Nick Lloyd

Goughie The Life Of General Sir Hubert Gough:

Goughie Anthony Farrar-Hockley,1975 **Haig's Generals** Ian F. W. Beckett,Steven J. Corvi,2007-07-19 An in depth study of Douglas Haig s army commanders on the Western Front during the First World War Assesses their careers and characters looks critically at their performance in command and examines their relationship with their subordinates and with Haig himself Chapters are devoted to Allenby Byng Birdwood Gough Horne Monro Plumer Rawlinson and Smith Dorrien Offers a fascinating insight into the mentality of these men and into their methods as they sought a solution to the problem of war on the Western Front A fascinating and original contribution to the history of the war in the trenches Contributors include John Bourne Matthew Hughes John Lee William Philpott Simon Robbins Gary Sheffield Peter Simkins Ian F W Beckett Steven J Corvi **A History of the British Cavalry** Lord Anglesey,1995-04-19 In this last volume of a monumental chronicle the author shows the part played by the British cavalry i n the First World War Drawing on material from a number of sources he demonstrates how the cavalry s superior mobility saved the day time and again [A History of the British Cavalry, 1899-1913 Volume 4](#) The Marquess of Anglesey,1993-09-14 In the seventh and second last volume in t his historical work Lord Anglesey shows how superior the Br itish cavalry was compared to those of the French and German s He concentrates on the first five months of the War **British Generalship on the Western Front 1914-1918** Simon Robbins,2004-12-17 This book explores how British Army learnt from the pyrrhic victories of 1915 17 and developed the new tactics leadership and doctrine of combined arms to overcome the tactical stalemate hitherto bedevilling Allied offensives to defeat the **Loos 1915** Nick Lloyd,2008-10-01 In little over three weeks of intensive fighting which not only witnessed the first British use of poison gas but also the debut of New Army divisions filled with citizen volunteers British forces at Loos managed to drive up to two miles into the German positions However they were unable to capitalise on their initial gains After suffering nearly 60 000 casualties three times the number suffered by their opponents and being driven from the German lines in disorder bitter recrimination followed Nick Lloyd presents a reassessment of the Battle of Loos arguing that it was vital to the development of new strategies and tactics He places it within its political and strategic context as well as discusses command and control and the tactical realities of war on the Western Front during 1915 **The Embattled General** William F. Stewart,2015-11-01 Lieutenant General Sir Richard Turner 1871 1961 was a capable but controversial Canadian general who played a critical role in the development of the Canadian Corps up to 1917 and contributed significantly to its success thereafter Despite his many accomplishments including being awarded the Victoria Cross Turner is often portrayed as a political appointee and repeated failure representations that ignore minimize or misconstrue his successes as a combat commander and head of Canadian forces in England In The Embattled General William Stewart reveals Turner s tactical operational and administrative contributions to the Canadian war effort Uniquely Turner held senior commands in both combat arms and administration Stewart narrates and analyzes Turner s successes and failures in the

Boer War and the First World War's battles of Ypres, Festubert, St. Eloi, and the Somme. He also studies Turner's career after his transfer to command Canadian forces in England in December 1916 where Turner reformed an administration in chaos. After the war, Turner post-war played a key role in the formation of the Royal Canadian Legion. Based on exhaustive research from over 1,200 volumes of material including many previously untouched sources, *The Embattled General* provides a balanced and just re-evaluation of Turner, identifying his merits as well as his flaws. **Call to Arms** Charles

Messenger, 2015-04-30 This is a comprehensive account of how the British Army coped with and adapted to the enormous challenges and pressures of the First World War, the first major continental war that the army had had to fight for almost a hundred years. Following the course of the War both on the Western Front and in other theatres, Charles Messenger tells how the British Army managed the challenges of command, training, technology, and new weapons of war. He examines officer selection, medicine, discipline, the manpower crisis of 1918, the integration of women into the forces, and many other topics. Based on years of original research, this will become the standard work of reference on the organization and administration of the biggest army Britain has ever put into the field. *Broken Sword* Charles Messenger, 2013-11-04 Brigadier General

