Gorbachev's Glasnost:

Gorbachev's Glasnost Joseph Gibbs, 1999 In *Gorbachev's Glasnost* The Soviet Media in the First Phase of Perestroika author Joseph Gibbs traces the development of glasnost as both concept and policy from the Leninist idea of criticism and self criticism to Gorbachev's attempt to modernize and reinterpret that doctrine to fit his own political goals and aspirations

BOOK JACKET **Gorbachev's Glasnost** Oliver Trager, 1989 A collection of newspaper editorials and cartoons on the subject of the Gorbachev government and the General Secretary's style of leadership known as glasnost

Gorbachev's Information Revolution Wilson P. Dizard, S. Blake Swensrud, 2019-04-11 This book analyzes Gorbachev's perestroika and its relationship to the information revolution It examines the Gorbachev initiatives in scientific and technological sectors and their implications for Soviet society as well as for the world beyond Soviet borders

Challenging Traditional Views of Russian History S. Wheatcroft, 2002-08-21 This collection presents views on key aspects of Russian Soviet history such as the non Slavic sources of Russian statehood tsarist penal systems the pre evolutionary technological level the famine of 1931-3 patronage practices in Stalin's Russia and the fall of the Soviet Union

The Legacy of Soviet Dissent Robert Horvath, 2013-05-13 During the 1970s dissidents like Sakharov and Solzhenitsyn dominated Western perceptions of the USSR but were then quickly forgotten as Gorbachev's reformers monopolised the spotlight This book restores the dissidents to their rightful place in Russian history Using a vast array of samizdat and published sources it shows how ideas formulated in the dissident milieu clashed with the original programme of perestroika and shaped the course of democratisation in post Soviet Russia Some of these ideas such as the dissidents preoccupation with glasnost and legality and their critique of revolutionary violence became part of the agenda of Russia's democratic movement But this book also demonstrates that dissidents played a crucial role in the rise of the new Russian radical nationalism Both the friends and foes of Russian democracy have a dissident lineage

Problems of Communism, 1987

Freedom of Information Reform in China Weibing Xiao, 2013-03 Freedom of Information FOI in China is often perceived as a recent and intriguing phenomenon This book presents a more complex and detailed understanding of the evolution of FOI in China using information flow analysis to explore the gradual development of government receptivity to FOI in an information environment through time The book argues that it is necessary to reassess the widely divergent origins of FOI reform in China and asserts that social political and legal factors should have central roles in understanding the development of FOI in China The book uses information flow analysis to find that FOI reform in China formed part of a much longer process of increased transparency in the Chinese information environment which gradually shifted from the acceptance of proactive disclosure to that of reactive disclosure FOI thus has become a beneficiary of this gradual transformation of the Chinese information environment

The Soviet Colossus Michael G. Kort, 2015-05-18 The twentieth century was not kind to Russia Despite its great potential and remarkable achievements the country also bore the weight of two world wars a revolution and civil war totalitarian tyranny

famine and ecological destruction economic ruin and imperial decline Will Russia ever be prosperous peaceful and free Seeking clues in the past Michael Kort revisits earlier turning points in Russia's history from the fall of the old regime to the establishment of the Bolshevik dictatorship and Stalinist totalitarianism from the reforms and counter reforms of Khrushchev and Brezhnev to the tumultuous years of change under Gorbachev and Yeltsin Which strands of Russia's past is their successor Vladimir Putin weaving into the fabric of the present and which are being allowed to fade for better or worse This new edition of *The Soviet Colossus* brings the story up through the first decade of the twenty first century Distinctively readable judicious and focused on critical events and questions it integrates new revelations about the Soviet past and ongoing debates about the Soviet regime as well as its successor It is the ideal text for as one semester history course or background for a political science course

The Rebirth of Politics in Russia Michael E. Urban, Vyacheslav Igrunov, 1997-03-28 Blending first hand accounts of grassroots politics with an original theory of social relations under communism this 1997 book seeks to explain one of the seminal events of this century the rebirth of politics in Russia amid the collapse of the USSR The authors trace the process from the pre political period of dissident activity through perestroika and the appearance of political groups and publications elections the formation of political parties and mass movements counter revolution and coup d'état the victory of democratic forces and the organization of a Russian state to the struggle of power in the post communist epoch the violent end of the first republic and the contentious relations engulfing its successor By focusing on the popular forces which accomplished Russia's political

rebirth rather than the reforms of the Soviet establishment this book offers an original perspective on this critical period

Arrigo,2016-06-15 Although surveillance hit the headlines with revelations by Edward Snowden that the National Security Agency had been tracking phone calls worldwide surveillance of citizens by their governments actually has been conducted for centuries Only now with the advent of modern technologies it has exponentially evolved so that today you can barely step out your door without being watched or recorded in some way In addition to the political and security surveillance unveiled

by the Snowden revelations think about corporate surveillance each swipe of your ID card to enter your office is recorded not to mention your Internet activity Or economic surveillance what you buy online or with a credit card is recorded and your trip to the supermarket is videotaped Drive through a tollbooth and your license plate is recorded Simply walk down a street and your image is recorded again and again and again Where does this begin and end In all levels of social structure from the personal to the political to the economic to the judicial The SAGE Encyclopedia of Surveillance Security and Privacy uncovers and explains how surveillance has come to be an integral part of how our contemporary society operates worldwide and how it impacts our security and privacy Key features include Approximately 450 signed entries from contributors around the globe Further readings and cross references conclude each article to guide students further as they explore a topic A Reader's Guide organizes entries by broad thematic areas

