Interstate Relations In Australia:

Interstate Relations in Australia Richard H. Leach,1965 Area Handbook for Australia Donald P. Whitaker,1974 A philosophical analysis informed by history this work examines the reasons for the highly destructive behavior of the Red Guards in the early part of China s Cultural Revolution By probing the political educational and psychological factors influencing the Red Guards Jing Lin sheds light on how teenagers and young adults were able to justify violence in the name of class struggle and human rights She concludes that non critical categorical thought buttressed by the political and educational systems was pivotal Jing Lin introduces the work with a discussion of democratic and non democratic thought and of the Red Guards views about class struggle authority and justice She then examines the theory behind Mao s totalitarian rule Chapter Three is devoted to schools and their decisive role in developing the Red Guards The psychology of the Red Guards follows Lin details how concepts of the proletariat class enemies and intellectuals nurtured habits of aggression and obedience In concluding Lin suggests how to foster critical and democratic thinking in Chinese education

Social Policy and Its Administration Joanna Monie,Adrienne Wise,2013-10-22 Social Policy and Its Administration contains an index of literature that defines the output created by social scientists for the welfare of human beings This literary survey originates out of the need to present a comprehensive bibliographic work The book covers areas that encompass the concept social policy Topics such as the standards in social welfare services are also the focus of the book The book traces the beginning of social science and the major proponents of the subject The improvements made on the field are also enumerated and the countries that contributed to the progress of society are named in the book Social revolutions such as the liberation of women and the abolishment of servitude as well as the transition from colonial status to political independence are discussed in the book The text will be a useful tool for sociologists historians students and researchers in the field of political science

Friendship and International Relations S. Koschut,A. Oelsner,2014-10-01 International friendship is a distinct type of interstate relationship and that as such it can contribute to capture aspects of international politics that have long remained unattended This book offers a framework for analyzing friendship in international politics by presenting a variety of conceptual approaches and empirical cases

The Independent ,1904 Comparative Federalism and Intergovernmental Agreements Jeffrey Parker,2014-08-27 Intergovernmental agreements are an important instrument in federal systems establishing new social programs regulating agricultural practices and even changing constitutions Despite their importance there have only been limited attempts to understand agreements in a comparative context or to provide a theoretical framework for their study This book addresses both of these deficiencies by comparing the use of agreements in six federations Australia Canada Germany South Africa Switzerland and the United States and considering why certain federations form more agreements than others Parker analyzes the data using an institutional framework that considers the effects of seven variables including the constitutional division of powers the

system of intergovernmental transfers the size of the welfare state and the nature of governing institutions In addition the study provides the first ever comparative database of national intergovernmental agreements a new resource for future research This book will be of interest to students and scholars of Political Science Federalism Government Political Institutions Political Theory and Comparative Politics East Asia and Pacific Area Foreign Affairs Research Documentation Center,1969 **Australian national bibliography** ,1961 **Library of Congress Subject Headings** Library of Congress,Library of Congress.
