## **Internet Bible:**

**Biblical Studies on the Internet** Roland H. Worth, Jr., 2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use **Religion Online**

**Romans Bible Commentary - Living By Faith** Brad Price, [www.abiblecommentary.com](http://www.abiblecommentary.com), Romans Bible Commentary This Bible commentary on the book of Romans offers a verse by verse study on the entire book Since this commentary material was assembled by classes taught on the book of Romans it is easy to use and understand This Romans commentary has been widely received by many including schools which help train preachers Here is a small sample of the text 5 9 Much more than being now justified by his blood shall we be saved from the wrath of God through him This verse takes us back to

what Paul said at the beginning of this chapter God's people can be justified dikaios the same word used in Rom 3:20. It is possible to completely remove sin. This can be done even though we still sin after becoming a Christian. Also we can have justification at the present time now. In this verse Paul affirmed that our source for justification is Christ's blood. Without the blood of Jesus justification would be impossible. Heb 10:4 Christ's blood is the basis for our justification but the benefits of it must be accessed. This access comes by faith that is obedient. 5:1 If Christ had not shed his blood the only thing that we could and would experience is wrath. verse 9b However since the precious blood of the Lord was shed Christians can be and will be saved from punishment. Christians are people who are at peace with God. verse 1 and have no fear of condemnation. 8:1

People of the Screen John Dyer, 2023. People of the Screen traces the history of Bible software development showing the unique and powerful role evangelical entrepreneurs and coders have played in shaping its functionality and how their choices in turn shape the reading habits of millions of people around the world. Examining advancements in Bible software from the first desktop applications to pioneering Bible websites and later to mobile apps and virtual experiences this book argues that evangelical creators have a distinct orientation toward societal change and technology called Hopeful Entrepreneurial Pragmatism that uniquely positions them to lead the digital Bible market imbuing their creations with evangelical ways of understanding the nature and purpose of Scripture. This book offers a blend of historical research, interviews with developers and field work among digital and print Bible readers offering a nuanced look at the interconnected ecosystem of publishers, developers, pastors, institutions and software companies. Digital Bibles aren't replacing print Bibles, author John Dyer shows. Rather the future of Bible engagement involves readers using a mix of print, audio and screens to suit their needs. He shows that sometimes the God of the page seems to say different things than the God of the screen suggesting that we are still in the early stages of a multimedia approach to scripture.

**Victory Over the Sinful Nature** Bruce C. Salisbury, 2022-04-19. Victory over the Sinful Nature. This reality can be our hope and encouragement for living with a winning strategy in our lives if we repent and accept God's grace and forgiveness in our hearts. As individuals now in the past and in the future we are involved in a spiritual battle between good and evil. Satan and his band of soldiers are our enemy. Jesus is our Redeemer who fights for us and who loves us unconditionally. As we battle daily against temptations and enticements from Satan and his cohorts to commit sins through the truth of God's Word we can have victory in our lives. We do not have to be deceived or led astray. Understanding the sinful nature and the works of the flesh will help to prevent us from being confused or deceived and will enable us to defeat our enemies spiritually. Victory is winning a battle, struggle or contest. It is being successful in defeating an enemy. We can have victory, good judgment and understanding of God's Word and will for us. The purpose of this book is to help those who read it to understand what the works of the flesh and the temptations that we face daily are and to recognize the difference between the sinful nature and the spiritual warfare we face. There is clarification of how the sinful nature operates in a person's life. The works of the flesh can prevent us from entering God's kingdom. When we look at God's

Word we realize and understand that as Christians we are not under the law and with the Holy Spirit we will not gratify the sinful nature The information here is geared to everyone who has an open mind and heart to the Lord and his amazing grace
