

Goodbye Old Friend

Goodbye old friend, its hard to know your're gone
Its hard to say good bye and know I'll never see you again
Never laugh and have fun
And dream our dreams of life

Goodbye old friend, I wish that I were with you
So many more friends dead than alive
We wonder why life turned this way
We wonder why time took all our hopes away

And left us lonely here on earthh
To have nothing to look forward to
We didn't really much that much
We tried, but it didn't work

Goodbye old friend and all the others
That have gone before
I pray God has a special place for you
In that golden home of yours

I wish for hope, but I can find none
I sit here alone and wait
For that time when I will go too
Until than old friend, goodbye

In order to achieve a balanced evaluation of this area as a whole, many chapters in the book conclude with a critical appraisal of what is known about the role of friendship in happiness and provide important directions for future research. Experts from different parts of the world provide in-depth, authoritative reviews on the association between different types of friendship experiences, e.g., friendship quantity, quality, and happiness in different age groups and cultures. An ideal resource for researchers and students of positive psychology, this rich, clear, and up-to-date book serves as an important reference for academicians in related fields of psychology, such as cross-cultural, developmental, and social.
