological friend and colleague from the International Methodist Roman Catholic dialogue the Revd Geoffrey Wainwright of Duke University USA
