Gotta Live:

This Life Quntos KunQuest,2021-06-08 This Life is the debut novel by Quntos KunQuest a longtime inmate at Angola the infamous Louisiana State Penitentiary This marks the appearance of a bold distinctive new voice one deeply inflected by hiphop that delves into the meaning of a life spent behind bars the human bonds formed therein and the poetry that even those in the most dire places can create Lil Chris is just nineteen when he arrives at Angola as an AU an admitting unit a fresh fish a new vict He s got a life sentence with no chance of parole but he s also got a clear mind and sharp awareness one that picks up quickly on the details of the system his fellow inmates and what he can do to claim a place at the top When he meets Rise a mature inmate who s already spent years in the system and whose composure and raised consciousness command the respect of the other prisoners Lil Chris learns to find his way in a system bent on repressing every means he has to express himself Lil Chris and Rise channel their questions frustrations and pain into rap and This Life flows with the same cadence that powers their charged verses It pulses with the heat of impassioned inmates the oppressive daily routines of the prison yard and the rap contests that bring the men of the prison together This Life is told in a voice that only a man who s lived it could have a clipped urgent evocative voice that surges with anger honesty playfulness and a deep sense of ugly history Angola started out as a plantation and as This Life makes clear black inmates are still in a kind of enslavement there This Life is an important debut that commands our attention with the vigor dynamism and raw consciousness expanding energy of this essential new voice *The Boat Builders* Joseph Miller,2015-04-16 The Boat Builders is a post apocalyptic novel set in the deep future It is filled with ferocious violent action adult sexuality intensely realized characters and sweeping epic story lines **My Papa, My Pal** , *Makin' it* Cynthia Mercati,1988 We also meet Monica too innocent to know when a cruel practical joke is being played on her And Libby the girl who tries to keep her intellectual bent a secret afraid no one will like a smart girl And the rich kid who finds out his money will buy neither real friendship or loyalty Yet for all their travails these kids come to understand their own inner difficulties and how truly they are all the same searching both to understand and accept themselves as they strive to make it through four years of high school At the heart of *Makin' It* are a number of monologues in which characters step out of the action to address their thoughts to the audience **Makin' It (The Musical)** , *I'm Sorry but I just don't know* Katie Wilson,2018-07-28 This is the seventh book by part time transwoman Katie Wilson this book contains more lyrics and more importantly the feelings and thoughts of mine They are not all transgender related there is a mixture of work here Thanks Katie **Rhymes N Reasons: The Lyrical Expressions of Bob Marks** Bob Marks,2019-04-19 In that Rhymes and Reasons are songs not poems I ve left them in the accepted patterns necessary to set them to music There may be some repetition but rare is the song sang in its entirety without repeating verses or choruses especially what is now considered the chorus The earlier songs were primarily AABA or ABAC patterns which were the norm back then As patterns evolved into the more contemporary verse chorus mode I d suspect that