Frank Crozier, 1879-1937, was a highly controversial figure in his day. As a young soldier, he saw active service in the Boer War and West Africa before being forced to leave the British army because of financial irresponsibility. He tried to start a new life in Canada and then, on his return to Britain, joined the Ulster Volunteer Force. On the outbreak of the First World War, he was appointed second in command of a battalion in the 36th Ulster Division, becoming its commanding officer in autumn 1915 and leading it in action on 1 July 1916. He commanded a brigade with much success for the rest of the war. Forbidden to stay on in the British army after the war, he became inspector general of the Lithuanian army in 1919 but resigned after six months. Made commandant of the Auxiliary Division of the Royal Irish Constabulary at the height of the Troubles, he resigned in highly controversial circumstances. After being declared bankrupt for a second time, he was involved in the League of Nations Union and then turned to pacifism, becoming a founder member of the Peace Pledge Union. By now, he had through his best-selling writings become a thorn in the side of the establishment. Charles Messenger's meticulously researched and highly readable biography of this maverick soldier is the first full account of his life and times. **The Battles of the**

British Expeditionary Forces, 1914-1915 Fred R. van Hartesveldt, 2005-04-30 In this valuable resource, over 1,000 annotated sources from Great Britain, France, and Germany offer a historiographical reference for study of the British army at the beginning and in the first battles of World War I. Unique to this bibliography is the comprehensive coverage of sources resulting in a more complete picture of the circumstances of activities of the British Expeditionary Force (BEF). Sources include coverage of the BEF's military role as well as background information about domestic military considerations and Allied and enemy efforts. This volume will support researchers and students in their efforts to find out what the Expeditionary Force's contributions were in World War I and for expanding their knowledge of the Great War and British military history. In

this valuable resource over 1 000 annotated sources from Great Britain France and Germany offer a historiographical reference for study of the British army at the beginning and in the first battles of World War I Unique to this bibliography is the comprehensive coverage of sources and it results in a more complete picture of the circumstances of activities of the British Expeditionary Force BEF Sources include coverage of the BEF s military role as well as background information about domestic military considerations and Allied and enemy efforts This volume will support researchers and students in their efforts to find out what the Expeditionary Force s contributions were in World War I and for expanding their knowledge of the Great War and British military history The volume includes four chapters of historiographical essays discussing the interpretations and controversies that surround the performance and leadership of the BEF in 1914 1915 The essays direct readers to the major sources that support various ideas and indicate gaps in the historiography of the subject Following the historiographical essays is an annotated bibliography of more than 1 000 sources that are relevant to the study of the BEF

Bloody Bullecourt David Coombes, 2017-10-30 In April May 1917 the sleepy hamlet of Bullecourt in Northern France became the focus of two battles involving British and Australian troops Given the unique place in Australia s military history that both battles occupy surprisingly little has been written on the AIF s achievements at Bullecourt Bloody Bullecourt seeks to remedy this gasping omission The First Battle of Bullecourt marked the Australians introduction to the latest battlefield weapon the tank This much lauded weapon failed dismally amid enormous casualties Despite this two infantry brigades from the 4th Australian Division captured parts of the formidable Hindenberg Line with minimal artillery and tank support repulsing German counterattacks until forced to withdraw In the second battle launched with a preliminary artillery barrage more Australian divisions were forced into the Bullecourt meat grinder and casualties scored over 7 000 Once more soldiers fought hard to capture parts of the enemy line and hold them against savage counterattacks Bullecourt became a charnel house for the AIF Many who had endured the nightmare of Pozieres considered Bullecourt far worse And for what While Field Marshal Sir Douglas Haig considered its capture among the great achievements of the war the village that cost so many lives held no strategic value whatsoever *State, Society and Mobilization in Europe during the First World War* John

