## **Goodbye Secret Place:**

**Good-bye, Secret Place** Kathy Gibson Roe, 1982 Throughout her first year in junior high school Whitney's possessiveness threatens her relationship with her best friend X99 John C. Robles, 2012-07-13 Read X99 and the biblical change You can read some of the biggest stories of the world Through reading antique manuscripts you would know how people from the past expected economy to be nowadays from the Dead Sea Scrolls to the Philadelphia experiments Find out about the economy of the future and be prepared for it since there will be credit to everything to 30 years in low interests Find out what the geopolitics of the future is and how it will be Be prepared for the world of tomorrow reading this book which exhibits how it will be and how super spies and advisers saved route satellite this world **Ace** Ralph Bland, 2012-05-20 Ralph Bland's fourth novel ACE follows the flights, fancies and comic pratfalls of John Ace Hardaway as he navigates eight months of life in 2005 Nashville Tennessee Ace former pitching phenom and athlete extraordinaire is now 55 years old and attempting to weather the midlife crisis threatening to envelop him sexual temptations ghostly visitations Burmese Pythons beneath his porch even a mysterious stalker who wants him dead but through it all Ace oft poetic and unflappable continues to seek answers for the overwhelming questions swirling about him while also learning a few things about baseball women and why sometimes a fellow's talents refuse to stay buried in the ground **Julian's Farewell** Jaden Sinclair, 2015-08-26 Noble born Julian Marino turned his back on the only life he has ever known to search for a lost friend he has always cared about and never forgotten Groomed to take his place as an Elder his father's ambitions not his own Julian set out to reinvent himself Learning to fight to hunt to track has been very successful for him but not in his many year quests to find his best friend Feeling defeated Julian goes to the one and only home he still has left and discovers new problems within his race as well as a new war brewing Serina Ferrari was born a bloodmate She is destined to be mated with a vampire and will suffer greatly if not Her system isn't designed for a human life Her body functions only for a vampire and without enough nutrition as well as feedings from a vampire she will die Her father refuses to accept this fate He thinks he can cure her and is blind to the suffering she goes through He takes vampires and even Elders with the hope of finding the cure needed for his daughter Has no care with how many lives he takes either or how they die He only wants to save his daughter and kill as many vampires as he can But when he ends up taking Julian all bets are off and the war that had been brewing starts not to mention there's a Guardian tagging along right behind Julian a legendary protector to the vampire race and very deadly when crossed Now the battle is on but who comes out a victor or a victim **Snuffles** Melinda Henry, 2011-04 *Farewell to Matyora* Valentin Rasputin, 1995 A fine example of Village Prose from the post Stalin era Farewell to Matyora decries the loss of the Russian peasant culture to the impersonal soulless march of progress It is the final summer of the peasant village of Matyora A dam will be completed in the fall destroying the village Although their departure is inevitable the characters over when and even whether they should leave A haunting story with a heartfelt theme

Farewell to Matyora is a passionate plea for humanity and an eloquent cry for a return to an organic life **Farewell to Shulamit** Carsten Wilke, 2017-04-10 The Song of Songs a lyric cycle of love scenes without a narrative plot has often been considered as the Bible's most beautiful and enigmatic book The present study questions the still dominant exegetical convention that merges all of the Song's voices into the dialogue of a single couple its composite heroine Shulamit being a projection screen for norms of womanhood An alternative socio spatial reading starting with the Hebrew text's strophic patterns and its references to historical realia explores the poem's artful alternation between courtly urban rural and pastoral scenes with their distinct characters The literary construction of social difference juxtaposes class specific patterns of consumption mobility emotion power structures and gender relations This new image of the cycle as a detailed poetic frieze of ancient society eventually leads to a precise hypothesis concerning its literary and religious context in the Hellenistic age as well as its geographical origins in the multiethnic borderland east of the Jordan In a Jewish echo of anthropological skepticism the poem emphasizes the plurality and relativity of the human condition while praising the communicative powers of pleasure fantasy and multifarious Eros ***Farewell My Beloved, Goodbye Dear Leader*** Brigitte M. Wareham, 2024-04-26 The only certainty in life is death Even the most powerful leaders throughout history were unable to cheat the Grim Reaper World leaders whether revered or reviled are rarely allowed to exit gracefully from life but instead receive a state funeral a major international event incorporating splendid symbols and messages religious faith and tradition The body of Tsar Alexander III was carried across half of Russia before finally being buried in St Petersburg People paid obscene amounts of money for a room that gave a glimpse of Queen Victoria's fascinating State funeral The cortege for China's Empress Dowager Cixi was not to be photographed nevertheless photos showed up a century later For political reasons Generalissimo Franco's body was exhumed decades after his death The world became acquainted with a rather unusual ancient Roman Catholic ritual when Pope John Paul I died The body of India's Indira Gandhi was confined to sacred flames The last journey of Marshal Tito turned into an event of Funeral Diplomacy whilst Khomeini's funeral ended in frenzy and tumult In 2021 the massive restrictions imposed due to the Covid 19 pandemic meant a rigid downsizing of Prince Philip's funeral hardly any guests were allowed to attend This revealing and entertaining book provides an insight into unique obsequies from across the world seen as both a celebration of life and the honouring of death ***Farewell to East Prussia*** Erhard Schulz, 2019-04-25 The author describes his childhood on his parents' farm in East Prussia and the first school years in Erlenrode und Kuckerneese The Second World War changes people's lives As an eleven year old boy along with his mother and two brothers he experiences the Great Trek on a horse drawn harvest wagon It starts in October 1944 and ends six months later in April 1945 after a drive of more than 750 miles through East Prussia West Prussia Pomerania Mecklenburg and Lower Saxony to Sievershausen near Hannover Germany The stages of their struggle and their encounters along the way are depicted with remarkable honesty Many striking details often strange and unimaginable sometimes touching to the heart