happened because repetition of the chorus allows for more rousing concert finales in which audience might be tempted to sing along **Loaded with God'S Favor** Pastor Deborah Wofford,2011-05-31 The Book of Jose FAT JOE,Shaheem Reid,2023-11-07 Grammy nominated multi platinum selling artist entrepreneur and philanthropist Fat Joe pulls back the curtain on his larger than life persona in this gritty intimate memoir about growing up in the South Bronx and finding his voice through music An adrenaline rush buckle up and lean back Spin Fat Joe is a hip hop legend but this is not a tale of celebrity it is the story of Joseph Cartagena a kid who came of age in the South Bronx during its darkest years of drugs violence and abandonment and how he navigated that traumatizing landscape until he found through art friendship luck and will a rocky path to a different life Joe is born into a sprawling Puerto Rican and Cuban family in the projects of the South Bronx From infancy his life is threatened by violence and by the time he starts middle school he is faced with the grim choice that defined a generation to become predator or prey Soon Joe and his crew dominate the streets but he finds his true love among the park jams where the Bronx s wild energy takes musical form His identity splits in two a hustler roaming record stores looking for beats and a budding rapper whose violent rep rings in the streets As Joe s day to day life becomes more fraught with betrayal addiction and death until he himself is shot and almost killed he gravitates toward the music that gives him both a voice to tell the stories of his young life and the tools he needs to create a new one The challenges never stop but neither does Joe This memoir written in Joe s own intensely compelling voice moves with the momentum of pulp fiction but underneath the tragicomedy and riveting tales of the streets and the industry is a thought provoking story about a generation of survivors raised in warlike conditions the life and death choices they had to make the friends they lost and mourned and the glittering lives they created from the ruins **Chocolate Cute** Deborah M. The provocative poem *You Will Rise One Morning* gives a unique and poetic insight into the creation of Black and White youth. The eloquently sensual poem *First Love* is rich in language and imagery. The author describes the early days of the silent protest of the men and women of all walks of life who marched for human rights during the civil rights era as seen in *Shell Rise in Jubilee*. The poem summons White America to look deeply into her soul and discover new ways of thinking about the racial issue and ways of winning this moral victory. She writes succinctly passionately and profoundly in the brief messages in *The Earth Stood Still*, *Twin Vices*, *The Looking Glass* and *One Moment in Time*. The book describes the joys and sorrows of the universal feelings of love. She gives advice to young people in their youthful struggles for coping with life and discovering the meaning of life. This is expressed in the poems *How Do You Make It That's Life*, *Problems and You Can Do It*. In the section *Just Shuckin and Jivin* the author shows her ability to get down to earth and speak in a hip and sassy voice. The author takes a satirical look at Black America through the fictional characters in the section *Portraits in Black America*. The characterizations are stinging, noble, witty and humorous. The characters in this section represent two classes: the affluent who live on Sugar Hill and the poor who live in Mud Town. On Sugar Hill we meet the Uncle Tom college president, the pillar of society who has a romantic rendezvous with a young man soon after her beloved husband dies; the high school teacher who seduces his favorite student; the interracial couple; the honorable attorney who can't get elected to office; and the dreamer who dreamed of holding political office. Across the way is Mud Town where we meet the maids and their white employers, some of whom are good and some bad. There's Deacon John who lives a double life: one holy and one sinful. Don't forget Ms. Tittie Boo the sexpot. In both Sugar Hill and Mud Town we meet characters who are honorable and dishonorable, just as it is with life. Through her poetry the author has earned a place among the great truth tellers of our time.

[How Yiddish Changed America and How America Changed Yiddish](#) Ilan Stavans, Josh Lambert, 2020-01-21. A momentous and diverse anthology of the influences and inspirations of Yiddish voices in America: radical, dangerous and seductive but also sweet, generous and full of life, edited by award-winning authors and scholars Ilan Stavans and Josh Lambert. Is it possible to conceive of the American diet without bagels? Or Star Trek without Mr. Spock? Are the creatures in Maurice Sendak's *Where the Wild Things Are* based on Holocaust survivors? And how has Yiddish, a language without a country, influenced Hollywood? These and other questions are explored in this stunning and rich anthology of the interplay of Yiddish and American culture, edited by award-winning authors and scholars Ilan Stavans and Josh Lambert. It starts with the arrival of Ashkenazi immigrants to New York City's Lower East Side and follows Yiddish as it moves into Hollywood, Broadway, literature, politics and resistance. We take deep dives into cuisine, language, popular culture and even Yiddish in the other Americas including Canada, Argentina, Cuba, Mexico and Colombia. The book presents a bountiful menu of genres: essays, memoir, song, letters, poems, recipes, cartoons, conversations and much more. Authors include Nobel Prize winner Isaac Bashevis Singer and luminaries such as Grace Paley, Cynthia Ozick, Chaim Grade, Michael Chabon, Abraham Cahan, Sophie Tucker, Blume Lempel, Irving Howe, Paula Vogel and

Hub Stavans and Lambert both accomplished scholars aspire to something far more substantial than the Yiddishisms and Jewish jokes that have come to be associated with Yiddishkayt in American pop culture. The reader is offered an astonishingly rich and diverse selection of poems, stories, memoirs, essays, plays, letters, conversations, recipes, and reminiscences as well as drawings, cartoons, and posters by Yiddish artists, each one refracting a different point of view and a different point of light. Jonathan Kirsch, *Jewish Journal*. **The Book of Life: Secrets for Today's World** by Rai

Flowers, Rasheed Flowers, 2021-05-09. The Book of Secrets is a unique manuscript that aims to help its reader focus on different mindful thoughts for each day of the year. Each day's entry includes a focus point, and that point is emphasized and supported by specific citations from The Bible. The author hopes to invite the reader to explore different aspects of their life and to find meaning and support for that exploration through God's words. Each day is structured with a thought starter and at least one Bible reference to support the idea that this thought starter is not unique but rather something that originates from God's words. The format of this manuscript is engaging. The daily entries give the reader a new thought to ponder each day. The inclusion of a Bible citation further solidifies the importance of that thought and gives the reader the motivation to think deeply about that prompt as well as feel comfort knowing that God's words support this thought.
