Intimate Moments Evangeline Rentz,2016-02-10 We often find ourselves longing to fulfill the desire for love in superficial ways We experiment interact socialize and continue to search for love in all the wrong places and with all the wrong people In order to understand the depth and power of love however there is only one we must seek The Lord is the only one who will be able to teach us the true definition and understanding of love Therefore its time we embrace love under His design Love is indeed passionate and fulfilling but it requires deep commitment and sacrifice It is during your intimate moments with Christ that true love is planted And it is through these moments that the seed is fertilized and nurtured to grow blossom and reproduce love

The Bible and Spirituality Andrew T. Lincoln,J. Gordon McConville,Lloyd K. Pietersen,2013-07-05 The essays in this volume aim to contribute to the newly developing academic subject of biblical spirituality It is prompted by the belief that although the Christian tradition has always nurtured an emphasis on spirituality rooted in the Bible and its interpretation few biblical scholars until recently have pursued their work by making connections with either this religious tradition or present day interest in the broader phenomenon of spirituality Spiritual interpretation has overlaps with theological interpretation but is distinctive because of its focus on the wisdom of lived experience and practice The essays therefore attempt from within the context of the academy responsible readings of Scripture that have as a major focus the study of how particular texts might contribute to a spirituality in which individual and communal flourishing is a major feature The essays began as papers produced for an international symposium on the Bible and Spirituality in May 2012 hosted by the Centre for the Study of the Bible and Spirituality in the School of Humanities at the University of Gloucestershire

The Intimate Sharing of Friends

Saint Teresa of Ávila on Prayer Mark O'Keefe, OSB,2024-07-19 St Teresa of vila is the Doctor of Prayer This special title given to her when she was declared the first female Doctor of the Church signifies that her teaching on prayer is to be

universally cherished among the eminent doctrines of the Catholic Church The cornerstone of Teresa s teaching is her profound discovery that prayer is nothing else than an intimate sharing between friends The spiritual life is demystified when we understand our lifelong journey in prayer as the deepening of our relationship with Him who we know loves us Life 8 5 In The Intimate Sharing of Friends Father O Keefe presents an overview of St Teresa s teaching on prayer while emphasizing its relational aspect For Teresa the spiritual life consists of the degrees to which we are attentive and receptive to God s presence within us Like all relationships this supernatural friendship profoundly changes us O Keefe guides us through Teresa s various analogies and explanations of the soul s personal transformation as it journeys from friendship with God to a more supernatural and deeply intimate union with him Throughout O Keefe directs us to Teresa s insistence that this transformation is measured not by its extraordinary effects but by our growth in virtue especially in charity Supporting the book s central theme is a clear explanation of Teresa s teaching on the transition from active to more contemplative forms of prayer In an excursus the author offers a critical comparison between contemporary contemplative practices and St Teresa s perennial teaching As always Father O Keefe draws on scholarly sources and provides an engaging resource for anyone who desires to become an authentic student of St Teresa s school of prayer

empowering us to navigate common relationship issues that can otherwise trap us in an endless cycle of misunderstanding and separation. These techniques clarify and heal conflict in all relationships: marriages, short-term romances, friendships, and those with children and even acquaintances. In this sacred undertaking, instead of giving or receiving love, we become love.

God the Spirit Michael Welker, 2013-08-23 Welker sees Spirit as conflicted territory in a world alive with experiences of the Spirit, searching for Spirit and skepticism about the Spirit. In a work that fuses the best of Continental theology with American process thought, he looks first to the problem of religious experience in today's world and inchoate experiences of the power of the Spirit.

Radical Wisdom Beverly Lanzetta, Lanzetta illuminates the transformative potential of the classical tradition of women mystics, especially in light of contemporary violence against women around the world. Focusing on the contemplative process as women's journey from oppression to liberation, Lanzetta draws especially on the mysticism of Julian of Norwich and Teresa of Avila. She lays out the contemplative techniques used by mystics to achieve their highest spiritual potential and also investigates how unjust social and political conditions afflict women's souls. Lanzetta identifies a specific historical female mystical path, the *via feminina*, and draws contemporary conclusions for how women might understand their bodies, their rights, and their ethics.

The Web of Life Glenn C. Taylor, 2016-08-16 Life is about relationships, good and bad. Individualism may feel strong. In reality, it's much weaker than when we stand together. Much of the joy of life comes from the manner in which others touch our lives. Do you remember the last time someone touched your life with a word of encouragement? Your response may have been a smile or a sense of joy. Not all touches are like that. Some people touch our lives with pain through hurtful comments, insinuation, or even lies. Solomon declared that life and death are in the power of the tongue. Our conversations are a key contributor to the effects we have on one another. This book is an invitation to explore the impact of others on us and our influence on them. It takes courage to nurture others and accept their nurturing. Communication coupled with action is the key to growth when we've experienced God as the source of our spiritual lives in Christ. Glenn Taylor's writing on the subject of healthy relationships is the outcome of a lifelong commitment to living fully into all aspects of life. As a result, this book has deep roots and a solid foundation. I commend it to you. Dr. Rod Wilson, Vancouver, B.C. There is no substitute for a firsthand witness. This is as true today as it was for the Resurrection. This book is the direct result of a truly empathetic, faithful witness. This is a must-read for anyone who is involved in ministry, counseling, or leadership of any kind. James Tughan, Canadian Artist, Oakville, Ontario. I believe the chapter on the importance of the community of faith as a place for receiving love, nurture, and healing meets a critical need in our disconnected society. Marvin Brubacher, Director of MentorLink Canada.
