Christianity Unplugged , The Gospel Unplugged Richard Wagner, 2005 Wagner unearths the truths in lyrics in 25 popular contemporary Christian songs from artists such as Third Day Switchfoot and others *The Gospel Unplugged* Hixson, 2011-06 With all of the bad news in the world today people are searching for answers Where can you turn to find perspective and hope This edition presents amazing good news that transcends everything in life It is a timeless truth with eternal ramifications revealed by the Creator Himself It is called the Gospel **The Immutably Holy God the God Who Wants to Be Our Heavenly Father** Steven G. Miller, 2023-06-16 Over the years it became increasingly clear that if the Christian faith is really true it is not being given the seriousness of what we profess As an example there are aspects of the Christian faith that are very comforting the love of God There are also aspects of the faith that are hard to fully grasp the immutable holiness of God These two aspects of God's nature coexist in God's perfect nature neither of which can ever be diminished or compromised Therefore this gives rise to a perceived problem how can God love sinners and still remain uncompromisingly holy This book explores the wonders of God's salvific work to bring sinners into a right standing with Himself In this book you will find the straightforward answer to the way of salvation the motivations to live a life that is eternally meaningful and explore essential doctrines that have been neglected The Upside Down Church Greg Laurie, 2000-01-24 2000 Gold Medallion Award winner The Upside Down Church is a must read for pastors and church lay leaders to help them grasp the principles of biblical church growth Any church can revolutionize its community for Christ by following a biblical model for local church ministry Readers will rediscover the first century church priorities of fellowship evangelism worship and discipleship **Our Heavenly Father the Immutable Holy God** Steven G. Miller, 2022-05-19 I have been on a long spiritual journey studying Christian theology Overtime it became abundantly obvious to me that if the Christian faith is really true it is not being given the weight suggested by what we profess to believe There are aspects of what we profess to believe that are very comforting the Love of God for one There are aspects of Christianity that are hard to understand Hell as another example These two aspects of our faith coexist in the immutable nature of God Neither of these aspects of God's nature can ever be diminished or compromised Since God cannot compromise His intrinsic nature these truths give rise to our need for a all sufficient Savior This book is exploring the wonders of God's salvific work to bring sinners into a right standing with our Heavenly Father **Billboard** , 2004-12-18 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** , 2004-05-01 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment

issues and trends **The Myth of Happiness** Rich Wagner,2009-08-30 What is joy What isn't joy And most important how can we experience it After all isn't that what we long for something that goes beyond a smiley face and takes hold of the fullness Jesus promised his followers C S Lewis said he was surprised by joy but the reality is that most Christians today are just plain confused by it While paying lip service to joy we replace it in favor of a cheap substitute happiness In *The Myth of Happiness* Rich Wagner dispels our misconceptions and reveals the true nature of biblical joy He wrestles honestly with the tough questions many of us wonder but haven't known how to ask Is joy anything more than a plastic smile Can we experience joy while battling fear and uncertainty Are Christians honestly expected to count it all joy rejoicing in the midst of turmoil and tragedy Can real joy possibly live up to the hype Joy transforms It's God's most tangible gift available to believers this side of heaven Wagner debunks the myth of happiness and helps us receive the unquenchable joy Christ promises
