Goodbye To All That A Souvenir Of The Haughey Era:

Goodbye to All that Gene Kerrigan,1992 1916: One Hundred Years of Irish Independence Tim Pat Coogan,2016-11-08 There s before 1916 and then there s after Between them lies the Easter Rising when Irish republicans took up arms against British rule and changed the course of their country s history forever For though the resistance failed it failed gloriously the rebels were no longer a group of cranks and troublemakers in the public eye but martyrs and national heroes their example set the way for others and their mission lived on through the century to come But what sort of country did the Rising create And how does post 1916 Ireland compare with the aspirations of the rebellion s leaders the hopes of Thomas MacDonagh and John MacBride of James Connolly and Patrick Pearse One hundred years later Tim Pat Coogan offers a personal perspective on the Irish experience that followed the Rising He charts a flawed history that is marked as much by complacency corruption and institutional abuse as it is by the building of a nation and the sacrifices of the Republic s founding fathers Snapshot Stories Erika Hanna,2020-02-06 During the twentieth century men and women across Ireland picked up cameras photographing days out at the beach composing views of Ireland s cities and countryside and recording political events as they witnessed them Indeed while foreign photographers often still focused on the image of Ireland as bucolic rural landscape Irish photographers snapshotter and professional alike were creating and curating photographs which revealed more complex and diverse images of Ireland Snapshot Stories explores these stories Erika Hanna examines a diverse array of photographic sources including family photograph albums studio portraits the work of photography clubs and community photography initiatives alongside the output of those who took their cameras into the streets to record violence and poverty The volume shows how Irish men and women used photography in order to explore their sense of self and society and examines how we can use these images to fill in the details of Ireland s social history By exploring this rich array of sources Snapshot Stories asks what it means to see to look to gaze to glance in modern Ireland and explores how conflicts regarding vision and visuality have repeatedly been at the centre of Irish life Irish Publishing Record ,1994 The Modern Prince Justin O'Brien,2002 One man s quest for power in Ireland s modern political structure *Books Ireland* ,2002
