## I The Jury:

**I, the Jury** Mickey Spillane, 1982-02-01 The first novel in Mickey Spillane's classic detective series starring hard-boiled private eye Mike Hammer. *I, the Jury* is a double strength shot of sex, violence and action that is vintage Spillane all the way. It's a tough guy mystery to please even the most bloodthirsty of fans. *I, the Jury* Mickey Spillane, 1970 *I, the Jury* Mickey Spillane, 1975 In the first mystery featuring the tough private eye Mike Hammer, he investigates the brutal murder of his best friend. *I, the Jury* Mickey Spillane, 1968-02-01 **Mickey Spillane on Screen** Max Allan Collins, James L. Traylor, 2018-01-12 In the mid 20th century Mickey Spillane was the sensation of not just mystery fiction but publishing itself. The level of sex and violence in his Mike Hammer thrillers, starting with *I, the Jury* in 1947, broke down long-held taboos and engendered a near hysterical critical backlash. Nonetheless, Spillane's influence has been felt. Reflections of Hammer are visible in nearly every subsequent tough guy of fiction and film, including James Bond, Dirty Harry, Shaft, Billy Jack and Jack Bauer. Spillane's fiction came to the screen in a series of films that include *Kiss Me Deadly* (1955) and *The Girl Hunters* (1963), with the author himself playing his private eye. These films and television series starring Darren McGavin and Stacy Keach respectively are examined in a lively, knowledgeable fashion by Spillane experts. Included are cast and crew listings, brief biographical entries on key persons and a lengthy interview with Spillane. *New York Magazine*, 1982-10-18 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. *New York Magazine*, 1982-10-18 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country.
