

# Intimate Couple

**R. Lampard, K. Peggs**

## **Intimate Couple:**

*Intimate Couple* Jon Carlson, Len Sperry, 2013-06-17 As important as intimacy is in our personal and professional lives intimacy as a theoretical and clinical factor still remains a phenomenon Contributors to this work examine the many definitions of intimacy putting forth a provocative discussion of the multi faceted topic and offering the best possible clinical methods of creating intimacy and addressing its challenges

*Handbook of Closeness and Intimacy* Debra J. Mashek, Arthur Aron, 2004-04-13 This handbook brings together the latest thinking on the scientific study of closeness and intimacy from some of the most active and widely recognized relationship scholars in social and clinical psychology communication studies and related disciplines Each contributing author defines their understanding of the meaning of closeness and intimacy summarizes existing research and provides an overview of a theoretical framework presents new ideas applications and previously unstated theoretical connections and provides cross references to other chapters to further integrate the material The Handbook of Closeness and Intimacy will be of interest to researchers practitioners and students from social clinical and developmental psychology family studies counseling and communication

*A Couple State of Mind* Mary Morgan, 2018-10-12 A Couple State of Mind is a much anticipated book aimed at an international audience of practitioners students and teachers of psychoanalytic couple therapy describes the Tavistock Relationships model of couple psychoanalytic psychotherapy drawing on both historical and contemporary ideas including the author's own theoretical contributions The book references contemporary influences of other psychoanalytic approaches to couples particularly from an international perspective It will be invaluable for all students learning about psychoanalytic work with couples for other psychoanalytic practitioners interested in this field

*Extraordinary Sex Therapy* Gina Ogden, 2017-10-02 How do we help our clients discover the depth and breadth of sexual healing Extraordinary Sex Therapy offers a range of innovative health based approaches and models to explore the complexities inherent in sexual pleasure and potential as well as in trauma pain and dysfunction The practitioners whose work is represented here expand the clinical conversation about sex beyond performance goals and tread courageously into unquantifiable realms of sexual and relational desire health and transformation All of these practitioners describe work that embodies therapeutic collaboration with their clients as they confront sexual concerns that include body image emotions meanings and nuances of partner interactions along with the influence of neurobiology language gender addiction socioeconomics and cultural conditioning about pleasure Their interventions range from education visualization and role play to identifying erotic archetypes coaching about sensual touch and using plant spirit medicines to activate imagination and spiritual connection Their descriptions ring with singular authenticity depending on their training and the particular clients and issues they address Each practitioner provides clinical examples and techniques in enough detail so that readers can incorporate elements of these approaches into their own practices This book was originally published as a special issue of the Journal of Sexual and Relationship Therapy

**Romantic Lives of Emerging Adults** Varda Konstam, 2019-01-21 The romantic lives of emerging adults are often baffling and contradictory While they prize committed and authentic relationships they appear to be reluctant participants They prefer to foster ambiguity in their romantic relationships even as they value honesty and clarity There is at once a valuing of long term as well as a decentering of romantic relationships Although our current understanding is incomplete this text grapples with these perplexing questions In attempting to understand emerging adults and their romantic lives researchers must consider the challenging economic conditions in which today's emerging adults find themselves With an emphasis on commitment and sacrifice and their centrality to one's readiness for a long term relationship this book reviews the main milestones in transitioning from an I identity to a we identity and discusses the concepts of choice and risk Further the book examines structures such as asymmetrically committed relationships cohabitation and marriage through the lens of commitment risk and risk avoidance Probing extensively into the romantic lives of emerging adults their attitudes values and expectations this text examines some of the developmental and contextual realities against which romantic attachment must be viewed Critical topics such as casual and sexual experiences and relationships integration of work and love breakups marriage going solo and social media and its influences are considered The commonality and the individuality of the emerging adults presented throughout this text contribute to a rich understanding of emerging adults and how they live and love

