Vividly capturing the heady times in the waning months of World War II Ronald Weber follows the exploits of Allied reporters as they flooded into liberated Paris after four dark years of Nazi occupation He traces the remarkable adventures of the men and women who lived worked and played in the legendary H tel Scribe set in a highly fashionable part of the largely undamaged city Press jeeps and trailers packed the street outside while inside the hotel was completely booked with hundreds of correspondents The busiest spot was the dining area where the clatter of typewriters combined with shouts of correspondents needing hot water to brew coffee from military powder But the basement level bar was the hotel s top attraction where famed war correspondents like Ernie Pyle Walter Cronkite A J Liebling Ernest Hemingway Martha Gellhorn Janet Flanner Lee Miller Marguerite Higgins Irwin Shaw Edward Kennedy Charles Collingwood Robert Capa and many others held court while in the company of military censors and top brass Weber uncovers the struggles between correspondents and Allied officials over censorship and the release of information the heated press chaos surrounding the war s end and the drama of the second German surrender orchestrated by the Russians in shattered Berlin The elation of total victory was mixed with the abrupt emptiness of a task finished While work on the Continent remained for journalists it now dealt with the slog of the occupation of Germany rather than the blood and glory of war Yet Weber shows there were many reasons to carry on after VE Day in this delightfully entertaining account of the hotel where correspondents were regularly briefed on the war and its aftermath wrote their stories had them transmitted to international media outlets and rarely neglected the pleasures of a Paris reborn until December 1 1945 when the H tel Scribe was officially vacated by the American military *Dark Trophies* Simon Harrison,2014-05-01 Many anthropological accounts of warfare in indigenous societies have described the taking of heads or other body parts as trophies But almost nothing is known of the prevalence of trophy taking of this sort in the armed forces of contemporary nation states This book is a history of this type of misconduct

among military personnel over the past two centuries exploring its close connections with colonialism scientific collecting and concepts of race and how it is a model for violent power relationships between groups Congressional Record United States. Congress,1979