Horne, 1997-07-03 This is a volume of comparative essays on the First World War that focuses on one central feature the political and cultural mobilization of the populations of the main belligerent countries in Europe behind the war It explores how and why they supported the war for so long as soldiers and civilians why that support weakened in the face of the devastation of trench warfare and why states with a stronger degree of political support and national integration such as Britain and France were ultimately successful **Pillars of Fire** Ian Passingham, Peter Simkins, 2012-02-29 Gentleman we may not make history tomorrow but we shall certainly change the geography So said General Plumer the day before 600 tons of explosives were detonated under the German position on Messines Ridge The explosion was heard by Lloyd George in Downing Street and as far away as Dublin Until 1918 Messines was the only clear cut Allied victory on the Western Front

coming at a time when Britain and her allies needed it most boosting Allied morale and shattering that of the Germans Precisely orchestrated Messines was the first true all arms modern battle which brought together artillery engineers infantry tanks aircraft and administrative units from a commonwealth of nations to defeat the common enemy So why is its name not as familiar as the Somme Passchendaele or Verdun This book examines the battle for the Messines Wytschaete Ridge from the British ANZAC and German perspectives Illustrated with archive photographs and maps it is a major contribution to our understanding of one of the seminal battles of the First World War *From the Somme to Victory* Peter Simkins, 2014-10-30 Peter Simkins has established a reputation over the last forty years as one of the most original and stimulating historians of the First World War He has made a major contribution to the debate about the performance of the British Army on the Western Front This collection of his most perceptive and challenging essays which concentrates on British operations in France between 1916 and 1918 shows that this reputation is richly deserved He focuses on key aspects of the army's performance in battle from the first day of the Somme to the Hundred Days and gives a fascinating insight into the developing theory and practice of the army as it struggled to find a way to break through the German line His rigorous analysis undermines some of the common assumptions and the myths that still cling to the history of these British battles

The Men Who Planned the War Paul Harris, 2017-05-15 During the Allied victory celebrations there were few who chose to raise a glass to the staff The high cost of casualties endured by the British army tarnished the reputation of the military planners which has yet to recover This book examines the work and development of the staff of the British army during the First World War and its critical role in the military leadership team Their effectiveness was germane to the outcome of events in the front line but not enough consideration has been paid to this level of command and control which has largely been overshadowed by the debate over generalship This has painted an incomplete picture of the command function Characterised as arrogant remote and out of touch with the realities of the front line the staff have been held responsible for the mismanagement of the war effort and profligate loss of lives in futile offensives This book takes a different view By using their letters and diaries it reveals fresh insights into their experience of the war It shows that the staff made frequent visits to the front line and were no strangers to combat or hostile fire Their work is also compared with their counterparts in the French and German armies highlighting differences in practice and approach In so doing this study throws new light upon the characteristics careers and working lives of these officers investigating the ways in which they both embraced and resisted change This offers evidence both for those who wish to exonerate the British command system on the basis of the learning process but also for those critical of its performance thus advancing understanding of British military history in the First World War **Passchendaele** Nick Lloyd, 2017-05-23 The definitive account of Passchendaele the months long battle that epitomizes the immense tragedy of the First World War Passchendaele The name of a small seemingly insignificant Flemish village echoes across the twentieth century as the ultimate expression of meaningless

