Kinzer, Russell L. Resnik, 2021-06-09 The gospel of the life death and resurrection of Jesus of Nazareth has healed countless lives over the centuries but the gospel itself has been wounded through neglect of one of its main components The books of Luke and Acts reveal that the death and resurrection of Jesus are linked inextricably to the destruction and promised restoration of Jerusalem the city that personifies the Jewish people as a whole To highlight this expanded understanding of the gospel Mark Kinzer and Russ Resnik unpack the Hebrew term for gospel besorah as a prophetic message of salvation for Israel and all nations In Luke's besorah the death and resurrection of the Messiah are a sign of the coming judgment and restoration of

Jerusalem and the Jewish people a restoration that brings with it the renewal of all creation This prophetic dimension of the besorah is a key to healing the fractured gospel and restoring its power amidst the strife and tumult of the twenty first century

Mark for the Nations Lars Hartman, 2010-06-01 Mark for the Nations is a translation by the author of his Swedish commentary on the Gospel of Mark It is meant both for students of theology and for pastors as well as for lay people Hartman reads Mark s Gospel through the eyes of an early Gentile Christian reader For this reason he quotes much material from the Hellenistic world in translation To some extent this material appears here for the first time in a gospel commentary The analysis makes use of literary criticism and text linguistics but avoids the technical terminology To stimulate a modern reader s understanding of the evangelist s message to his first century audience Hartman has endeavored to translate traditional terms into slightly more common language

Walking the Stations Donald Heinz, 2025-02-17 In a time when Catholic piety is often fixed on the Good Friday stations of the cross and evangelical piety is associated with an imaginary what would Jesus do and much of Protestant religion has slimmed Jesus down from the fully dimensioned Christology of the Gospels and contemporary Christianity misses a Christ who has moved into the neighborhood John 1 14 and fully engaged the world and its peoples and touring liberals tout how little a Christian actually needs to believe this book chooses fourteen episodes from Jesus entire life and makes them way stations on a pilgrimage on which we gather to meet Jesus in person share him in community and follow him to a fully realized discipleship Such way stations may recall the medieval imitation of Christ or the notion of a Christian pilgrimage during which we make the way by walking Historically pilgrimage is meant to evoke I want to be in that number Yet identifying these stations is fully congruent with contemporary New Testament scholarship whether liberal or historically orthodox The significance of this book is that it sets forth a process of adult Christian education today that is rich with all the dimensions of Jesus life from birth to death and resurrection with all the happenings in between And most important it turns adult Christian education into a compelling Bible study in community and one that attracts participation like walking a labyrinth Through such engagement it recovers for lively practice today the mostly forgotten medieval imitatio Christi and

inserts this into the nearly forgotten but once vividly realized practice of pilgrimage overdue today as a way of imprinting the Christian walk onto the culture and onto individual believers and their communities Finally it follows contemporary Gospel scholarship back to the historical Jesus through visionary Holy Land tours or a modern walking the way stations that constitute Jesus own life and our immersion in it that would constitute true discipleship Mark David E.

Personality Type & Scripture: Mark Leslie J. Francis, 1997-01-05 In this fascinating and original book Leslie J Francis applies personality type theory to the way we study the bible Why when two people are asked what they find important in a biblical text are they likely to come up with different answers Why when a sermon speaks strongly to someone do others find it incomprehensible In recent years both inside and outside the Christian community the Myers Briggs Type Indicator MBTI has been extensively used as an aid to spiritual growth self knowledge and community building Type theory has become an invaluable resource in the spheres of education management and pastoral care Here Leslie J Francis suggests that in learning to understand our own preferred pattern of spirituality we do not only deepen our understanding of the gospels but also increase our sensitivity to the approaches of others Personality Type and Scripture brings together the texts from St Mark's gospel which are included in Year B of the Revised Common Lectionary and uses the insights of MBTI theory to explore the range of possible responses to them Accessible enough for use in personal Bible reading its disciplined and professional approach makes it an invaluable companion for Bible study leaders and preachers
