#### Faith Of A Child:

The Faith of a Child Art Murphy, 2000-08-01 Research shows that if children do not accept Christ before they are fourteen their chance of becoming believers greatly diminishes Children's pastor Art Murphy offers help for anyone who struggles with the issue of children and salvation The Faith of a Child is designed to teach parents grandparents or anyone who works with children how to be equipped and confident in guiding them to a saving faith in Christ Faith-Shaped Kids Stephen B. interactions with children the images of God we share with them how we pray together the rituals we create service opportunities we provide music we share together the stories we tell and listen to our celebration of the sacraments and more While this book has a distinctly Roman Catholic orientation much of the content will be relevant for a wider Christian audience Lastly but perhaps most importantly this book is rooted in the conviction that the God we seek relationship with and that we hope to foster our children's relationship with is one who is infinitely loving welcoming and always yearning for deeper connection with us

Motivate Your Child Scott Turansky, Joanne Miller RN, 2015-02-03 We need a parenting revolution Most parenting approaches end up encouraging children to ask the wrong questions about life What's in it for me Are you going to pay me for that What's the minimum I need to do to get by But God's Word gives us a better way to parent one that builds strong internal motivation in children When parents change the way they parent kids change the way they live This practical book explores a theology of internal motivation and then gives parents real life solutions to equip their kids for life You'll learn how to parent in ways that build internal motivation so that kids don't have to rely on you to get things done the four promptings of the conscience and how to coordinate your parenting to take advantage of them ways to energize your spiritual training with fun and creativity how to help children respond to mistakes instead of blaming defending or justifying The greatest gift you can give your child is strong moral and spiritual development this book shows you how Every chapter includes practical examples of families applying the Bible to their current issues Join the revolution
