Got Grace:

Got Grace Brian John Schuettler, 2005-04-21 There are so many things calling us away from God in this culture of death things that will kill our souls and anesthetize our brains The assault becomes more and more intense with each passing year We cannot surrender to these temptations of money and sex and possessions that enslave us and draw us away from our true desire the one true desire of our heart to be filled with the love the joy and the peace of the Lord Come on a journey that leads to the key that opens for us this treasure Come on a journey toward Grace What is Grace Where does Grace come from How do I know and recognize Grace in myself and others Most importantly how do I communicate with Grace and defeat evil in my personal life and in the world Join the journey and see how Grace will change your life now and forever *Joe Egg*

Grace Jyoti Mestry, 2021-04-07 I have written the book with the sole aim to make an honest attempt to share my subjective experiences and objective observations that have transformed my life from the day my path crossed with that of Grace's The presence of pure unconditional love and undeniably full proof loyalty changed the layers of my life's fabric I wish the would be pet parents will take a clue from the content and avoid making any mistakes that I made knowingly and unknowingly I am also rooting for the cause of strict ban control over breeding sale of pets I want to promote adoption of the pets instead of purchase I hope the readers identify with and enjoy our moments and also get the message while turning the pages I have tried to be unflinchingly honest about my feelings for Grace In doing so I am sorry if some feathers are ruffled but the intention is not at all to do so Without any doubt or hesitation the worst part of the process of writing this journey is that it has made me feel emotionally exposed I wish the would be parents realize absorb the fact that we are chosen and blessed and must be grateful to the Universe for having our life immersed in rainbow colors There is undoubtedly always a purpose when a pet walks in your life From being not a pet lover to helicopter pet mom has been nevertheless a revolutionary change in my life This bond surpasses all the pleasures derived from all the materialistic things or relations That is my personal ultimate realization She has taken me on uncharted journey through the stratosphere It is a walk into the unknown and I am hoping this walk will be a long one After all it is the journey that is more important than the destination itself I can guarantee you that it is no less than a spiritual awakening without even realizing So my friends hold my hand and join my rollercoaster ride with Grace The journey continues with a promise to join you all with the next lifelogue
