Irrational Indictment & Imprisonment

Jon Schiller,2008-06 This is a horrible true story of an unbelievable and unfair indictment and imprisonment of a loyal American whose only crime was to misread the USG export regulations He spent all his money on an expensive lawyer who said 2 days before the trial You are going to prison Dr Ernest Kelly replied How can I be imprisoned since I did nothing wrong His lawyer answered The prisons are full of people who did nothing wrong Terrified Ernest and his wife caught the next plane to Europe and spent the next 17 years living a new life in Spain until he was arrested and learned what it was like to live in a Spanish prison Extradited to Los Angeles on the advice of his lawyer he agreed to a plea bargain and pled guilty since he didn t have enough money for a trial The judge ignored the advice of the probation officer assigned by the court to evaluate Dr Kelly s case that he be released with time served and instead sentenced him to 2 years in prison and 2 years probation