Everyone's History John H. Chambers, 2008-10-16 The book's structure blends history and geography A good world atlas or a world historical atlas will be helpful in the reading The historical arrangement of contents has six Parts Classical Mediaeval Early Modern Lands Early Modern Ideas Late Eighteenth and Nineteenth Centuries Twentieth Century Although this sequence of periods and categories fits Western European history best it is also reasonably appropriate for Central Asia India and China For other regions it is more arbitrary and Classical and Mediaeval periods are merged Because the Parts overlap and involve imprecise categories in the List of Contents and Summaries no attempt is made to give dates for their beginning and end

Turning Points—Actual and Alternate Histories Rodney P. Carlisle, J. Geoffrey Golson, 2007-09-26 This fascinating work is a series of explorations of key events in the administrations of Ronald Reagan and George H W Bush each of which speculates on what might have happened if events had unfolded differently The Reagan Era explores a time that saw the rise of the political conservatism that has dominated U S politics in recent years as well as the end of the Cold War which drove American foreign policy for nearly a half century What if Jimmy Carter had successfully navigated the energy shortage and the Iranian hostage crisis What if the assassination attempt on Reagan had succeed What if Iran Contra had not become a scandal These are among the specific topics examined in the book which looks at 11 crucial events and speculates on the effects of alternative outcomes By showing how easily the world might be different The Reagan Era reveals the lasting impact of that era's defining moments

Economics David A. Dieterle, 2017-03-27 A comprehensive four volume resource that explains more than 800 topics within the foundations of economics macroeconomics microeconomics and global economics all presented in an easy to read format As the global economy becomes increasingly complex interconnected and therefore relevant to each individual in every country it becomes more important to be economically literate to gain an understanding of how things work beyond the microcosm of the economic needs of a single individual or family unit This expansive reference set serves to establish basic economic literacy of students and researchers providing more than 800 objective and factually driven entries on all the major themes and topics in economics Written by leading scholars and practitioners the set provides readers with a framework for

understanding economics as mentioned and debated in the public forum and media Each of the volumes includes coverage of important events throughout economic history biographies of the major economists who have shaped the world of economics and highlights of the legislative acts that have shaped the U S economy throughout history The extensive explanations of major economic concepts combined with selected key historical primary source documents and a glossary will endow readers with a fuller comprehension of our economic world **Parameters** ,1990 Crises in Russia Boris Porfiriev,2016-05-13

This unique book explores the problems of the national crisis management system in Russia a country undergoing political social and economic transition and one which is also prone to natural and man made disasters In detailing policy institutional and legal issues and illustrating a number of case studies the authors offer new ways of resolving the effects of disasters as well as increasing resilience by improving our understanding of the risks and vulnerabilities In the book six chapters offer case studies of various types of disaster written in a unique collaboration between Russian scientists Russian policy makers and Swedish scholars Other chapters relate the role of mass media in Russian society and policy development Taken together the book details changes in a crisis management system policy and approach in a country that has undergone rapid fundamental political economic and social change **Resolving the Russo-Japanese Territorial Dispute** Brad

Williams,2007-06-11 The unresolved territorial dispute between Japan and Russia over the South Kuril Islands Northern Territories remains the largest obstacle to concluding a peace treaty and fully normalising bilateral relations between the two nations This book traces the evolution of transnational relations between subnational public authorities in Hokkaido and Sakhalin examining the interrelationship between these ties and the Russo Japanese territorial dispute The book investigates why the development of Hokkaido Sakhalin relations has failed to create at the subnational level an environment conducive to resolving kankyo seibi the South Kuril Islands Northern Territories dispute Brad Williams suggests that kankyo seibi has not worked primarily because Russia s troubled transition to a liberal democratic market economy has manifested itself in ways that have ultimately increased the South Kuril Islands intrinsic and instrumental value for the Sakhalin public and regional elite This in turn has limited the impact from the twin transnational processes of cultural and economic exchange in alleviating opposition to the transferral of these disputed islands to Japan Drawing upon a wealth of primary and secondary sources from both countries this book utilises levels of analysis and an analytical framework that incorporates national and subnational as well as governmental and non governmental forces to discuss a relatively unexplored aspect of Russo Japanese relations As such Resolving the Russo Japanese Territorial Dispute will appeal to students and scholars of Asian politics international relations and post communist states **George Costakis** Peter Roberts,1994-09-15 This splendid book paints a rich portrait of the Russian avant garde and the intrigues which it saved for posterity Roberts has written a fascinating history of the famous Costakis collection and its creator George Costakis who for nearly thirty years was an administrative clerk in the Canadian embassy in Moscow Until his forced departure from Russia in 1978 he collected

continually and painstakingly the abstract constructivist and supremacist art of 1912 to 1930 which fell into official disrepute under Stalin The author a former Canadian ambassador to Moscow is a first hand authority on Costakis and his magnificent obsession

Gorbachevs Glasnost Introduction

In the digital age, access to information has become easier than ever before. The ability to download Gorbachevs Glasnost has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Gorbachevs Glasnost has opened up a world of possibilities. Downloading Gorbachevs Glasnost provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Gorbachevs Glasnost has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Gorbachevs Glasnost. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Gorbachevs Glasnost. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Gorbachevs Glasnost, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Gorbachevs Glasnost has transformed the way we access information. With the

convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
