Men and Mothers Hendrika C. Freud, 2018-03-08 Not all men vie with their fathers for the love of their mothers In some families the mother becomes the central figure for her son the father is excluded or excludes himself and does not come between mother and son The main thesis of this book using clinical vignettes and quotes from the work of Marcel Proust to illustrate the author's points is that in these cases fantasies of matricide replace patricide Men develop their male gender identity by being permitted to separate from their mother early on but when a man does not resolve his infantile tie to his mother he risks remaining in a passive and/or dependent position towards her Over identification with the mother might ensue hampering masculine development Mothers who seek emotional support by binding their sons too closely can become seductive towards them The child is inclined to try to satisfy the emotional needs of his mother and he fears rejection if he asserts his independence instead of complying Kissing Violet Blue, 2014-02-11 Kissing is an art form A great kiss can stop traffic start a five alarm fire and feel like Times Square on New Year's Eve Get your smooch on with all the different tricks and tips in this handy guide Bestselling author and columnist Violet Blue helps readers choose and perfect their very own unforgettable kissing style Learn how to time a kiss perfectly how to deliver and receive a first kiss and how to ask for kisses with body language Recognize when someone wants to kiss you when to build tension and when to take your kiss to the next level Discover all the secrets and foolproof techniques for the perfect kiss in this indispensable guide to an overlooked sensual art **The Smart Dad's Guide to Daughters** Jess MacCallum, Dale Reeves, 2014-07-01 The Smart Dad's Guide to Daughters will encourage your faith challenge you spiritually and give you real life advice on how to parent girls with wisdom and confidence Biblically based advice will equip you to guide your girls in the Christian faith plus you'll encounter some
