Goodbye Norma Jean:

The Immortal Marilyn John De Vito, Frank Tropea, 2006-12-07 From the late 1940s to the early 60s Marilyn Monroe appeared in barely thirty movies beginning with bit parts and moving on into supporting roles for such films as *The Asphalt Jungle* *All About Eve* and *Clash by Night* She soon shot to international fame and gained prominent roles in a number of classics like *The Seven Year Itch* *Gentlemen Prefer Blondes* and *Some Like It Hot* By the time of her early death in 1962 she had already become established as one of the great icons of the silver screen Even early in her career Monroe had been a source of inspiration for playwrights filmmakers and others looking to cash in on her tremendous impact In *The Immortal Marilyn The Depiction of an Icon* authors John DeVito and Frank Tropea chronicle the many representations of Marilyn Monroe in the performing arts from the 1950s to the present day In a decade by decade review the authors examine how Marilyn is portrayed in four distinct modes as herself as a Roman Clef character as a referent and as a documentary subject By looking closely at these individual works the authors reveal the ways in which her persona her history and most of all her image have been appropriated for both fact and fiction From an episode of *I Love Lucy* to Arthur Miller's play *The Fall* from adaptations of works by Norman Mailer and Joyce Carol Oates to an ever growing list of documentaries Monroe has been the subject of countless depictions on stage screen radio and television Monroe is adored imitated and idolized and the enormous amount of material written about her either directly or indirectly proves that she will continue to be a source of interest and speculation The first real analysis of all the many complex meanings that Marilyn Monroe has come to assume this book attempts to encapsulate and understand the enormous influence the actress had on the public and the wide range of creative talents who found her such an intriguing subject

The Many Lives of Marilyn Monroe Sarah Churchwell, 2005-12-27 A brilliant investigation into the debates surrounding Marilyn Monroe's life and the cultural attitudes that her legend reveals There are many Marylins sex goddess and innocent child crafty manipulator and dumb blonde liberated woman and tragic loner Indeed the writing and rewriting of this endlessly intriguing icon's life has produced more than six hundred books from the long procession of authoritative biographies to the memoirs and plays by ex husband Arthur Miller and the works by Norman Mailer and Joyce Carol Oates

But even as the books have multiplied myth reality fact fiction and gossip have become only more intertwined there is still no agreement about such fundamental questions as Marilyn's given name the identity of her father whether she was molested as a child and how and why she died *The Many Lives of Marilyn Monroe* reviews the unreliable and unverifiable but highly significant stories that have framed the greatest Hollywood legend All the while cultural critic Sarah Churchwell reveals us to ourselves our conflicted views on women our tormented sexual attitudes our ambivalence about success our fascination with self destruction In incisive and passionate prose Churchwell uncovers the shame belittlement and anxiety that we bring to the story of a woman we supposedly adore In the process she rescues a Marilyn Monroe who is far more complicated and credible than the one we think we know

The Films of Larry Buchanan Rob Craig, 2007-04-30 Films such as *The Naked Witch* *Zontar* *The Thing From Venus* and *Mars Needs Women* have gained large cult followings and movies like *A Bullet For Pretty Boy* *Free White and 21* and *Goodbye Norma Jean* became box office hits Still no other independent filmmaker of the latter 20th century may elicit such a disparity of response from general movie audiences and cult film buffs alike as the late legendary Larry Buchanan This study the first serious examination of Buchanan's body of work addresses consistent themes such as the end of suburbia the rebel outsider the oppressive establishment the curse of fame and creatures of destruction The highly political subtext found in virtually every one of the filmmaker's projects is also explored Chapters are devoted to more than 20 of Buchanan's films information on some of the unfinished unreleased and in at least one case deliberately destroyed projects is offered as well Photographs illustrating nearly all the films are included

The Bloodiest Thing That Ever Happened In Front Of A Camera Stephen Milligen, 2017-04-06 How porno chic became porno hell In the early 1970s outrageous claims were made of a new blood spattered cinematic extreme This was the legend of the snuff movie which promoted the inhuman notion that a woman had been murdered to satisfy the sexual appetite of a jaded public The story was produced by a kind of madness incarnate but it reflected the desperation of America in cultural turmoil Snuff was a backlash against the naive liberalism of the counterculture embraced by people who preferred to believe the worst about their society Once unleashed the concept was embraced and manipulated by the tabloid media and a variety of political and social crusaders each using it to further their own cause Brutal evil ghastly beyond belief snuff became an iconic urban legend This book is the true startling and hideously exploitative history of that legend and how it was created **SNUFF THE BLOODIEST THING THAT EVER HAPPENED IN FRONT OF A CAMERA**
