## **International Socialism 54:**

**Socialisms: Old and New** Tony Wright, 2006-06-19 Endorsement and Foreword by Tony Blair will greatly assist the publicity for this book The academic turned MP author has a good track record and is a rising Blairite star in New Labour Citizens and Subjects received excellent reviews Clear and concise introduction to socialism First edition published by Oxford was very well received Other books on individual ideologies have done very well The Nature of Fascism and Green Political Thought *Selected Essays of Nigel Harris* Nigel Harris, 2017-10-02 Nigel Harris's *Selected Essays From National Liberation to Globalisation* presents an encompassing overview of the work of one of the most prolific and insightful Marxist economists of the second half of the twentieth century It starts off with a new interview in which Harris reflects on the development of his thought over the more than half a century separating the death of Stalin from the latest developments in globalisation and capitalist restructuring The collected essays deal with topics ranging from imperialism and the state to the political economy of development and migration and offer an ample selection from Harris's political journalism Together the work constitutes at once a personal journey through the history of the British revolutionary left and a trenchant commentary on some of the most fundamental problems facing a renewed Marxist theory **Socialisms** Anthony Wright, 1996 In this stimulating introduction to the subject Tony Wright argues that the contradictions within socialism arise from the absence of a single socialist tradition despite Marxist attempts to claim the title of the true socialism [Index to the Reports and Documents of the 54th Congress, 1st Session--72d Congress, 2d Session, Dec. 2, 1895-March 4, 1933 United States.](#) Superintendent of Documents, 1920 **Nationalisms Old and New** Kevin J. Brehony, Naz Rassool, 2016-01-07 Nationalism is a collection of papers from the British Sociological Association conference Worlds of the Future The central themes of the conference were ethnicity and nationalism in the contemporary world Older discourses on national sovereignty and statehood are evaluated in terms of their validity within a world increasingly defined by transnational integration and global economic competition *Global Capital, National State and the Politics of Money* Werner Bonefeld, John Holloway, 1994-12-12 The politics of international debt have received increasing attention in recent years However discussion of the politics of money has focused on Latin American and third world countries So far there has been little treatment of the politics of scarce money and of money as a political category in relation to advanced countries The central theme of the book is the limitations and constraints on state action which arise from the relation between the nation state and the global flow of money

**Alternative Globalizations** Jerry Harris, 2006 [Control and Consolation in American Culture and Politics](#) Dana Cloud, 1998 What are the consequences in American society when social and political activism is replaced by pursuit of personal psychological change How does such a shift happen Where is it visible In wide ranging case studies *Control and Consolation in American Culture and Politics* points out this change in American culture and attributes it to the rhetoric of therapy This rhetoric is defined as a pervasive cultural discourse that applies psychotherapy's lexicon the constructive

language of healing coping adaptation and restoration of a previously existing order to social and political conflict The purpose of this therapeutic discourse is to encourage people to focus on themselves and their private lives rather than to attempt to reform flawed systems of social and political power Author Dana L Cloud focuses on the therapeutic discourse that emerged after the Vietnam War and links its rise to specific political and economic interests The critical case studies describe in detail not only what the therapeutic style looks like but how and why therapeutic discourses are persuasive These studies include the rhetoric of family values media coverage of support groups during the Persian Gulf War Gloria Steinem's Revolution from Within the film Thelma and Louise and literature of the New Age Movement Cloud concludes with a chapter urging resistance to the therapeutic persuasion she describes envisioning in its place engaged public politics At once unique and engaging Control and Consolation in American Culture and Politics is a must read for academics and students interested in communication studies cultural studies sociology political science and media studies

### **Marxism and World Politics**

Alexander Anievas, 2012-07-26 This book brings together internationally distinguished scholars from History Philosophy Development Studies Geography and International Relations IR to examine recent developments in Marxist approaches to world politics Offering original and stimulating analyses of subjects traditionally at the forefront of Marxist studies of world politics the collection also considers issues which have yet to be fully explored within a number of disciplines Examining a wide array of topics ranging from the imperialism globalization debate the connections between social structures and foreign relations the role of identity and imperialist norms in world politics to the relationship between Marxist and Realist IR Theory the contributors seek to further theoretical discussions and their implications for emancipatory radical politics These contributions are structured around two major themes The relationship between capitalist modernity and the states system in explaining the changing patterns of inter state conflict and cooperation The debates within Marxist and IR discourses on the theoretical significance of the international covering topics including uneven and combined development and passive revolution An impressive collection that seeks to advance dialogue and research Marxism and World Politics will be of interest to students and scholars of IR International Political Economy Political Science and Historical Sociology

**Global Political Economy and New World Disorder** Sean Creaven, 2025-04-24 Drawing upon a range of resources of critique including critical realist social theory realist international relations theory the sociology of globalization the Marxist critique of imperialism and dependency theory this book is an essential contribution to the critical understanding of nationalism and imperialism in the global age It conducts a sustained and in depth analysis of the relations between the asymmetry in the distribution of economic resources and powers of command and the recent play of political events involving imperialist wars including the Russo Ukrainian and Israeli Hamas wars Crucially the author argues that establishing these connections requires theorizing political economy in the so called global age as comprised of neoimperial and neoliberal orders As such the book offers a new interpretation of the relations between neoliberalism and neoimperialism and between modes of

organizing social relations and resulting global disorders and instabilities This will therefore be of interest to researchers scholars and students working at the intersection of global political economy international relations and the sociology of globalization

