Good Morning Midnight Chip Brown, 2004 This is the story of one man's attempt to find refuge from his demons in nature and his ultimate surrender to it *Good Morning Midnight* is an existential adventure story thrillingly reported brilliantly composed provocative and incisive *Good Morning, Midnight* Jean Rhys, 1936 **Modern Classics** **Good Morning Midnight** Jean Rhys, 2000-08-29 Jean Rhys's *Good Morning Midnight* is an unforgettable portrait of a woman bravely confronting loneliness and despair in her quest for self determination In 1930s Paris where one cheap hotel room is very like another a young woman is teaching herself indifference She has escaped personal tragedy and has come to France to find courage and seek independence She tells herself to expect nothing especially not kindness least of all from men Tomorrow she resolves she will dye her hair blonde Jean Rhys was a talent before her time with an impressive ability to express the

anguish of young women In Good Morning Midnight Rhys created the powerfully modern portrait of Sophia Jansen whose emancipation is far more painful and complicated than she could expect but whose confession is flecked with triumph and elation With an introduction by A L Kennedy Her eloquence in the language of human sexual transactions is chilling cynical and surprisingly moving A L Kennedy **A Beginner's Guide to Critical Reading** Richard Jacobs,2001 Brings literature to life through a combination of fascinating texts critically up to the minute readings and Jacobs enthusiastic lively approach

Critical Perspectives on Jean Rhys Pierrette M. Frickey,1990 Rhys acclaimed author of Wide Sargasso Sea Quartet and other novels treating the alienation of a woman from the Caribbean living in European settings has been a focus of interest both as a feminist writer and in the context of Caribbean literature Recharting the Thirties Patrick J. Quinn,1996 The aim of Recharting the Thirties is to revitalize the awareness of the reading public with regard to eighteen writers whose books have been largely ignored by publishers and scholars since their major works first appeared in the thirties The selection is not based on a political agenda but encompasses a wide and divergent range of philosophies clearly the contrasts between Empson and Upward or between Powell and Slater indicated the wide ranging vision of the period Women writers of the period have largely been marginalized and the writings of Sackville West and Burdekin for example not only present distinct feminine voices of the period but also illuminate how much good literature has been forgotten Modernist Objects Xavier Kalck,2021-01-05 Modernist Objects Literature Art Culture is a unique mix of cultural studies literature and visual arts applied to the discrete materiality of modernist objects Contributors explore the many tensions surrounding the modernist relationship to objects things products and artefacts through the prism of poetry prose visual arts culture and crafts **Home, Maison, Casa** Erica L. Johnson,2003 The book is concerned with homes maisons and case English French and Italian words which refer to a similar idea yet which reveal together that the notion of being at home a la maison or a case pivots on the axis of material dwelling places as well as the more abstract concept of being at home or chez soi **I Used to Live Here Once: The Haunted Life of Jean Rhys** Miranda Seymour,2022-06-28 Enthralling Seymour powerfully evokes the world from which Rhys never really escaped one of prejudice abuse and abuse s shamefaced offspring complicity James Wood The New Yorker An intimate profoundly moving biography of Jean Rhys acclaimed author of Wide Sargasso Sea Jean Rhys is one of the most compelling writers of the twentieth century Memories of her Caribbean girlhood haunt the four short and piercingly brilliant novels that Rhys wrote during her extraordinary years as an exile in 1920s Paris and later in England a body of fiction above all the extraordinary Wide Sargasso Sea that has a passionate following today And yet her own colorful life including her early years on the Caribbean island of Dominica remains too little explored until now In I Used to Live Here Once Miranda Seymour sheds new light on the artist whose proud and fiercely solitary life profoundly informed her writing Rhys experienced tragedy and extreme poverty alcohol and drug dependency romantic and sexual turmoil all of which contributed to the Rhys woman of her oeuvre Today readers still intuitively relate to her unforgettable characters

vulnerable watchful and often alarmingly disaster prone outsiders women with a different way of moving through the world And yet while her works often contain autobiographical material Rhys herself was never a victim The figure who emerges for Seymour is cultured self mocking unpredictable and shockingly contemporary Based on new research in the Caribbean a wealth of never before seen papers journals letters and photographs and interviews with those who knew Rhys *I Used to Live Here Once* is a luminous and penetrating portrait of a fascinatingly elusive artist

Jean Rhys's Modernist Bearings and Experimental Aesthetics Sue Thomas, 2022-01-27 Addressing Jean Rhys's composition and positioning of her fiction this book invites and challenges us to read the tacit silent and explicit textual bearings she offers and reveals new insights about the formation scope and complexity of Rhys's experimental aesthetics Tracing the distinctive and shifting evolution of Rhys's experimental aesthetics over her career Sue Thomas explores Rhys's practices of composition in her fiction and drafts as well as her self reflective comment on her writing The author examines patterns of interrelation intertextuality intermediality and allusion both diachronic and synchronic as well as the cultural histories entwined within them Through close analysis of these this book reveals new experimental thematic generic and political reaches of Rhys's fiction and sharpens our insight into her complex writerly affiliations and lineages

Wounded Images Kristine M. Whaley, 2024-03-27 This volume works through deconstructing traditional models of the imago Dei in search of a more inclusive understanding of the doctrine one that allows for literature to bring important questions to bear Brief analyses of Karl Barth and Paul Tillich and then growing dissatisfaction with the two in various liberation theologies brings to light the problems of a perfected image of God An exploration of four novels by Jean Rhys between 1928 and 1939 then follows the footsteps of Katie Cannon and others who include literature in their theological work The Rhys novels follow tragic stories of women who are wounded both by others and by their own inability to see themselves as worthy Through the questions these women ask about themselves and God the reconstruction of the imago Dei is set up This reconstruction
