*The People of God's Presence* Terry L. *GOVERNMENT BY THE PEOPLE OF GOD* GODSWORD GODSWILL ONU, 2015-03-02 Christians can control the affairs of their countries by the preaching of the Gospel which only is the source of salvation to mankind The more people submit to the Gospel of Jesus Christ the better the society and government will be And God listens to the cries prayers and intercessions we make on behalf of our nation and people The heart of the king is in the Hand of God and He can turn their hearts as we pray no matter the demonic opposition that is against our nation And we have to take part in the politics of our country directly or indirectly This is because if we are indifferent to our national politics those that the devil will put there will rule and lead us

**The Identity of God's People and the Paradox of Hebrews** Ole Jakob Filtvedt, 2015-08-03 Does the letter to the Hebrews display Jewish or Christian identity Ole Jakob Filtvedt shows that it takes up a traditional Jewish category namely membership in God's people and proposes it for its audience as a collective identity but also significantly reshapes that category in light of belief in Jesus Publisher *Faith Is for Weak People* Ray

Comfort, 2019-04-30 Every day that we interact with the world we are in a battle At stake is the eternal destiny of the souls of our friends family members and coworkers It is a battle we wage not only in prayer but also in words When we are faced with objections to the faith we profess are we ready to respond Apologist and evangelist Ray Comfort has spent his entire career answering objections to the faith and he wants you to be equipped to do the same In this practical book he shows you how to answer 20 objections to Christianity including questions such as What physical proof is there that God even exists Why does a loving God threaten eternal torture for not believing in him If there's an all powerful God why is the world so out of control Don't go into battle unarmed Let Ray Comfort train you to be ready with an answer not so you can be right but so you can

help bring people from darkness into light      **Symbols of Faith and the Miracles of God** Keith G Allen,2006      **These Brothers of Mine** Rob Dalrymple,2015-05-11 While the conflict in the Middle East continues to fester many Christians advance a theology that perceives these events to be the hand of God Has God truly brought the Jewish people back to the land in fulfillment of biblical prophecies Must we truly bless Israel in order to be blessed by God Lost in the midst of the turmoil over the Holy Land reside Christian communities Has the church in an effort to see prophecy fulfilled failed to care for the least of these brothers of mine This book steps into this controversial topic with several aims First Dalrymple answers two key questions Are the Jews still God s chosen people And does the Holy Land belong to them Dalrymple contends that just as Jesus is the fulfillment of God s purpose for the Temple so also Jesus is the fulfillment of the promises to Abraham that he would receive the Holy Land and an uncountable number of descendants Dalrymple also responds to some of the common assertions set forth by Christian Zionists Many might still ask Why should I care about what happens in Israel and Palestine The fact is that we must care And we must alert the Church that we must care Too much is at stake We have Christian brothers and sisters throughout the Middle East in general and in the Holy Land in particular who have been directly impacted by our theological opinions As a result the Church cannot be silent It must not be silent      **Faith Lies** Darrell Smith,2019-01-08 Faith Lies 7 Incomplete Ideas That Hijack Faith and How to See Beyond Them is for people noticing the cracks in the foundation of their faith as well as those who feel they have been hurt or discarded by a God or a faith that just does not make sense Faith lies are those seemingly required religious ideas or spiritual beliefs that are often confusing and rarely helpful LIE 1 The Bible is the Literal Word of God The Bible is not the written record of God s dictation God was most certainly the inspiration for the Bible but not the medium People were the medium they did the storytelling the writing the selecting and the interpretation that resulted in the Bible The Bible is not God s Bill of Rights and Constitution Rather it is a divinely inspired story of progression that should open things up rather than constrict and regulate LIE 2 God is Angry and Doesn t Like Me Especially When I Sin Instead of perceiving God as a loving parent many of us understand God as a cosmic scorekeeper intent on our purification Understanding God as a loving parent not only requires a reframing of our perception of God but also invites us to see each other and ourselves as beloved children LIE 3 The Devil is God s Counterpart This is the bad idea that the Bible presents a continuous consistent narrative about the devil It simply does not Moreover when we string together what we actually have disparate statements about satan made by different people from different places languages cultures and times we arrive at the strange notion that there is a good god who is responsible for the good things in our lives and a bad god satan who handles the bad stuff LIE 4 I Am Supposed to Protect and Defend God and My Faith There are real tensions and conflicts around the globe today that are built on the notion that as people of faith one of our jobs is to defend our faith or our God Rather than settling for a god who needs our protection we can follow the powerfully divine thread of moving beyond the tribe that is found throughout the Bible LIE 5 There is One Right Way to Believe and One Right

Way to Behave One of the root lies of fundamentalism in all faiths is the notion that true faith is defined by believing the right things and acting the right way Isn't it more likely that we are all part of a diverse creation that flows from a God that cannot be contained by any one belief or behavior LIE 6 Faith is a Private Matter Much like whom we voted for in the last election or how much money we make people have wrongfully accepted the idea that faith is a private matter and not to be shared with others The spiritual life has always been a communal life We require others to undertake our journey and others need us too LIE 7 Real Faith is Blind Belief The idea that true faith has no doubts or questions creates a powerless and impotent faith that discourages critical thinking and fosters the ridiculous assumption that science and faith are unrelated Real faith actually requires doubt criticism and exploration in order to change us let alone change the world While the loud voices at the margins adamantly declare faith either completely irrelevant or capable of being contained in one narrow ideology most people get lost in the mix feeling no certainty or comfort in either direction Faith Lies deconstructs the terrible notion that faithlessness and fundamentalism are our only options The Mystery of Faith Travis Jamieson, 2025-05-27 In a time when many are questioning or leaving the church disillusioned by hypocrisy and the damage caused by rigid belief systems The Mystery of Faith Why The Gospel is Good News calls readers back to the heart of Christianity Jesus himself This book explores how the person and work of Christ form the foundation of Christian faith a reminder that Christianity isn't about moral perfection political alignment or institutional loyalty but about the good news that Christ has died Christ is risen and Christ will come again For those struggling with doubt deconstruction or frustration with the church this book offers a fresh invitation to rediscover the beauty of the gospel For pastors and church leaders it serves as a guide for leading congregations back to the central truths of the faith Through thoughtful reflection and a clear compelling vision of the gospel The Mystery of Faith encourages readers to see why despite everything Jesus is still worth believing in Faith in the Blessed God: Its Nature, Results, and Reward. A Reprint (by Request) of 19 Lectures from His Commentary on the Epistle to the Hebrews. With a Preface on the Authority of the Old Testament and a Note on the Passion of Our Lord William Tait (English Chaplain at Pau.), 1874 **A FAITH FUELED LIFE** MARK ALEX, 2025-01-15 A Faith Fueled Life takes you on a transformative journey to uncover the true essence of faith a force so powerful it can move mountains But have you ever stopped to wonder what is faith really How can you hold on to faith when life feels uncertain Is there a way to pray with faith so strong it changes the course of your circumstances What amount of faith is enough to move the mountains standing in your way What does it mean to have faith like a mustard seed a tiny seed capable of growing into a massive tree How do righteousness and justification tie into faith and why do they matter What role does faith play in your everyday life on earth Even more how can faith bring joy to God's heart How can it lead you to eternal life Through thought provoking insights and deep exploration of biblical texts this book unravels the mysteries of faith offering practical answers and fresh perspectives to these vital questions and more Are you ready to discover how faith can change your life Dive in and may God bless you on this exciting journey
