Intimacy Charles M. Sell, 1983-07-01 **Drawing Near** John Bevere, 2004 In *Drawing Near* John Bevere urges you not to settle for the dry shadow of Christianity that knows about God without knowing God The incredible invitation from the Creator of the universe is not just to worship Him from afar with words and rituals but to enter a relationship so meaningful and intimate that you know His heart and He knows yours Often we feel God is distant but Bevere says the cause is not God but ourselves Our focus on possessions entertainment and feel good worship form barriers to Him But when we open our lives to Him in humility and obedience He fills us with His Holy Spirit and reveals Himself to us Prayer transforms from a dry one way monologue to a loving dialogue between companions each sharing the deepest secrets of the heart In restoring this intimate relationship with God you will form a loving union with Him that fills your life with joy and passion In this book best selling author John Bevere reveals how Scripture repeatedly declares that God desires a close relationship with us When we draw near to Him we find the presence of His Holy Spirit to be the most energizing exhilarating and transforming experience we have ever known It s hard to want something you don t even know is missing Sadly many of us settle for a bland religion of the mind missing out on the burning ecstasy of intimacy with God We ignore God s holiness expecting to be filled with His Spirit without cleansing our lives in order to receive Him But we were created for intimate fellowship with God Drawing from his own journey Bevere shows us the way to rewarding companionship with God Instead of a set of mechanical instructions he gives us a treasure map pointing to God s heart Intimacy can never become a step by step process Bevere explains Rather it is yielding to the entreaty of the greatest lover in the universe and entering an intimate passionate relationship of oneness with Him Book jacket *Life Cycle* Richard L Dayringer, 2013-03-07 Understand the spiritual and psychological stages of human life *Life Cycle Psychological and Theological Perceptions* provides professors and students of religion pastoral counselors and parents with a description of human personality development from birth to death from both psychological and theological perspectives You will examine how personalities develop and unfold as individuals grow and how they are influenced by family members and by God helping you view the life cycle as a sacred journey *Life Cycle* will help you as a parent to understand your children better and as an individual to gain a meaningful perspective of the unfolding of your own life As a pastoral counselor this book will help you to enlarge your comprehension of developmental problems and solutions enabling you to better help your parishioners develop healthy spiritual identities Through this insightful book you will discover the natural process of development through life stages such as the Age of Works the Age of Friendships and the Age of Discovery This unique book will help you in your pursuit of self discovery Within these pages you will examine the history and theories of personality development from such theorists as Freud Erikson and Sullivan to get a solid foundation for understanding the process of identity formation understand theological as well as psychological views of personality development realize the impact of the family unit on the development of individuals learn to recognize the stages of human

Closer Jim Burns,Cathy Burns,2009-10 Introduced with Scripture verses and engaging stories these 52 devotionals inspire couples to draw closer through faith conversations

Longing Justin David,2018-01-03 Longing is a universal human experience born of the inevitable gulf between dream and reality what we need and what we have While the experience of longing may arise from loss or the awareness of a void in one s life it may also become a powerful engine of spiritual growth prompting one to draw closer to the hidden yet present Other

Across the range of Jewish teachings longing takes center stage in one s spiritual life From the Bible through current frontiers in Jewish belief and practice God is both known and unknown immediate and remote present and in constant eclipse This book captures the sense of longing in Jewish tradition by creating a dialogue

between the author's own struggles with an estranged father and a wide range of traditional and contemporary sources. Focusing on the story of the Hebrew prophet Elisha, the book takes the reader through a journey of abandonment, creative destruction, and ultimately repair and healing, engaging with currents in biblical theology, rabbinic thought, Kabbalah, and contemporary Jewish philosophy. Written in a familiar yet probing style, this book is an accessible introduction to Jewish thought and spirituality, as well as a thoughtful companion for more experienced students. Divorce Proof Your Marriage

Gary Rosberg, Barbara Rosberg, 2003-04. Presents a guide to protecting a marriage from divorce, including information, relationship experts on how to meet a partner's needs, heal hurt in marriage, and weather storms of life. *Directions of a Pastoral Lifetime* William Flewelling, 2015-03-20. I had been asked to do a Bible study when I began my first church out of seminary. I agreed so long as I could do it my way. In the fourth year of my work at Hilltop Christian Church in Mantua, Ohio, I chose to do the Song of Solomon, known in many circles as the Song of Songs. I was guided in the development, in part, by the then recent Anchor Bible commentary by Marvin Pope. The study influenced me greatly. In the next decade or so, I indulged in a variety of works on the Song of Songs, largely but not exclusively in the Christian mystical tradition. In 1997, I found a way to work on a devotional development from the Song of Songs, resulting in a work I found satisfying. From those two major efforts, a few minor ones arose. I have collected here the ways in which the Song of Songs has woven into my work as a pastor.

Radical Neo-Enlightenment Mark Manolopoulos, 2018-11-21. Radical Neo-Enlightenment is a spirited response to the multiple and accelerating crises we face today. The provocative and ambitious work contends that we require a radical neo-Enlightenment to counter these systemic crises. The driving idea is that Reason must now be reclaimed as a powerful force for positive social change. Along the way, the book criticizes philosophy's failings and restores its noble compulsion to change the world. Radical Neo-Enlightenment then criticizes conventional religion and advances a reconstructed faith that would be an ally of socially transformative Reason. It then marks out practical core steps that would lead to rational global transformation. While the book is introductory and accessible in scope and style, it confronts and develops the thought of some of the most important subversive thinkers of the past and present.
