Intimacy In Search Of A Biblical Perspec:

The Human Condition in Biblical Perspective Harold C. Warlick, 1998 A renowned Christian communicator revises portions of his previously published material and together with a newly organized thematic format and updated focus addresses the religious issues and questions of our day In today s clamoring society Warlick applies theological reflection and ethical study to troubling and difficult issues Hal Warlick is a foremost Christian educator preacher who is not afraid to handle some of the most difficult theological and ethical issues But he writes every day language as he makes the connection between biblical concepts and emergent human conditions Each chapter is accompanied by Scripture reference and appropriate footnotes *The Poetics of Intimacy and the Problem of Sexual Abstinence* Michael J. Hartwig, 2009 This bold work asks whether traditional Christian sexual morality with its emphasis on sexual abstinence outside of heterosexual marriage is harmful Appealing to sociological studies anthropological theories and contemporary theological ethics Hartwig develops a model of sexual virtue around the concept of a poetics of intimacy and applies this model to particular challenges faced by the divorced married couples gay men and lesbians single adults and people with mental and developmental disabilities He concludes that mandated long term and lifelong sexual abstinence for those outside heterosexual marriage is not only harmful but compromises many features of Christian morality *Ecclesial Leadership as Friendship* Chloe Lynch, 2019-03-01 When it comes to talking about the activity of directing the church the language of leadership and leaders is increasingly popular Yet what is leadership and how might theological narratives better resource the discourse and practice of leadership in ecclesial contexts In identifying and critiquing managerialism as a dominant narrative of leadership in the Western church this book calls for an alternative approach founded on the concept of friendship Engaging with the wider field of leadership studies the book establishes an understanding of leadership activity and brings it into conversation with an incarnational ecclesiology The result is a prophetic reimagining of ecclesial leadership in terms of a relational kenotic praxis This praxis of mutuality and love is framed here in the rich language of Christian friendship The book also wrestles deeply with the embodiment of such a praxis making explicit the power behaviours typical of friendship leadership and offering constructive guidance for practitioners in the task of implementation within a complex and fractured world This book offers a new vision of the centrality of friendship to leadership of a healthy church community As such it will be of great use to scholars of practical theology ecclesiology and leadership as well as practitioners in church ministry **Handbook on Counseling Youth** John McDowell, Bob Hostetler, 1996-06-09 Thoroughly researched this easy to use handbook is designed to help parents teachers pastors and youth workers guide today s young people through the minefields of adolescence From simple challenges to major crises this book will equip adults to help youth cope with situations involving emotional issues abuse addictions family issues disorders sexual issues and much more **Dementia Caregiving from a Biblical Perspective** Dorothy Gable, 2019-10-25 2022 Grand Prize Winner CWFL Christian Writer s for Life Book Award What is

dementia and how does it differ from Alzheimer's? What are the signs of dementia and how will my loved one progress along the path? What changes in the brain cause the behaviors? This book is your guide for the journey. *Dementia Caregiving from a Biblical Perspective: Your Guide for the Journey* contains information about the four main types of dementia and is illustrated by stories. It will help prepare you for the future, recognize pitfalls as well as highlight the joys of each stage of dementia. Drawing from a Biblical perspective, it points to God's sustaining grace in the midst of a difficult season. One person can make a difference; the most effective care is nurturing love. *Knowing the Face of God, Revised Edition* Tim Stafford, 2005-09-23

There is no deeper, more intense human longing than to know God is real and to see Him face to face. In some circles, having a personal relationship with God is synonymous with being a Christian. We are told in fact that we must have such a relationship if we are truly God's children. But if we are honest, says Tim Stafford, we must admit that often there is a considerable gap between our talk and our experience. We want to know God. The problem is that we don't know how to know Him. How do we know God personally? After examining the traditional answers and finding their shortcomings for himself, Stafford began his own search for the means to knowing personally a personal God. *Knowing the Face of God* is the moving record of his quest. **Religious and Theological Abstracts**, 2002 **ThirdWay**, 1995-11. Monthly current affairs magazine from a Christian perspective with a focus on politics, society, economics, and culture. *Beyond the Shades of Gray* Dean Bailey, 2011-12. *Beyond the Shades of Gray* is based upon Christian fundamentals and beliefs. It was not written to convince anyone that homosexuality is wrong. It was written primarily to assist those who are inwardly convinced that their own homosexuality is wrong for them. Over 10 years in the personal journey of its writing, the author uses practical applications of Bible scripture throughout the book without religiosity. Scripture is used to confront various aspects of this very controversial subject head on. Therefore, the author makes no apologies for the portions of this book that may seem to be more graphic in nature than your average Christian book. Homosexuality is a subject that absolutely needs to be dealt with truthfully and without religious avoidance of difficult topics. If you are a person who has ever had doubts or questions about your sexual orientation or behavior, then what the author has written here is for you. The work contains a wealth of practical biblical principles and also includes information for women. But the book is otherwise a work written by a man for other men who also desire freedom and heterosexual restoration from their own unwanted homosexual behaviors. What we long for is a deep and heartfelt sense of brotherhood, and the author proposes that the real issues behind homosexual behaviors are not about sex. God's love always has both a balance of truth and a responsibility that goes along with it. In this book, I take the same agapē love approach toward homosexuality as Jesus did in the Book of John, Chapter 8, with the woman caught in the sin of adultery. Jesus showed great love and compassion toward the woman both in the way that he dealt with the hypocritical crowd that had brought her to him and in the way he spoke to her as he sent her on her way and told her, "Go and sin no more." Dean Bailey **Christian Networks Journal**, 2004 **The Gospel of John in Cultural and Rhetorical**

Perspective Jerome H. Neyrey, 2009-11-10 John's Gospel has been studied and evaluated and interpreted constantly by theologians throughout the ages. Can anything more possibly be said? Jerome Neyrey says it can indeed by interpreting it in two fresh ways by means of ancient rhetoric and by viewing it in its cultural context. In order to find patterns and concepts that have a bearing on how to read John, Neyrey examines the rhetoric of praise and blame described in the ancient encomium, the Greek commonplace on noble death, rules for rhetorical conclusions, and Jewish background materials. He then uses materials from cultural anthropology such as the effects of limited good and envy, secrecy and brokerage. Even innocent topics such as time and space have much to say about interpreting the figure of Jesus. In viewing John through these two lenses, *The Gospel of John in Cultural and Rhetorical Perspective* brings the book into clear focus as a truly maverick gospel.

