the surface Paige knew her life had changed the moment she met Wyatt Jones The debonair sweet talking gentleman had a side to him reserved only for her But as the days grow longer and the nights more terrifying Paige becomes forced to decide how far and at what cost love extends itself to heal those in pain Through self reflection Paige learns that in losing herself she gains the chance to find her way back to the girl she has long forgotten From small town girl to big city cosmopolitan June Turner lives the life of dreams career success financial security and a comfortable love life With all the niceties her life affords she still wonders why she is so dissatisfied Her hometown the place she left far behind silently beckons her to visit Once home June discovers that sometimes those you leave behind are the people who have the power to fill the emptiness that resides within us On a journey of self discovery June and Paige learn that some bonds can never be broken and that the power to heal is inside all of us The only question that remains is can we resurrect something we have buried so deep inside of us EDITORIAL REVIEWS My favorite read this year Heartwarming and inspiring read Thoroughly enjoyed the characters and was delighted with the humor that was sprinkled throughout the story Loved the relationship between siblings June and Paige The story was filled with meaningful lessons as well as well written and defined characters If you re looking for a hopeful yet powerful story look no further **My New Beginning...? (!)** Gingee,2018-09-26 Following my miraculous awakening and the new me that had actually taken form I was startled to see the effect it had on the public persona Consequently immediately following my remarkable awakening and the celebration that followed thereafter it had been brought to my attention that my life would no longer be the same as it once was I soon learned that this was due entirely to the fact that I now possessed two particular unwanted characteristics that surprisingly caused me to be vilified by those of which I at one time considered to be my friends Specifically speaking following this unforeseen tragedy that befell me and the change of life that resulted thereafter I was to remain with slightly impaired speech and also a slightly dysfunctional gait Despite the fact that the overall effects that this tragic event had on my body and mind were relatively minimal taking into account the overall essence of what had actually taken place the actual effects that it had on my entire existence were well beyond reasoning This was so taking into account the ambiguous nature of that often misconstrued term disABLED With that in mind I would like for the reader s of this forthcoming narrative to take heed to the fact that I am no longer in a catatonic state of mind and that this fortuitous event that occurred in my life which I ve chosen to write about is based entirely on truth and is therefore entirely factual However before I say another syllable or utter another adjective I would like for the reader s of this narrative to kindly take heed and at the same time pay credence to the ultimate power that the often overgeneralized term love possesses After all my ultimate survival is a prime example of the veracity of the aforementioned statement
