Liminality and the Short Story Jochen Achilles, Ina Bergmann, 2014-12-05 This book is a study of the short story one of the widest taught genres in English literature from an innovative methodological perspective Both liminality and the short story are well researched phenomena but the combination of both is not frequent This book discusses the relevance of the concept of liminality for the short story genre and for short story cycles emphasizing theoretical perspectives methodological relevance and applicability Liminality as a concept of demarcation and mediation between different processual stages spatial complexes and inner states is of obvious importance in an age of global mobility digital networking and interethnic transnationality Over the last decade many symposia exhibitions art and publications have been produced which thematize liminality covering a wide range of disciplines including literary geographical psychological and ethnicity studies Liminal structuring is an essential aspect of the aesthetic composition of short stories and the cultural messages they convey On account of its very brevity and episodic structure the generic liminality of the short story privileges the depiction of transitional situations and fleeting moments of crisis or decision It also addresses the moral transgressions heterotopic orders and forms of ambivalent self reflection negotiated within the short story s confines This innovative collection focuses on both the liminality of the short story and on liminality in the short story [The Classic Short Story, 1870-1925](#) Florence Goyet, 2014-01-13 The ability to construct a nuanced narrative or complex character in the constrained form of the short story has sometimes been seen as the ultimate test of an author s creativity Yet during the time when the short story was at its most popular the late nineteenth and early twentieth centuries even the greatest writers followed strict generic conventions that were far from subtle This expanded and updated translation of Florence Goyet s influential *La Nouvelle* 1870 1925 *Description d un genre son apog e* Paris 1993 is the only study to focus exclusively on this classic period across different continents Ranging through French English Italian Russian and Japanese writing particularly the stories of Guy de Maupassant Henry James Giovanni Verga Anton Chekhov and Akutagawa Ryunosuke Goyet shows that these authors were able to create brilliant and successful short stories using the very simple tools of brevity of that period In this challenging and far reaching study Goyet looks at classic short stories in the context in which they were read at the time cheap newspapers and higher end periodicals She demonstrates that despite the apparent intention of these stories to question bourgeois ideals they mostly affirmed the prejudices of their readers In doing so her book forces us to re think our preconceptions about this forgotten genre [Exploring the Dynamics of Second Language Writing](#) Barbara Kroll, 2003-04-14 A collection of 13 original articles this book is intended to provide a series of discussions about multiple aspects of second language writing presenting chapters that collectively address a range of issues that are important to new teachers at the post secondary level The chapters provide scholarly visions insight and interpretation oriented toward explaining the field of

teaching academic writing to non native speakers The book is designed to provide foundational content knowledge in this area each chapter authored by recognized experts in the field Throughout the chapters presentation and review of scholarship is presented primarily in the interest of understanding how such knowledge directly or potentially impart teaching making this a pedagogically relevant book In addition to helping train new teachers the book will serve as an updated reference book for practicing teachers and scholars to consult

Learning Language Through Literature /Peter Falvey, Peter Kennedy, 1997-05-01 This useful sourcebook contains 12 chapters written by experienced classroom practitioners in Hong Kong One theme appears constantly in these chapters that in the English language classroom whether at primary secondary or tertiary levels high interest and positive motivation occur through active learning when literary texts literary techniques and literariness are featured In this book full coverage is given to the use of poetry prose and drama in language learning and teaching at all three levels of the education system The tasks and activities described here have been shown to work with all bands of students This book is ideally suited both for practising teachers and participants in teacher education programmes in Hong Kong and the rest of S E Asia It will be particularly useful for primary and secondary teachers of English wishing to incorporate appropriate and relevant teaching activities so as to meet the goals of the new Target Oriented English Language Curriculum

Enriching Esol Pedagogy Vivian Zamel, Ruth Spack, 2002-12-18 Provides a theoretical perspective and offers ways for making the teaching of English to speakers of other languages meaningful for both teachers and learners Textbook for second language methodology courses

Georgetown University Round Table on Languages and Linguistics (GURT) 1994: Educational Linguistics, Cross-Cultural Communication, and Global Interdependence James E. Alatis, 1995-03-03 The essays in this volume explore communication across cultures using an interdisciplinary approach to language teaching and learning mediated by the growing field of educational linguistics Topics include the use of English as a medium of wider communication and the growth of national varieties of English throughout the world An international array of distinguished contributors includes scholars from China Great Britain Hong Kong India Israel Nigeria Singapore Taiwan Ukraine and the United States This collection suggests that language diversity is a unifying force in a globally interdependent world
