Good Spirits Bad Spirits How To Distinguish Between Them:

Good Spirits, Bad Spirits Sue Lim,2002 Good Spirits Bad Spirits How to Distinguish Between Them is an explanation of the invisible world of occult spirits variously known in the New Age as channeled Spirits spirits from God God himself spirits of sorcery or magic and prophetic spirits Good Spirits gives the reader a broad overview of occult spirit Intentionality embodied in hidden goals and multi generational plans Given the benefit of an eternity in which to achieve their goals occult spirits have honed the tricks of their supernatural trade to a fine art the art of persuading humans This skill is evident in channeled books such as Conversations with God and Messages from the Masters Through channeling and other means of contact such as the harmless ouija board occult spirits can wage spiritual and sometimes physical destruction in the lives of ordinary individuals The purpose of the spirits are most easily achieved through their creation of the famous personality whom they shepherd from childhood By lending their human agents the use of apparent occult powers such as contacting of the dead and foreseeing the future the spirits are able to spread their influence over the many while concealing their own malicious motives **American Journal of Insanity** ,1858

First Corinthians: An Exegetical and Explanatory Commentary B. Ward Powers,2009-01-01 In most areas of this Epistle B Ward Powers has come to share the interpretation of Paul s meaning held by the Early Church Fathers although he explains and expounds those views This is particularly the case in relation to chapters 12 through 14 where in keeping with the Early Church Fathers the Reformers most Scripture expositors until recent times and many present day exegetes Powers expounds the interpretation that tongues refers to human languages spoken on earth The one major area where Powers parts company with the Fathers of the first Christian centuries is in relation to matters of sex and marriage divorce and remarriage and attitudes to women generally Here Powers explains that Paul is more affirming of sex marriage and remarriage and women than many early writers and some modern writers have understood him to be We need at times to take considerable care he writes to understand the meaning of what Paul says to the Corinthians and in coming to terms with how this teaching is to apply to us in today s world But when we have arrived at our understanding of these things then there is no question this is the Word of God to us and we must take it very seriously indeed We cannot just dismiss it offhandedly and simply say Well that is just Paul s opinion and we can take it or leave it Not at all Paul has explained clearly that what he writes comes with the inspiration and authority of the Holy Spirit of God