The Other Six Days R. Paul Stevens, 2000-09-05 In this provocative book, Stevens writes the clergy-laity division has no basis in the New Testament and challenges all Christians to rediscover what it means to live daily as God's people. Exploring the theological, structural, and cultural reasons for treating laypeople as the objects of ministry, Stevens argues against the idea of clericalism and in favor of equipping people for ministry in their homes, workplaces, and neighborhoods. **New**

Horizon in Male-Female Relationships David Samuel Green, 2010-04-09 *New Horizon in Male-Female Relationships* attempts to break new ground in the discourse on gender equality, love, happiness, and marriage. Author David Samuel Green succeeds admirably and wastes no time in tracing the evolution of human relationships. But he also puts forward new theories regarding the state of relations between males and females across the globe, including married couples. What Green's new book further accomplishes lies in its no-holds-barred exploration of matters of the heart. Specifically, the author examines methods we can employ to eliminate problems that tend to hamper our relationships and shows us how best to get the most out of our unions, with emphasis on how product thinking and egalitarianism assist remarkably. Besides offering solutions for troubled marriages and other relationships, the book also extols several concepts that go hand in hand with love and happiness. At the same time, it becomes clear that if we want our unions and partnerships to work, we have to bring the right attitude to the table. After all, as we learn, the ingredients for a successful relationship must include compassion, forgiveness, and understanding. Breathless Gary R. Collins, 1998 A call to Christians to climb above the urgent demands of everyday

life to live in the way Christ intends. *Breathless* looks at the life of Jesus and explores ten traits meant to give purpose, direction, and a sense of legacy to life. **The Marriage Builder** Larry Crabb, 2009-08-08 Psychologist Larry Crabb cuts to the heart of the biblical view of marriage, the one-flesh relationship. He argues convincingly that the deepest needs of human personality, security, and significance ultimately cannot be satisfied by a marriage partner. We need to turn to the Lord rather than our spouse to satisfy our needs. This frees both partners for soul-oneness, a commitment to minister to our spouse's needs rather than manipulating them to meet our own needs. With soul-oneness comes renewed body-oneness where couples enjoy sexual pleasure as an expression and outgrowth of a personal relationship. *The Marriage Builder* also identifies three

building blocks essential to constructing marriage the grace of God true marriage commitment and acceptance of one's mate Now for the first time discussion questions have been added to aid couples who want to come to deeper understanding of marriage Helpful to counselors and laypersons alike The Marriage Builder is for anyone who longs to transform marriage from trial to triumph **Every Man's Bible NLT, Deluxe Explorer Edition** Tyndale, 2014-04 Designed Specifically for Men The popular NLT Every Man's Bible is designed to help every man develop a fuller richer relationship with Jesus by understanding what the Scriptures have to say about the challenges men face The Every Man's Bible has thousands of notes on topics just for men work sex competition integrity and more This Bible also includes trusted advice from the pros Stephen Arterburn Tony Evans David Jeremiah Tony Dungy Chuck Smith Jr Dallas Willard Michael Youssef Gordon MacDonald Bill McCartney J I Packer Joe Stowell Chuck Swindoll Henry Blackaby Stuart Briscoe Stephen Broyles Don Everts John Fischer Leighton Ford Ken Gire Randy Alcorn Greg Laurie Josh McDowell James Robison and Gary Rosberg All of the features and notes were written specifically for men Key Features Thousands of notes on topics just for men including courage temptation image leadership and pride Profiles of great and not so great men of the Bible Fifty topics that give men insight into the Bible's vital message Advice from the pros book intros one sentence book summaries charts relationship notes and a topical index The New Living Translation is an authoritative Bible translation rendered faithfully into today's English from the ancient texts by 90 leading Bible scholars The NLT's scholarship and clarity breathe life into even the most difficult to understand Bible passages but even more powerful are stories of how people's lives are changing as the words speak directly to their hearts **The Pastor's Family** Harold G Koenig, Daniel L Langford, 2012-10-12 Describing the difficulties of balancing a career and family life The Pastor's Family The Challenges of Family Life and Pastoral Responsibilities is a personal narrative that discusses the all too familiar practice of neglecting your family for your job Pastors will learn the importance of balancing time and attention between their families and religious careers by exploring the problems caused by one pastor's prolonged absence from home Containing research and first hand experiences The Pastor's Family calls for a change in ministry policies that will enable pastors to devote as much time to their families as they do to their congregations Containing stories and anecdotes from the author his wife and his two children this book offers suggestions on how to improve the physical emotional and spiritual health of a pastor's family The information and insight provided by The Pastor's Family will also help pastors wives realize that they are not alone in their demanding roles and will help church policymakers discover the need to improve relations between the congregation and the pastor's family With the hope that the universal problems of pastors families will be revealed the author shares with you methods that have helped bring him and his family closer together including understanding the expectations of the stereotypical superpastor and learning how to set boundaries between family life and career realizing that a pastor's family is subject to the same problems and challenges other families face and helping your family deal with this pressure learning the various definitions of codependency and how this can
