Cain,2022-04-04 Judy Cain's parents survived the Great Depression and saved everything they ever had One could call them pack rats or say that they had a hoarder starter kit One day while digging through her parents belongings after they both passed away and went HOME Judy came across some very old letters All were addressed to June Larson in Minneapolis MN and were all from Louis Nelson her sweetheart and future husband During World War II Louie had written over 300 letters to June as their love was blossoming In them he expressed his love for her his calling and dream of becoming a minister and servant of the Lord his struggle with stuttering his seeming lack of faith at different points during the war and what he felt was an inability to truly pray He shielded her from the gruesomeness

of the war as they fell deeper and deeper in love with each other She provided the encouragement and support for him to stay strong and true to himself This book was originally written only for her family and contained only the letters but it has grown into much more Historical contextual information photographs poems scripture verses and his Unit s history are all woven throughout the letters to help provide a context and highlight his spiritual struggle to overcome barriers to the ministry and maintain if not grow his faith during frightening and gruesome experiences of the war in Europe If a man who felt the strong calling of God could overcome his struggles during a war then so can anyone God s power is limitless **Fear Not!** Lewis A. Groce,1996 Justification Sanctification Salvation Predestination Sacrament Holy Trinity all these words and more are transformed by Groce from theological jargon into contemporary language anyone can understand **Matthew's Gospel from Scratch** Donald L. Griggs,Earl S. Johnson,2011-01-01 From Matthew s matter of fact genealogy demonstrating Jesus status as a descendant of King David through the soaring words of the Sermon on the Mount to the lessons found in the Seven Parables of the Kingdom Matthew s Gospel is rich and wonderfully relevant to contemporary Christians Under the wise guidance of Donald Griggs and Earl Johnson Matthew s Gospel is also easily accessible to those with little or no knowledge of the Bible The Irony of Power Dorothy Jean Weaver,2017-06-21 This volume engages the Gospel of Matthew in full awareness of its inherently political character Weaver situates Matthew s version of the good news of the kingdom squarely within the real world of first century Palestine and its occupying power the Roman Empire The essays here focus prominently and collectively on the issues of power and violence that not only pervade the historically occupied Jewish community of first century Palestine but also are clearly visible throughout Matthew s narrative account A lower level reading of the Matthean text offers a bleak portrait of the overwhelming power and violence exerted by the Roman occupying authorities and their upper echelon Jewish collaborators against the wider Jewish community of first century Palestine But an upper level God s eye reading of Matthew s narrative consistently reveals the fundamental irony at the heart of the New Testament as a whole of the Jesus story broadly conceived and of Matthew s narrative account in specific This irony overturns all humanly recognized definitions of power and demonstrates the astonishing politics of God which defeats evident power through apparent powerlessness and overcomes violence through nonviolent initiatives *Dictionary of Jesus and the Gospels (2nd edn)* J B GREEN,J BROWN,N PERRIN,2020-05-21 The Dictionary of Jesus and the Gospels is unique among reference books on the Bible the first volume of its kind since James Hastings published his Dictionary of Christ and the Gospels in 1909 In the more than eight decades since Hastings our understanding of Jesus the Evangelists and their world has grown remarkably New interpretive methods illumined the text the ever changing profile of modern culture has put new questions to the Gospels and our understanding of the Judaism of Jesus s day has advanced in ways that could not have been predicted in Hastings s day But for many readers of the Gospels the new outlook on the Gospels remains hidden within technical journals and academic monographs The Dictionary of Jesus and the Gospels bridges the gap between scholars and

those pastors teachers students and lay people desiring in depth treatment of select topics in an accessible and summary format The topics range from cross sectional themes such as faith law Sabbath to methods of interpretation such as form criticism redaction criticism sociological approaches from key events such as the birth temptation and death of Jesus to each of the four Gospels as a whole Some articles such as the Dead Sea Scrolls rabbinic traditions and revolutionary movements at the time of Jesus provide significant background information to the Gospels Others reflect recent and less familiar issues in Jesus and Gospel studies such as divine man ancient rhetoric and the chreiai Contemporary concerns of general interest are discusses in articles covering such topics as healing the demonic and the historical reliability of the Gospels And for those entrusted with communicating the message of the Gospels there is an extensive article on preaching from the Gospels The Dictionary of Jesus and the Gospels presents the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialog with contemporary scholarship and challenges facing the church

