Faith Roots Learning From And Sharing Witness With Jewish People:

Jews and Christians Together A. Christian van Gorder, Gordon Fuller, 2020-08-06 Rabbi Gordon Fuller and Dr Christian van Gorder are committed to helping people of both faith traditions gain as far as is possible a participant's appreciation of those from the other community This means addressing misconceptions and misrepresentations as well as challenging widely held assumptions *Jews and Christians Together* delves into the strained relationship between these two faith communities and exposes why these communities need to come to a better understanding and appreciation of the other Events such as the attack on the Tree of Life Synagogue in Pittsburgh Pennsylvania demonstrate why society must address and foil anti-Semitism and anti Judaism wherever and whenever such views appear The efforts of Fuller and van Gorder to explore these issues with their own faith communities can provide a helpful starting point to confront trends of increasing hate and bigotry towards Jews today Fuller and van Gorder ask us to acknowledge the marred history of Christianity and anti-Semitism so that we can explore healthy Jewish Christian dialogue and gain a shared and constructive mutual respect *Missiology*, 1995 An international review

Standing Against Anti-Semitism Howard Morgan, 2019-08-30 Every disciple of Jesus must understand that the Body of Christ has Hebraic Roots and a relationship responsibility to Jewish people Presently God is restoring this understanding to the Church Part of this restoration is recognizing that anti-Semitism is more than a merely human social economic or political phenomenon focused on the persecution or destruction of Jewish people Working with the spirit of anti Christ they have created satanic strategies focused on preventing the Second Coming of Jesus Dr Morgan shows the significance of aligning with God's prophetic purposes for the Church and the Jewish people There is a great spiritual battle opposing everyone who confronts anti-Semitism and participates in God's purposes for the Church and the Jewish people When you recognize the Biblical foundations and spiritual realities of this great end time move of the Holy Spirit and join the battle you will be helping to Prepare the way for the return of the Lord

German Protestants Remember the Holocaust K. Hannah Holtschneider, 2001 Focusing on the 1980s 90s examines how Protestants in Germany interpret their self understanding as part of the community which is defined by its connection to the Nazi past Analyzes representations of the Holocaust and of the Christian Jewish relationship in three German Protestant theological texts the 1980 statement of the Rhineland synod of the Evangelical Church Zur Erneuerung des Verhältnisses von Christen und Juden Marquardt's theological text *Von Elend und Heimsuchung der Theologie Prolegomena zur Dogmatik* 1992 and Britta J ngst's dissertation *Auf der Seite des Todes das Leben* 1996 The analysis of these texts is informed by the development of narratives of collective memory of the Holocaust in German society in the 1980s 90s from the miniseries *Holocaust* to the Goldhagen controversy All three texts admit the responsibility of Christianity and Christians for the Holocaust and build theologies that do not reject Jews Contends that

contrary to their stated intentions most Holocaust theologians do not truly listen to the Jewish perspective Calls on practitioners of theology after Auschwitz to embrace Jews and Judaism in order to restore the credibility of Christian Churches which abandoned the Jews in Auschwitz

Catholic Doctrines on the Jewish People after Vatican II Gavin D'Costa,2019-10-10 In this timely study Gavin D Costa explores Roman Catholic doctrines after the Second Vatican Council regarding the Jewish people 1965 2015 It establishes the emergence of the teaching that God's covenant with the Jewish people is irrevocable What does this mean for Catholics regarding Jewish religious rituals the land and mission Catholic Doctrines on the Jewish People after Vatican II establishes that the Catholic Church has a new teaching about the Jewish people the covenant made with God is irrevocable D Costa faces head on three important issues arising from the new teaching First previous Catholic teachings seem to claim Jewish rituals are invalid He argues this is not the case Earlier teachings allow us positive insights into the modern question Second a nuanced case for Catholic minimalist Zionism is advanced without detriment to the Palestinian cause This is in keeping with Catholic readings of scripture and the development of the Holy See's attitude to the State of Israel Third the painful question of mission is explored D Costa shows the new approach safeguards Jewish identity and allows for the possibility of successful witness by Hebrew Catholics who retain their Jewish identity and religious life

Of Whom Do the Prophets Speak? Howard Morgan,2019-08-30 This book is not about trying to convert Jewish people or to change anything about their identity beliefs or practices as Jews It is about helping people whose lives have been changed by their personal encounter with Jesus to share their understanding of the many prophecies in the Hebrew Bible that we believe can only be fulfilled in Yeshua It is also about encouraging and challenging you to seriously consider these prophecies and why we believe that Yeshua really is the Jewish Messiah the Son of God and the Redeemer of the world

Irreconcilable Differences? A Learning Resource For Jews And Christians David Sandmel,Rosann M. Catalano,Christopher M. Leighton,2018-03-08 Written by Jewish and Christian educators for use by college and adult learners this volume explores eight basic questions that lie at the core of both traditions and that can serve as a bridge for understanding Among the questions are Do Jews and Christians worship the same God Do Jews and Christians read the Bible the same way What is the place of the land of Israel for Jews and Christians Are the irreconcilable differences between Christians and Jews a blessing a curse or both Each chapter includes discussion questions

The Lion of Judah Rabbi Kirt A. Schneider,2019-01-08 If Jesus is a Jew why is there a wedge between Christianity and Judaism If Jews and Christians both believe in the same God why is there such division Why is history littered with deathly accounts of this division from the early Jewish persecution of Christians to the Crusades slaughtering of Jews The Lion of Judah unpacks the roots of this division showing how jealousy theology the law and the integration of Gentile believers into what was once a predominantly Jewish early church contributed to the schism It then goes on to reveal how Jesus magnificently fulfilled every word in the Bible Readers will discover why the Lion of Judah is the rightful Lord and King of all people Jews Christians
