Faithful Reason Essays Catholic And Philosophical:

Faithful Reason John Haldane, 2004 In *Faithful Reason* noted philosopher John Haldane lays out his thoughts on Christianity in daily life

The Culture of the Incarnation: Essays in Catholic Theology Tracey Rowland, 2017-08-01 In this collection of essays distinguished Australian theologian Tracey Rowland takes up the relationship of Christ and culture broadly understood She contrasts the principles undergirding what St John Paul II called a culture of death with those required for the flourishing of a humanism that flows from the grace of the Incarnation Rowland returns frequently to the theological insights of Joseph Ratzinger Pope Benedict XVI to whose thought she is deeply indebted Drawing upon the Augustinian and Thomist traditions of political theology she offers a trenchant theological critique of liberalism in all its forms with attention to our modern attraction to false utopias and accommodationist impulses The nine essays in this volume engage such perennial topics as the place of natural law the theological status of the world and the nature of true humanism along with timely topics such as the retrieval of the sources of Catholic resistance to Communism and what is now commonly called cultural Marxism Rowland's inimitable voice keen wit and penetrating insight into the distinctiveness of Catholic truth make this book a landmark volume as the Church today revisits anew its relationship to the world

Faith and Reason Nigel Zimmermann, Sandra Lynch, 2021-10-12 What is the fruit of a searching dialogue between faith and reason This book collects theological and philosophical perspectives on the richness of the faith reason dialogue including examples from literature continental and analytic philosophy worship and liturgy and radical approaches to issues of racism and prejudice The authors strongly resist the temptations to either disregard the faith reason dialogue or take it for granted Through their explorations and reflections they open up new vistas and horizons on a topic more necessary than ever

The Sheed and Ward Anthology of Catholic Philosophy James C. Swindal, Harry J. Gensler, SJ, 2005-09-01 The Sheed Ward Anthology of Catholic Philosophy is a thorough introduction to the evolution of Catholic philosophy from Biblical times to the present day The first comprehensive collection of readings from Catholic philosophers this volume aims to sharpen the understanding of Catholic philosophy by grouping together the best examples of this tradition both well known classics and lesser known selections The readings emphasize themes integral to the Catholic tradition such as the harmony of faith and reason the existence and nature of God the nature of the human person and the nature of being and the objectivity of the moral law Each reading includes a brief introduction and is historically placed within five major groups 1 Preliminaries including readings from the Bible Plato and Aristotle 2 The Patristic Era selections from Aristides to Boethius and a heavy focus on Augustine 3 The Middle Ages readings from the early Moslem and Jewish thinkers to William of Ockham with an emphasis on Aquinas 4 The Renaissance through the Nineteenth Century including Suarez Descartes Pascal Newman and Pope Leo XIII and 5 The Twentieth Century and Beyond including Maritain and Lonergan Blondel and Marcel Geach and Rescher and others like Chesterton and Teilhard

Global Ethics and Global Common Goods Patrick Riordan, 2014-12-18 Patrick Riordan takes a

different approach to the questions of global ethics by following the direction of questioning initially pioneered by Aristotle for him the most basic question of ethics is what is the good life So in the context of contemporary global ethics the Aristotelian questioner wonders about the good life on a global scale Global Ethics and Global Common Goods fills the gap in existing literature caused by the neglect of the topic of the good in global ethics Beginning by outlining answers to questions such as what is good and is there a highest good Riordan demonstrates the value of a common good perspective in matters of universal human rights and their institutions and practices the study of international relations and the construction of global institutions and debates about global justice between cosmopolitanism nationalism and economic globalization Philosophical questions provoked by these debates are identified and pursued such as the question of a common human nature which seems presupposed by the language of universal rights For experienced students of political philosophy and international relations this is a crucial text in the literature exploring the possibilities for politics on a world scale while the perspective of the common good adds a new and distinctive dimension to current debates on global security and the challenges of managing conflict

Identity and Coherence in Christology Paul S. Scott, 2023-09-29 This book explores a number of closely related logical and metaphysical questions relating to the identity of Jesus Christ In particular it considers What does Jesus Christ name and How may Jesus Christ be the subject of both divine and human attributes given their apparent incompatibility The author draws on analytic and scholastic influences and integrates them into a rehabilitation of the neglected habitus theory of the hypostatic union The theory maintains a real identity between Christ and the Word and emphasises the instrumental or possessory dimension of Christ's relationship to his human nature This approach allows for an account of the hypostatic union that is true to the indispensable articles of classical Christology and which satisfies the demands of logical coherence Yet at no point is the mystery of the Incarnational event reduced to the strictures of creaturely comprehension The book will be of particular interest to scholars of Christology analytic theology and the philosophy of religion