A Better Understanding (Vol. 2) G. Ancel Killion,2010-03-25 The information that I have presented in these writings is possibly controversial to the belief of others In

my search for Bible truth I have derived from others many of the conclusions found within these Biblical subjects With each subject I have insisted on positive proof by finding supporting scriptures that prove their meaning By doing extensive search of the scriptures I believe the things written here are closer to Bible truth than what others have found I was prompted to get a better understanding of the scriptures by the fact that there are so many different beliefs being taught in the Christian churches I have tried to keep an open mind about those things that I have heard from the many ministers of the churches that I have attended I have always been with the idea that if one just accepts what you are being told in these churches there is a danger because you are putting your salvation in anothers hands I have come to believe there are many false ideas being taught by those ministers of the Christian belief I believe those ministers are sincere with their teaching but I also believe they in many ways have it wrong I have considered the old saying if you are being led by a blind man and he falls into the ditch you also will fall into that ditch I feel strongly that each one of us is responsible for our own salvation by hopefully getting it right The things I have written are my opinion and one must decide upon reading if it agrees with your understanding For many years I have done extensive study of the scriptures and believe I have found a more truthful understanding of those scriptures I believe in what I have found so strongly that I feel I must tell others *Biblical Strategies for a Community in Crisis* Colleen Birchett,1995-04 Through inspirational messages and warnings 11 leading Christian thinkers share with readers the major challenges facing the African American community and its church Readers are given biblical strategies for facing these challenges 12 lessons Leader s Guide also available **Called by the Gospel** Michael Paul Middendorf,Mark Schuler,2007-07-15 Called by the Gospel is the title for a series of introductory theological textbooks written from a distinctly Lutheran perspective In keeping with the predominant place of the gospel in Lutheran theology this introductory volume on the New Testament carries the same title as the series Called by the Gospel Readers will find within its pages a high view of the Christian Scriptures explanation of keys texts with careful attention to the historical and cultural contexts particular focus on the presentation of Jesus by the various texts and a conversational style that seeks to convey the message of the text for contemporary times Although the book was written with university students in mind any Christians who seek to deepen their grasp of the New Testament will find within its pages helpful and challenging insights This book builds on material presented in the first volume of the series Called to be God s People and supplements its contents with maps photos suggested readings discussion questions and a glossary Together these two volumes prepare the university student for an in depth consideration of Christian doctrine in Called to Believe Teach and Confess **All I Want For Christmas Leader Guide** James W. Moore,John P. Gilbert,2016-09-20 From the time the Wise Men came to bring gifts Christmas has been a time of giving gifts to our loved ones to the less fortunate to the church to favorite charities to family to friends and even to our pets In the best spirit of Christmas we give and receive Christmas gifts remembering the greatest Christmas gift of all God s gift of the Christ Child God s gift to us of a Savior As we give and

receive Christmas gifts it is incredibly important to remember that the best Christmas gifts are wrapped in heaven. Unfortunately sometimes we concentrate so much on the gifts we want to give to and receive from each other that we miss the special gifts Christmas has for us. Christmas has some amazing gifts for us but the truth is that we need the miracle of God's grace to see them, feel them, hear them, wrap our arms around them and celebrate them. This study asks a very personal question: What are the gifts you would really like to receive from Christmas this year? And that is what this book is all about: our thoughts and ruminations about the amazing life-changing gifts Christmas has for us. This Advent study has five sessions, one for each Sunday of Advent and one for Christmas. The Leader Guide is designed to be used alongside the DVD. It enables a small group leader to facilitate a weekly discussion about *All I Want for Christmas* using the five DVD sessions as its starting point. Questions and activities guide group participants to discuss and understand each chapter in greater depth. The DVD and Leader Guide are not a substitute for the book but a guide for discussing the book in small groups.

A Forgotten Message Frederick Guttmann, Here I talk a little about why we are here. What is death? What is the meaning of our life? And what does God want from us? Once I deal with existential doubts, I remember the principles of the knowledge of God and the rudiments of the doctrine of Christ and the apostles, that is God's plan regarding Salvation. At this point I talk about the news of the Kingdom of God, the Born Again Baptism as an expression of repentance for the forgiveness of sins and as an official commitment to Jesus. This includes the role of John the Baptist and Elijah as well as the encompassing of what the concept of Salvation represents. Finally, I deal with the problem of the human ego, the lack of love, the disobedience and innate rebellion and the place that the Holy Spirit takes in one topic without which one cannot advance in the ways of the Lord.
