**I Won't Be Defeated** Makesha AC Williams best known as LIL K, 2025-05-15 *I Won't Be Defeated* is based on the true experience of one poet's struggle with depression. After a life-altering car accident in 2002, Makesha Williams found herself at rock bottom. Slowly, with strength and an unwavering determination, she dragged herself out of the abyss and into the light. These poems share that journey in lyrical detail, from feeling invisible to witnessing God's greatest miracle. With this collection, Makesha hopes to share the light with others going through their own dark times and assure them that everything gets better with God on your side.

About the Author: Makesha AC Williams, best known as Lil K, is a DJ, music producer, writer, and director. She believes music is essential to healing. Her mom and dad are her heroes. *Gotta Dance!* Jenai Cutcher, 2003-12-15. Explores the history of jazz and tap dancing, what is involved in becoming a dancer, and what to look for when watching a jazz or tap dancing performance.

**The Play Within the Play** Gerhard Fischer, Bernhard Greiner, 2007. The thirty chapters of this innovative international study are all devoted to the topic of the play within the play. The authors explore the wide range of aesthetic, literary, theoretical, and philosophical issues associated with this rhetorical device, not only in terms of its original meta-theatrical setting from the baroque idea of a *theatrum mundi* onward to contemporary examples of postmodern self-referential dramaturgy, but also with regard to a variety of different generic applications, e.g., in narrative fiction, musical theatre, and film. The authors, internationally recognized specialists in their respective fields, draw on recent debates in such areas as postcolonial studies, game and systems theories, media and performance studies to analyze the specific qualities and characteristics of the play within the play as ultimate affirmation of the self, the Hamlet paradigm as a self-reflective agency of meta-theatrical discourse, and as a vehicle of intermedial and intercultural transformation. The challenging study, with its underlying premise of play as a key feature of cultural anthropology and human creativity, breaks new ground by placing the play within the play at the centre of a number of intersecting scholarly discourses on areas of topical concern to scholars in the humanities.
