Parallel Faith Dave Boden, 2023-09-01 Are you ready to discover how to walk alongside others on their journey to Christ? Learn how to walk parallel with others with purpose and help them discover Jesus from their starting point, not yours. Everyone takes little steps toward Jesus before they can take big steps with and for him. This is a process that starts long before people ever enter a church building, especially as the gap between the church and culture grows ever wider. This book will help equip you to handle the early stages of discipling others with care, address the stumbling blocks that hold them back, as well as redefine how you see your own identity as an ambassador of Christ. You will learn how to be better prepared to answer questions about your faith and how to share the gospel in a way that resonates with other people and their culture. There are many ways we can walk with others and point them to Jesus. We can use our creativity to create curiosity and hospitality can mean so much more than a warm welcome. If we teach like Jesus, then we will use everyday moments to impart Scripture, share stories, and offer next steps to those with whom we're walking alongside.

Liturgical Catechesis in the 21st Century, Revised Edition James C. Pauley, 2022-04-13 In Liturgical Catechesis in the 21st Century: A School of Discipleship, Dr. James Pauley explores the sacred action most essential to forming genuine disciples: the transformative encounter with God in the liturgy. Drawing upon important twentieth-century intellectual influences as well as the experience of several of today's foremost catechetical leaders, this book will inspire readers with a promising new vision for sacramental preparation and mystagogical catechesis, one that places maximum emphasis on apprenticing people into an active and fruitful sacramental life in Christ. Dr. James Pauley stresses the importance of discipleship and apprenticeship, leading from the visible to the invisible realities of the divine encounter with God in the sacraments. The relationship of liturgy and catechesis is vitally important to full conscious and active liturgical participation and to the life of holiness and missionary responsiveness, which depends upon liturgy as its source. This revised edition has been updated to reflect the 2020 Directory for Catechesis.

Vanhoozer,2014-09-19 In this volume highly esteemed scholar Kevin Vanhoozer introduces readers to a way of thinking about Christian theology that takes the work he began in the groundbreaking 2005 book The Drama of Doctrine to its next level Vanhoozer argues that theology is not merely a set of cognitive beliefs but is also something we do that involves speech and action alike He uses a theatrical model to explain the ways in which doctrine shapes Christian understanding and forms disciples The church Vanhoozer posits is the preeminent theater where the gospel is performed with doctrine directing this performance Doctrines are not simply truths to be stored shelved and stacked but indications and directions to be followed practiced and enacted In performing doctrine Christians are shaped into active disciples of Jesus Christ He goes on to examine the state of the church in today s world and explores how disciples can do or perform doctrine Written in an accessible and engaging style Faith Speaking Understanding sets forth a compelling vision of what the church is and what it should be doing and demonstrates the importance of Christian doctrine for this mission Disciples who want to follow Christ in all situations need doctrinal direction as they walk onto the social stage in the great theater of the world The Christian faith is about acknowledging and participating in the great thing God is doing in our world making all things new in Christ through the Holy Spirit Doctrine ministers understanding of God of the drama of redemption of the church as a company of faithful players and of individual

actors all of whom have important roles to play In an age where things fall apart and centers fail to hold doctrine centers us in Jesus Christ in whom all things hold together **Walking with the Full Assurance of Understanding** Sterling Merritt Durgy,2019-10-23 Walking with the Full Assurance of Understanding has been written to provide Christians who are serious about their faith what Paul called the wealth that comes from the full assurance of understanding In its pages readers will find the central truths logic and promise of Christianity necessary for a confident stable and fruitful walk with God No one knew better than John Wesley that it is one thing to know Scripture quite another to understand it Even as a missionary to Georgia well schooled in the faith by a clergyman father a devout mother and his studies at Oxford Wesley remained unaware of the full meaning of Scripture It was understanding that unlocked the power of God s work in his life Given the multitude of negative influences both from secular culture and within the Christian community there has never been a greater need to avoid the false teachings of philosophy popular but mistaken beliefs and poor assumptions The information and insights presented here will enable twenty first century Christians to avoid being carried about by every wind of doctrine by understanding the treasure they have in God Jesus Christ and the Scriptures PERFECT GLORY Marcia McFarland,2024-06-10 The author shares her personal testimony of encounters with the Divine along with sage advice on living a life of purpose With a touch of lighthearted humor you will be entertained enlightened and encouraged by the impactful words you find in these insights Although written in the style of a typical devotional this revolutionary book of spiritual insights will change the way you view religion It will turn all but the most hardened sceptic into a believer in a universal loving God who wants a relationship with each and every one of us It will help the believer to move beyond religious dogma of the past to experience the perfect glory of God in the present It will compel followers to serve God and others in new ways This book can be read as a twenty one week devotional or a twenty one day spiritual adventure It s short enough to be read in two to three hours if you choose to do so If you follow the practical advice it offers this book will launch you on a lifelong journey of transforming to the perfect will of your Creator *Walking with Faith* Walter J. Woods,2010-02-01 Walking with Faith addresses a long standing need to develop the faith related dimensions of Christian moral life and explore their implications It responds to Vatican II s exhortation that theological studies be renewed through a lively contact with the mystery of Christ and the history of salvation Accordingly this book examines the relationship between faith and moral life in the Scriptures and acknowledges the normative quality of the biblical texts It reviews the long experience of the Church paying special attention to history worship and intellectual currents These dimensions of Christian life show the relationship between faith and moral life at any given time and allow the actions of one generation to have effects that extend far into the future Walking with Faith promotes an understanding of contemporary pastoral and theological issues and encourages a deep and informed approach to Christian life *Walking the Line* Alan Davey,2021-11-17 The rule of Jesus articulated in Matthew s Gospel is neither obscure nor archaic Jesus imperatives speak

powerfully to the contemporary issues of our day and do so by illuminating a way of clarity simplicity and love Where populism demands separation Jesus promotes unity where institutionalism extols hierarchical power Jesus encourages humble service where individualism lauds immediate gratification Jesus asserts the path of sacrificial love Indeed as the Gospel of Matthew lays out the pathway that Jesus defines is one of awareness self knowledge and personal growth It is a way of generativity fruitfulness and abundance As we travel with Jesus in intimate conversation we walk the line in a rhythm that fosters advancement enjoyment and soulful acceptance
