I Was Hitlers Doctor:

I Was Hitler's Doctor Kurt Krueger, Upton Sinclair, 2013-10 This is a new release of the original 1941 edition *I was Hitler's Doctor* Kurt Krueger, 1943 **I was Hitler's Doctor, from the German of Kurt Krueger ...** Kurt Krueger (Physician), 1942 *I was Hitler's Doctor* Kurt Krueger (Physician), 1953 **I Was Hitler's Chauffeur** Erich Kempka, 2010-02-19 An insider view of Hitler's closest circles providing an invaluable account of the final months of the war History of War Erich Kempka served as Adolf Hitler's personal driver from 1934 through to the Führer's dramatic suicide in 1945 His candid memoirs offer a unique eyewitness account of events leading up to and during the war culminating in those dark final days in the Führer's headquarters deep under the shattered city of Berlin He begins by describing his duties as a member of Hitler's personal staff in the years preceding the war driving the Führer throughout Germany and abroad and accompanying him to rallies The crux of his memoir however covers his life with Hitler in the Berlin Führerbunker Crucially Kempka witnessed Hitler's marriage to Eva Braun and his last dinner and personal farewell to all those present before he and his wife committed suicide Hitler's final order to Kempka was that he have ready enough petrol to burn him and his wife Under constant Soviet artillery fire Kempka Linge and others poured petrol over the bodies and burnt them The account concludes with Kempka's hazardous escape out of a burning Berlin more than 800 kilometers through Allied occupied Germany his arrest and interrogation before being sent to serve as a witness at Nuremberg *I was Hitler's Doctor* Kurt Krueger, 1943 *I was Hitler's Doctor* Kurt Krueger (physician.), 1950 *I was Hitler's Doctor* Kurt Krüger, 1943 *Adolf Hitler & Eva Braun* Luc Vanhise, 2023-06-05 After a brief investigation in 1945 a British secret agent concluded that Hitler and Braun committed suicide together in the Führerbunker in Berlin shortly before the fall of the German capital and were cremated immediately afterwards although he had no concrete evidence to support this hypothesis Nevertheless this has been the official version ever since Between 1945 and 2009 however testimony and evidence began to emerge that suggested otherwise Luc Vanhise criminologist and retired senior level officer of the Belgian Federal Police conducted a seven year modern police investigation into the death of this notorious couple based on all the original data and traces And as unlikely as it may sound this investigation shows with absolute certainty that Adolf Hitler and Eva Braun did not die together in the Berlin Führerbunker on April 30 1945 **Hitler and Women** Ian Sayer, Douglas Botting, 2004 Hitler's failure to find a mate it was once suggested is at the core of his failure as a human being and is the source of his demonic destructive spirit It was Hitler's and the world's tragedy that he did not realise he had found that mate until hours before his demise and hers Here is a true account of that strange protracted search in a Nazi Germany at peace and war This is an insider view of the Führer whose love life stands revealed as lying at the very heart and core of the tormented psychopath who destroyed a continent Such an insider view is not the prerogative of the grand and the privileged the generals and ambassadors rather it is the secret privilege of the minions and confidential attendants who see all and hear all as they go about their daily service the

valet the maid the special advisor the psychoanalyst and personal physician and above all the young women in Hitler's life for whom being with Hitler was like sitting next to the sun

The Hitler I Knew Otto Dietrich, 2023-04-06

A biography of Hitler by his long serving press chief and close associate Up to the last moment his overwhelming despotic authority aroused false hopes and deceived his people and his entourage Only at the end when I watched the inglorious collapse and the obstinacy of his final downfall was I able suddenly to fit together the bits of mosaic I had been amassing for twelve years into a complete picture of his opaque and sphinx like personality Otto Dietrich When Otto Dietrich was invited in 1933 to become Adolf Hitler's press chief he accepted with the simple uncritical conviction that Adolf Hitler was a great man dedicated to promoting peace and the welfare for the German people At the end of the war imprisoned and disillusioned Dietrich sat down to write what he had seen and heard in twelve years of the closest association with Hitler requesting that it be published after his death Dietrich's role placed him in a privileged position He was hired by Hitler in 1933 and was a confidant until 1945 and he worked and clashed with Joseph Goebbels His direct personal experience of life at the heart in the Reich makes for compelling reading

