**1** Since many have undertaken to set down an orderly account of the events that have been fulfilled among us, <sup>2</sup>just as they were handed on to us by those who from the beginning were eyewitnesses and servants of the word, <sup>3</sup>I too decided, after investigating everything carefully from the very first,<sup>4</sup> to write an orderly account for you, most excellent Theophilus, <sup>5</sup>so that you may know the truth concerning the things about which you have been in-

of the priesthood, to enter the sanctuary of the Lord and offer incense. <sup>10</sup>Now at the time of the incense offering, the whole assembly of the people was praying. <sup>11</sup>Then there appeared to him an angel of the Lord, standing at the right side of the altar of incense. <sup>12</sup>When Zechariah saw him, he was terrified; and fear overwhelmed him. <sup>13</sup>But the angel said to him, "Do not be afraid, Zechariah, for your prayer has been heard. Your wife Elizabeth will bear you a son, and you will call his name John. <sup>14</sup>You will have joy and peace, and many will rejoice at his birth. <sup>15</sup>For he will be great in the sight of the Lord. He will never drink wine or strong drink. From birth he will be filled with the Holy Spirit.

Echoes of Scripture in Luke-Acts Kenneth D. Litwak, 2005-03-07 Litwak challenges previous studies of the use of the Old Testament in Luke Acts as inadequate In contrast to previous studies that consider only quotations or obvious allusions he examines intertextual echoes of the Old Testament at strategic points in Luke Acts as well as quotations and allusions and echoed traditions Thus this study's database is larger Previous studies generally argue that Luke's use of the Scriptures is in the service of christology This leads to the exclusion of scriptural citations such as those of the temptation Luke 4 1-13 which have different emphases Litwak views ecclesiology as the overall purpose behind Luke's use of the Old Testament but he does not skip or avoid intertextual references that may lie outside an ecclesiological function Whilst other studies contend that Luke uses the Old Testament according to a promise fulfillment proof form prophecy hermeneutic Litwak argues that this fails to account for many of the intertextual references Other studies often subsume all of Luke's use of the Scriptures of Israel under one theme such as the New Exodus but this study does not require that every intertextual echo maps to a specific theme Rather the many intertextual references in strategic texts at the beginning middle and end of Luke Acts and Luke's use of the texts are allowed to dictate the themes to which they relate JSNTS 282 **A Theology of Luke and Acts**

Bock, 2015-04-28 This groundbreaking work by Darrell Bock thoroughly explores the theology of Luke's gospel and the book of Acts In his writing Luke records the story of God working through Jesus to usher in a new era of promise and Spirit enablement so that the people of God can be God's people even in the midst of a hostile world It is a message the church still needs today Bock both covers major Lukan themes and sets forth the distinctive contribution of Luke Acts to the New Testament and the canon of Scripture providing readers with an in depth and holistic grasp of Lukan theology in the larger context of the Bible I Howard Marshall A remarkable achievement that should become the first port of call for students in this central area of New Testament Theology Craig S Keener Bock's excellent exploration of Luke's theological approach and themes meets an important need in Lukan theology *Luke and Scripture* Craig A. Evans, James A. Sanders, 1993

The Gospel of Luke and Acts of the Apostles Franklin Scott Spencer, 2008 Introduces literary historical and theological issues of Luke and Acts Biblical texts create worlds of meaning and invite readers to enter them When readers enter such textual worlds which are often strange and complex they are confronted with theological claims With this in mind the purpose of the Interpreting Biblical Texts series is to help serious readers in their experience of reading and interpreting by providing guides for their journeys into textual worlds The controlling perspective is expressed in the operative word of the title interpreting The primary focus of the series is not so much on the world behind the texts or out of which the texts have arisen as on the worlds created by the texts in their engagement with readers In keeping with the goals of the series this volume provides an introductory guide to readers of the New Testament books of Luke and Acts It focuses on both the synchronic and diachronic dimensions of the literature in an effort to acquaint readers with literary historical and theological

issues that will facilitate interpretation of these important books F Scott Spencer is Professor of New Testament at Baptist Theological Seminary at Richmond

**The Way According to Luke** Paul Borgman, 2006-03-10 Among the classics of ancient Greek and Jewish literature the story of Luke Acts has few rivals Yet we moderns miss much of the meaning of Luke's two part drama because we read it like any other text and not as it would have been heard by ancient listeners in public performance by a skilled storyteller The Way according to Luke unlocks the big picture of Jesus' mission by attending to the repetition patterns and other clues of oral narrative In this single volume Paul Borgman lays out a holistic view of the organic unity between Luke and Acts while demonstrating that the meaning of Luke Acts is uniquely embedded in its narrative Borgman's distinctive work makes

available both the satisfying pleasure of reading the Bible as great literature and the rewarding insight gained from receiving Scripture as it was originally delivered

***The Conclusion of Luke-Acts*** Charles B. Puskas, 2009-01-01

The conclusion of Luke Acts is regarded as one of the most important chapters of Luke's two volume work. Several significant Lukan themes are found in Acts 28, all of which make some contribution to the purpose and aim of the author in writing Luke Acts: the Gentile mission, the triumph of God's Word, and the relationship of Christianity with Judaism and Rome. Acts 28 contains many historical problems that have been debated for centuries, including the we statements, the figure of Paul in Acts 28, and the abrupt ending. Puskas compares the conclusion of Acts with other important chapters of Luke Acts: the introduction of the Gospel, the conclusion of Acts, the defense of Paul, chapters as well as other passages. In this significant chapter of Acts 28, there are still fundamental problems of exegesis that need to be addressed. What is the literary function of Acts 28? What is Luke trying to tell his readers in the text?
