Paul's Faith and the Power of the Gospel Daniel Patte, 2016-09-02 Daniel Patte here offers a fresh literary critical introduction to the dominant literature of the New Testament the major letters of the apostle Paul Romans 1 and 2 Corinthians Galatians Philippians 1 Thessalonians and Philemon Patte invites the reader to explore these letters through several readings an historical reading in which he reviews and critiques the results of traditional interpretations and structural readings in which he elucidates the main characteristics of Paul's faith and discerns a system of convictions that supports Paul's theology and gives it coherence Through this novel literary approach Professor Patte leads the reader of these letters to a better understanding of the power of the Gospel the relation of the Gospel to Judaism and Paul's interpersonal view of faith Here is an invitation to rediscover Paul's faith in all its richness *Galatians* Bruce G. Epperly, 2016-09-16 With this volume on Paul's Letter to the Galatians Dr Bruce Epperly author of *Philippians A Participatory Study Guide* *Finding God in Suffering* *A Journey with Job* and *Transforming Acts* Acts of the Apostles as a 21st Century Gospel again brings the study of a Bible book to life for a 21st century audience Epperly founds his work in the results on modern critical scholarship but he's not content with reciting scholarship or discussing history He aims to make the study of this theologically central letter a transformative experience He does so by never losing sight of the fact that human problems remain human problems and that human potentiality touched by God's grace can accomplish great things He finds a message of liberation in this book Liberation from our guilt yes but also liberation from our self-imposed limitations Through reading discussion exercises and thought questions he leads the reader through a study that can only be described as an adventure It's an adventure you won't want to miss *Jewish given Names and Family Names* David L. Gold, 2001-12-01 This work identifies and describes over 3 000 books essays in books and articles on Jewish given names and family names throughout history spanning the Biblical period to modern times The bibliography is a highly analytic one recording published materials
