Sketches by Boz** Charles Dickens, 1868      **British Nautical Melodramas, 1820-1850** Arnold Schmidt, 2022-07-30 During the 1820s and 30s nautical melodramas reigned supreme on London stages entertaining the mariners and maritime workers who comprised a large part of the audience for small theatres These plays mixed sentimental moments and comic interludes of domestic melodrama with patriotic images that communicated and reinforced imperial themes However generally the study of British theatre history moves from medieval and renaissance plays directly to the realism and naturalism of late Victorian and modern drama Readers typically encounter a gap between Restoration and eighteenth century plays like those of Oliver Goldsmith and Richard Brinsley Sheridan and late nineteenth plays by Henrik Ibsen and Oscar Wilde Nineteenth century

drama with the possible exception of plays by Byron Shelley and Wordsworth remains all but invisible Until recently melodramatic plays written and performed during this gap received little scholarly attention but their value as reflections of Britain's promulgation of imperial ideology and its role in constructing and maintaining class gender and racial identities have given discussions of melodrama force and momentum The plays included in these three volumes have never appeared in a critical anthology and most have not been republished since their original nineteenth century editions Each play is transcribed from original documents and includes an author biography a headnote about the play itself full annotations with brief definitions of unfamiliar vocabulary and explanatory notes Comprehensive editorial apparatus details the nineteenth century imperial naval political and social history relevant to the plays nautical themes as well as discussing nineteenth century theatre history melodrama generally and the nautical melodrama in particular Contemporary theatre practices acting audiences staging lighting special effects are also examined An extensive bibliography of primary and secondary texts a complete index and contemporary images of the actors theatres stage sets playbills costumes and locales have been compiled to aid study further