St Augustine Ryan N. S. Topping, 2014-10-23 After setting Augustine's thought firmly within the context of his life and times Ryan Topping examines in turn the causes of education the purposes pedagogy curriculum and limits of learning as Augustine understood them Augustine's towering influence over Medieval and Renaissance theorists from Hugh of St Victor to Aquinas to Erasmus is traced The book concludes by drawing Augustine into dialogue with contemporary philosophers exploring the influence of his meditations on higher education and suggesting how his ideas can reinvigorate for our generation the project of liberal learning

Edward Schillebeeckx and Contemporary Theology Lieven Boeve, Frederiek Depoortere, Stephan van Erp, 2010-12-09

The Philosophy of Hilary Putnam Randall E. Auxier, Douglas R. Anderson, Lewis Edwin Hahn, 2015-05-18 Hilary Putnam who turned 88 in 2014 is one of the world's greatest living philosophers He currently holds the position of Cogan University Professor Emeritus of Harvard He has been called one of the 20th century's true philosophic giants by Malcolm Thorndike Nicholson in Prospect magazine in 2013 He has been very

influential in several different areas of philosophy philosophy of mathematics philosophy of language philosophy of mind and philosophy of science This volume in the prestigious Library of Living Philosophers series contains 26 chapters original to this work each written by a well known philosopher including the late Richard Rorty and the late Michael Dummett The volume also includes Putnam's reply to each of the 26 critical and descriptive essays which cover the broad range of Putnam's thought They are organized thematically into the following parts Philosophy and Mathematics Logic and Language Knowing and Being Philosophy of Practice and Elements of Pragmatism Readers will also appreciate the extensive Intellectual Autobiography

Towards a Politics of Communion Anna Rowlands, 2021-12-02 Anna Rowlands offers a guide to the main time periods key figures documents and themes of thinking developed as Catholic Social Teaching CST A wealth of material has been produced by the Catholic Church during its long history which considers the implications of scripture doctrine and natural law for the way these elements live together in community most particularly in the tradition of social encyclicals dating from 1891 Rowlands takes a fresh approach in weaving overviews of the central principles with the development of thinking on political community and democracy migration and integral ecology and by considering the increasingly critical questions concerning the role of CST in a pluralist and post secular context As such this book offers both an incisive overview of this distinctive body of Catholic political theology and a new and challenging contribution to the debate about the transformative potential of CST in contemporary society

Omissions are Not Accidents Christopher J. Knight, 2010-01-01 On modern writers tendency to think their work is incomplete

Acting for the Common Good Michael J. McGrath, 2023-08-08 The goods that we pursue in our lives are for us first and foremost goods that are particular and personal and thus goods that are immediate to our attention Not readily apparent to us are goods necessary for the flourishing of our lives but that can be attained by us only in consort with others and thus realized only through collective action Such goods are common goods The wider the good the more extensive must be the human cooperation to realize the good A stable orderly society and a habitable planetary environment are common goods that can be realized only in and through the cooperation of all for the benefit of all That all contribute to the shared good of the whole is a matter of justice social justice Acting for the Common Good undertakes the study of social justice in light of the common good this from the viewpoint of Catholic social teaching which draws upon the tradition of the common good that is articulated classically in the philosophy of Aristotle and the theology of Thomas Aquinas and in the modern day social thought and authoritative teachings of the Catholic Church

Catholic Philosophy of Education Mario O. D'Souza, 2016-10-01 Today's pluralist and multicultural society raises questions about how to teach religiously and ethnically diverse students in Catholic schools A Catholic Philosophy of Education addresses these challenges by examining the documents from the Roman Congregation for Catholic Education alongside the writings of Jacques Maritain and Bernard Lonergan Mario D Souza proposes a contemporary formulation for a Catholic philosophy of education in which the ideals of Catholicism form the basis for the mission of the

Catholic school Drawing on the Church's educational documents and informed by Maritain and Lonergan D Souza explains how the unifying anthropology of Catholic education enables Catholic schools to serve amidst diversity by avoiding the extremes of religious exclusivism and fundamentalism on the one hand and relativism and individualism on the other He explores the aims of Catholic schools in relation to students teachers and society and the relationship between goodness discipline and knowledge He argues that students must be educated for personal and communal freedom and authenticity and to strive for the common good suggesting how a Catholic philosophy of education can provide the framework for such personal and communal transformation Essential reading for new and experienced Catholic educators A Catholic Philosophy of Education demonstrates that Maritain and Lonergan have much to offer in service of an education that is liberating instructive illuminating and integrative

Justice and Morality Amanda Russell Beattie, 2016-04-22 Bridging the contending theories of natural law and international relations this book proposes a relational ontology as the basis for rethinking our approach to international politics Amanda Beattie challenges both the conventional interpretation of natural law as necessarily and intractably theological and the dominant conception of international relations as structurally distinct from the ends of human good in order to recover the centrality of other directed agency to the promotion of human development Offering an important contribution to the study of international political thought the book contains a number of challenging and controversial ideas which should provoke constructive debate within international relations theory political theory and philosophical ethics