industrialized slaughter In the summer of 1917 upwards of 500 000 men were killed or wounded maimed gassed drowned or buried in this small corner of Belgium On the centennial of the battle military historian Nick Lloyd brings to vivid life this epic encounter along the Western Front Drawing on both British and German sources he is the first historian to reveal the astonishing fact that for the British Passchendaele was an eminently winnable battle Yet the advance of British troops was undermined by their own high command which blinded by hubris clung to failed tactics The result was a familiar one stalemate Lloyd forces us to consider that trench warfare was not necessarily a futile endeavor and that had the British won at Passchendaele they might have ended the war early saving hundreds of thousands if not millions of lives A captivating narrative of heroism and folly Passchendaele is an essential addition to the literature on the Great War *British Generalship during the Great War* Simon Robbins,2016-04-15 Following the career of one relatively unknown First World War general Lord Horne this book adds to the growing literature that challenges long held assumptions that the First World War was a senseless bloodbath conducted by unimaginative and incompetent generals Instead it demonstrates that men like Horne developed new tactics and techniques to deal with the novel problems of trench warfare and in so doing seeks to re establish the image of the British generals and explain the reasons for the failures of 1915 16 and the successes of 1917 18 and how this remarkable change in performance was achieved by a much maligned group of senior officers Horne s important career and remarkable character sheds light not only on the major battles in which he was involved the progress of the war his relationships with his staff and other senior officers the novel problems of trench warfare the assimilation of new weapons tactics and training methods and the difficulties posed by the German defences but also on the attitudes and professionalism of a senior British commander serving on the Western Front Horne s career thus provides a vehicle for studying the performance of the British Army in the first quarter of the Twentieth Century It also gives an important insight into the attitudes ethos and professionalism of the officer corps which led that army to victory on the Western Front exposing not only its flaws but also its many strengths This study consequently provides a judgment not only on Horne as a personality innovator and general of great importance but also on his contemporaries who served with the British Armies in South Africa and France during an era which saw a revolution in military affairs giving birth to a Modern Style of Warfare which still prevails to this day Haig Brian Bond,Nigel Cave,2009-04-20 Field Marshal Earl Haig s reputation continues to arouse as much interest and controversy as ever This volume represents the collaboration of two leading historical societies The British Commission for Military History and The Douglas Haig Fellowship Leading historians have produced a comprehensive and fascinating study of the most significant and frequently debated aspects of Haig s momentous career Combined Arms Warfare in the Twentieth Century Jonathan Mallory House,2001 For centuries the world has witnessed the development and use of increasingly complex and powerful military systems and technologies In the process the art of war has truly become the art of combined arms warfare in which infantry artillery air support intelligence and other key elements are all

coordinated for maximum effect Nowhere has this trend been more visible than in the history of twentieth century warfare Originally published as an essential in house study for U S Army officers during the 1980s this much revised and expanded edition remains the most complete study available on the subject Rewritten with a much wider readership in mind it both retains its enormous practical utility for military professionals and provides a valuable and appealing introduction for scholars and general readers Jonathan House author of the original work brings the story of combined arms up to the present covering among other things Desert Storm the war in Chechnya and the rise of smart weapons and related technologies He traces the evolution of tactics weapons and organization in five major militaries American British German Russian and French over 100 years of warfare Revealing both continuities and contrasts within and between these fighting forces he also provides illuminating glimpses of Israeli and Japanese contributions to combined arms doctrine Expanding his insightful analysis of the world wars and the wars in Korea and Vietnam House also offers much new material focused on the post Vietnam period Throughout he analyzes such issues as command and control problems of highly centralized organizations the development of special operations forces advances in weapons technology including ballistic and anti ballistic missile systems the trade offs involved in using heavy versus light armed forces and the enduring obstacles to effective cooperation between air and land forces His strong critique of the air superiority propaganda that came out of the Gulf War is sure to spark some heated debates Rigorously comparative House s study addresses significant questions about how nations prepare for war learn or don t learn its harsh lessons and adapt to changing times and technologies Unique in the annals of the literature on warfare it will be the standard work on this subject for a long time to come The A to Z of World War I Ian V. Hogg, 2009 From the A7V tank to the Zimmerman telegram this dictionary focuses heavily on the military aspects of World War I Entries of a paragraph to a page cover major battles from Palestine to China biographical notes on selected soldiers geographical features which affected the fighting and various military equipment Chronologies of the major events and battles of the war and a short summary are included to provide context Originally published in 1998 under the title Historical dictionary of World War I

Goughie The Life Of General Sir Hubert Gough Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Goughie The Life Of General Sir Hubert Gough PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Goughie The Life Of General Sir Hubert Gough PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms

offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Goughie The Life Of General Sir Hubert Gough free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Goughie The Life Of General Sir Hubert Gough Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Goughie The Life Of General Sir Hubert Gough is one of the best book in our library for free trial. We provide copy of Goughie The Life Of General Sir Hubert Gough in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Goughie The Life Of General Sir Hubert Gough. Where to download Goughie The Life Of General Sir Hubert Gough online for free? Are you looking for Goughie The Life Of General Sir Hubert Gough PDF? This is definitely going to save you time and cash in something you should think about.