Liberty, 1935

The Young Hitler I Knew

August Kubizek, 2011-05-31 August Kubizek met Adolf Hitler in 1904 while they were both competing for standing room at the opera Their mutual passion for music created a strong bond and over the next four years they became close friends Kubizek describes a reticent young man painfully shy yet capable of bursting into hysterical fits of anger if anyone disagreed with him The two boys would often talk for hours on end Hitler found Kubizek to be a very good listener a worthy confidant to his hopes and dreams In 1908 Kubizek moved to Vienna

and shared a room with Hitler at 29 Stumpergasse During this time Hitler tried to get into art school but he was unsuccessful With his money fast running out he found himself sinking to the lower depths of the city an unkind world of isolation and constant unappeasable hunger Hitler moved out of the flat in November without leaving a forwarding address Kubizek did not meet his friend again until 1938 The Young Hitler I Knew tells the story of an extraordinary friendship and gives fascinating insight into Hitler's character during these formative years This is the first edition to be published in English since 1955 and it corrects many changes made for reasons of political correctness It also includes important sections which were excised from the original English translation

Hitler's Bomb from Hell John J. Hitler's Priests Kevin Spicer, 2008-04-14 Shaken by military defeat and economic depression after World War I Germans sought to restore their nation's dignity and power In this context the National Socialist Party with its promise of a revived Germany drew supporters Among the most zealous were a number of Catholic clergymen known as brown priests who volunteered as Nazi propagandists In this insightful study Spicer unearths a dark subchapter in Roman Catholic history introduces the principal clergymen who participated in the Nazi movement examines their motives details their advocacy of National Socialism and explores the consequences of their political activism Some brown priests particularly war veterans advocated National Socialism because it appealed to their patriotic ardor Others had less laudatory motives disaffection with clerical life conflicts with Church superiors or ambition for personal power and fame Whatever their individual motives they employed their skills as orators writers and teachers to proclaim the message of Nazism Especially during the early 1930s when the Church forbade membership in the party these clergymen strove to prove that Catholicism was compatible with National Socialism thereby justifying their support of Nazi ideology Father Dr Philipp Haeuser a scholar and pastor went so far as to promote antisemitism while deifying Adolf Hitler The Führer's antisemitism Spicer argues did not deter clergymen such as Haeuser because although the Church officially rejected the Nazis extreme racism Catholic teachings tolerated hostility toward Jews by blaming them for Christ's crucifixion While a handful of brown priests enjoyed the forbearance of their bishops others endured reprimand or even dismissal a few found new vocations with the Third Reich After the fall of the Reich the most visible brown priests faced trial for their part in the crimes of National Socialism a movement they had once so earnestly supported In addition to this intriguing history about clergymen trying to reconcile faith and politics Spicer

provides a master list verified by extensive research in Church and government archives of Catholic clergy who publicly supported National Socialism Explaining Hitler Ron Rosenbaum,2014-07-08 When Hitler s war ended in 1945 the war over Hitler who he really was what gave birth to his unique evil began *The Hitler Diaries* Charles Hamilton,2014-07-11 Now for the first time the complete expose of the most daring and successful forgery of all time For seven days in April 1983 the sensational discovery of Hitler s sixty two volumes of secret diaries dominated the news headlines of the world Scholars hailed the diaries as the greatest find of the century a historical bonanza that would entirely alter our views of Hitler and the Third Reich Shocked readers followed daily installments showing that Hitler knew nothing about the Holocaust Then in an abrupt reversal the diaries were proved to be bogus **The doctors of Death (Translated)** Philippe Aziz,2024-01-10 Those who don t know history are condemned to repeat it More than seventy years after the end of the Second World War reading this book has never been more important The Doctors of Death is a historical document about the horrors of Nazi medicine during the Second World War From the social and ideological context that allowed the role of the doctor to be utterly corrupted to those responsible on the ground for the most heinous acts this is a work based on the testimonies of survivors the confessions of SS doctors and thousands of documents that the Nazis were unable to destroy before their final defeat Thousands of children disabled people homosexuals gypsies Jews and even dissident Germans prisoners of an ideology that denied them their human condition were subjected to atrocious medical experiments with the aim of annihilating inferior races or helping the war effort It was the height of the Third Reich s cruelty a scientific delirium that shocks and disgusts And it must be read so that it is never forgotten