The Prophetic Church Andrew Meszaros, 2016 The Prophetic Church History and Doctrinal Development in John Henry Newman and Yves Congar is a historical and a systematic account of tradition doctrinal development and the theology of history with a particular focus on the contributions of two modern Catholic figures John Henry Newman 1801 1890 and Yves Congar 1904 1995 It is structured around two overarching themes the subject and history in their relationship to doctrinal development In addition the thought of both Congar and Newman is interwoven throughout Andrew Meszaros contextualizes and surveys Congar's reception of Newman He explains the appeal of Newman and provides concrete evidence that would substantiate the nature and extent of Newman's influence on Congar and thereby indirectly on Vatican II Meszaros also discusses doctrinal development with special attention to the subject and history These treatments are based on the subjective and historical motors or causes as it were of doctrinal development He then develops a theology of doctrine and doctrinal development as inspired by Newman and Congar In its reflection on the meaning of the Doctrinal Economy this study contributes to the theological problem of history and doctrine by synthesizing and honing contributions of these two great thinkers of modern Catholic theology It is precisely some of the key differences between Newman and Congar that make it theologically enriching to study them together

Pentecostal and Charismatic Education William K. Kay, Ewen H. Butler, 2023-08-29 The enormous Pentecostal and charismatic movement often called Renewalist has highlighted the power of the Holy Spirit but has rarely emphasized the movement's educational range and

reach Formal and informal teaching in many schools colleges seminaries church campuses homes and parachurches all contribute to a scattered and varied teaching impetus Pentecostal and Charismatic Education Renewalist Education Wherever it is Found looks at education through the eyes of those who see God at work in the world through the church and beyond The book explores questions like What should parents look for in a child s education and what choices do they have What educational role can churches have This book offers a worldview invested with traditional Christian theology but also enlivened by an understanding of the continuing outpouring of the Holy Spirit

Platonic Ideas and Concept Formation in Ancient and Medieval Thought Gerd van Riel, Caroline Macé, Leen van Campe, 2004

The Many and the One Richard Madsen, Tracy B. Strong, 2009-01-10 The war on terrorism say America s leaders is a war of Good versus Evil But in the minds of the perpetrators the September 11 attacks on New York and Washington were presumably justified as ethically good acts against American evil Is such polarization leading to a violent clash of civilizations or can differences between ethical systems be reconciled through rational dialogue This book provides an extraordinary resource for thinking clearly about the diverse ways in which humans see good and evil In nine essays and responses leading thinkers ask how ethical pluralism can be understood by classical liberalism liberal egalitarianism critical theory feminism natural law Confucianism Islam Judaism and Christianity Each essay addresses five questions Is the ideal society ethically uniform or diverse Should the state protect ban or otherwise intervene in ethically based differences How should disagreements on the rights and duties of citizens be dealt with Should the state regulate life and death decisions such as euthanasia To what extent should conflicting views on sexual relationships be accommodated This book shows that contentious questions can be discussed with both incisiveness and civility The editors provide the introduction and Donald Moon the conclusion The contributors are Brian Barry Joseph Boyle Simone Chambers Joseph Chan Christine Di Stefano Dale F Eickelman Menachem Fisch William Galston John Haldane Chandran Kukathas David Little Muhammad Khalid Masud Carole Pateman William F Scheuerman Adam B Seligman James W Skillen James Tully and Lee H Yearley

Musical Beauty Férdia J. Stone-Davis, 2011-01-01 This book offers an important new perspective on the Western tradition of musical aesthetics through an examination of Anicius Boethius and Immanuel Kant Within the trajectory illuminated by these two thinkers musical meaning is framed by and formed through the concept of beauty a concept which is shaped by prior understandings about notions of the self and the world Beauty opens up a space within which the boundary between the self and the world subject and object is negotiated and configured In doing so either the subject or the object is asserted to the detriment of the other and to the physicality of music This book asserts that the uniqueness of music s ontology emerges from its basis in sound and embodied practice It suggests that musical beauty is generated by the mutuality of subject and object arising within the participation that music encourages one which involves an ekstatic mode of attention on the part of the subject

Philosophies of Catholic Education James Arthur, 2024-05-31 This seminal volume takes an interdisciplinary approach to presenting an authoritative account of

contemporary philosophies of Catholic education intersecting the substantive boundaries of education religious studies philosophy and theology to ultimately re examine these philosophies and reinvigorate the authentic aspects of the Catholic educational endeavour Against the backdrop of an increasingly volatile debate between liberal and conservative values within Catholic educational and theological settings chapters provide a thorough and judicious blending of historical accuracy with contemporary urgency Combining a diversity of knowledge and historical account including discussion on Thomism Christian existentialism and ideologically oppositional philosophies the book argues that philosophies of Catholic education are in a new process of evolution necessary in order to justify the aims and priorities of Catholic education This book will be of value to academics scholars teachers and researchers with an interest in Roman Catholicism and the philosophy of education Those more broadly interested in exploring the intersection between education philosophy and religion will also find the volume of use The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