*Karl Polanyi* Gareth Dale,2016-05-31 Karl Polanyi 1886 1964 was one of the twentieth century s most original interpreters of the market economy His penetrating analysis of globalization s disruptions and the Great Depression s underlying causes still serves as an effective counterargument to free market fundamentalism This biography shows how the major personal and historical events of his life transformed him from a bourgeois radical into a Christian socialist but also informed his ambivalent stance on social democracy communism the New Deal and the shifting intellectual scene of postwar America The book begins with Polanyi s childhood in the Habsburg Empire and his involvement with the Great War and Hungary s postwar revolution It connects Polanyi s idealistic radicalism to the political promise and intellectual ferment of Red Vienna and the horror of fascism The narrative revisits Polanyi s oeuvre in English German and Hungarian includes exhaustive research in five archives and features interviews with Polanyi s daughter students and colleagues clarifying the contradictory aspects of the thinker s work These personal accounts also shed light on Polanyi s connections to scholars Christians atheists journalists hot and cold warriors and socialists of all stripes *Karl Polanyi A Life on the Left* engages with Polanyi s biography as a reflection and condensation of extraordinary times It highlights the historical ruptures tensions and upheavals that the thinker sought to capture and comprehend and in telling his story engages with the intellectual and political history of a turbulent epoch

Global Restructuring, State, Capital and Labour A. Bieler,W. Bonefeld,P. Burnham,A. Morton,2006-04-26 This book provides a critical engagement between contending historical materialist approaches that have played a crucial role in shaping post positivist International Relations theory It analyzes globalization as a process of state formation and argues that its fate depends on the neo liberal recomposition of labour relations

Ethnic Nationalism in Korea Gi-Wook Shin,2006-03-22 This book explains the roots politics and legacy of Korean ethnic nationalism which is based on the sense of a shared bloodline and ancestry Belief in a racially distinct and ethnically homogeneous nation is widely shared on both sides of the Korean peninsula although some scholars believe it is a myth with little historical basis Finding both positions problematic and treating identity formation as a social and historical construct that has crucial behavioral consequences this book examines how such a blood based notion has become a dominant source of Korean identity overriding other forms of identity in the modern era It also looks at how the politics of national identity have played out in various contexts in Korea semicolonialism civil war authoritarian politics democratization territorial division and globalization

**Emergentist Marxism** Sean Creaven,2013-04-15 In tackling emergentist Marxism in depth this well written volume demonstrates that critical realism and materialist dialectics are indispensable to theorizing the functioning of complex social and physical systems Author Sean Creaven investigates Marx s dialectics of being and consciousness forces and relations of production base and superstructure class structure and class conflict and demonstrates how they allow the

social analyst to conceptualize geo history as embodying a tendential evolutionary directionality rather than as simply random or indeterminate in terms of its outcomes For those interested in social and political theory Marxism and communism and contemporary social theory this outstanding volume is an important read and a valuable resource *Stress, Shock, and Adaptation in the Twentieth Century* David Cantor, Edmund Ramsden, 2014 This edited volume explores the emergence of the stress concept and its ever changing definitions its uses in making novel linkages between disciplines such as ecology physiology psychology psychiatry public health urban planning architecture and a range of social sciences its application in a variety of sites such as the battlefield workplace clinic hospital and home and the emergence of techniques of stress management in a variety of different socio cultural and scientific locations In short this volume explores what happened when stress entered the discourse around modernity Organizational Change in Post-Communist Europe Ed Clark, Anna Soulsby, 2005-07-28 This book provides a unique and detailed examination of the complex processes of transformation in former state owned enterprises in the Czech Republic Drawing on in depth case studies of organizational transformation the authors adopt a social institutionalist approach to the study of organizational change applying it in order to develop an explanation of organizational restructuring and management redefinition during the early transition period of 1990-1996 In particular they highlight how these processes have been shaped by continuing historical state socialist legacies and the powerful role played by senior managers in their efforts to fashion the new privatized organizations in their own interests

*The Algebra of Revolution* John Rees, 2005-06-23 The Algebra of Revolution is the first book to study Marxist method as it has been developed by the main representatives of the classical Marxist tradition namely Marx and Engels Luxemburg Lenin Lukacs Gramsci and Trotsky This book provides the only single volume study of major Marxist thinkers views on the crucial question of the dialectic connecting them with pressing contemporary political and theoretical questions John Rees s *The Algebra of Revolution* is vital reading for anyone interested in gaining a new and fresh perspective on Marxist thought and on the notion of the dialectic **Bread, Freedom, Social Justice** Anne Alexander, Mostafa Bassiouny, 2014-10-09

Accounts of the Arab Spring often focus on the role of youth coalitions the use of social media and the tactics of the Tahrir Square occupation This authoritative and original book argues that collective action by organised workers played a fundamental role in the Egyptian revolution which erupted after years of strikes and social protests Drawing on the authors decade long experience of reporting on and researching the Egyptian labour movement the book provides the first in depth account of the emergence of independent trade unions and workers militancy during Mubarak s last years in power and their destabilising impact on the post revolutionary regimes *Transnational Radicalism and the Connected Lives of Tom*

*Mann and Robert Samuel Ross* Neville Kirk, 2017-01-26 A pioneering study of the neglected transnational activities and influences of two important connected socialists British born Tom Mann 1856-1941 and Australian born Robert Samuel Bob Ross 1873-1931 **Handbook of Research on the Global Political Economy of Work** Maurizio Atzeni, Dario

Azzellini, Alessandra Mezzadri, Phoebe Moore, Ursula Apitzsch, 2023-10-06 This ground breaking Handbook broadens empirical and theoretical understandings of work work relations and workers It advances a global intersectional labour studies agenda laying the foundations for the politically emancipatory project of decolonising the political economy of work