Engaging Couples Andrew Balfour, Christopher Clulow, Kate Thompson, 2018-11-21 This book is a challenge to the silos in our human services that an atomised focus gives rise to They are evident in the chasm that can exist between child and adult mental health care between competing therapeutic approaches and most importantly for this volume in the segmentation of support for adults who are partners as well as parents The contributors all with substantial experience of providing front line services identify the problem their intervention is designed to address provide a conceptual justification for the approach they have used and supply evidence for its effectiveness Vivid illustrations bring the work to life and provide examples of best practice whose relevance can readily be transported to different settings Unusual in bringing together approaches that encompass internal and external realities in responding to the challenges of physical constraint emotional distress and an often volatile social environment the contributions are assembled to highlight a common thread that can inform services at different stages of the life course Each chapter is accompanied by a commentary from specialists in their field who elucidate and critique the key points made by the authors and help the experience of reading the book to be one of dialogue Engaging Couples New Directions in Therapeutic in Work with Families explores new ways of approaching some of the key issues of contemporary family life including depression living with long term conditions inter parental conflict and domestic abuse to name but a few refracting them through a lens that sees our relationships as fundamental to the fabric of our lives the most important social capital of all It represents essential reading for clinicians and family practitioners of all persuasions and those that train and support them in their work

**Who Do You Think You Are?** Tina Thomas, 2016-01-26

Step aside Dr Phil move over Dr Oz I truly believe that Dr Tina Thomas is to personality psychology what Einstein was to physics Eric Schulze MD PhD researcher CEO Lifetrack Medical Systems As Dr Thomas explains There is no such thing as a difficult person just people with difficult personalities Those who understand personality and its biological basis never look at themselves or others in the same way again Understanding personality this way will help you to understand what motivates you and others This will also improve your ability to communicate Who Do You Think You Are will teach you how to adjust your internal and external environments to optimize your specific personality chemistry to become the person you always hoped you could be and create the life circumstances you only dreamed were possible And if that isn't extraordinary enough this new knowledge will create more compassion within yourself and more peace within all the relationships you ever had have now or will have in the future Understanding yourself from the inside out may be the single most important body of information you ever need to reach your full potential Who do you think you are You may be delighted and surprised when you discover yourself this way Dr T has an uncanny ability to combine the art of psychology and the science of biology to create elegant ways to increase self compassion improve relationships and help people to become self actualized Richard Tscherne PhD clinical psychologist director of The Gestalt Institute and Relationship Center of New York

*Performance and Phenomenology* Maaïke Bleeker, Jon Foley Sherman, Eirini Nedelkopoulou, 2015-04-10 This book offers a timely discussion about the interventions and tensions between two contested and contentious fields performance and phenomenology with international case studies that map an emerging twenty first century terrain of critical and performance practice Building on the foundational texts of both fields that established the performativity of perception and cognition Performance and Phenomenology continues a tradition that considers experience to be the foundation of being and meaning Acknowledging the history and critical polemics against phenomenological methodology and against performance as a field of study and category of artistic production the volume provides both an introduction to core thinkers and an expansion on their ideas in a wide range of case studies Whether addressing the use of dead animals in performance actor training the legal implications of thinking phenomenologically about how we walk or the intertwining of digital and analog perception each chapter explores a world comprised of embodied action and thought The established and emerging scholars contributing to the volume develop insights central to the phenomenological tradition while expanding on the work of contemporary theorists and performers In asking why performance and phenomenology belong in conversation together the book suggests how they can transform each other in the process and what is at stake in this transformation

**Rekindling Desire** Barry McCarthy, Emily McCarthy, 2019-09-09 For over a decade Rekindling Desire has helped to restore and affirm pleasure oriented sexuality for thousands of people Drawing on respected therapist Barry McCarthy's extensive knowledge and experience this updated third edition offers strategies and solutions for no sex relationships and low sexual desire Contained within are psychosocial sexual skill exercises that will develop communication and confidence as well as fascinating case

studies that illustrate a wide range of couples sexual frustrations The shame embarrassment and hesitancy that individuals feel with themselves and the resentment and blame they can feel towards their sexual partners are explored and put into context With an individualized relapse prevention plan to ensure sexual gains are maintained and built upon the book encourages couples to work as a team to minimize guilt and maximize intimacy Rekindling Desire 3rd edition fully celebrates female and male sexuality challenges inhibitions and avoidance and promotes satisfying secure and sexual relationships Whether you are married cohabitating or dating it will help renew sexual desire and empower people of all sexual orientations and ages on the path towards healthy pleasure oriented sexuality      **Community Health and Wellness** Jill Clendon,Ailsa Munns,2010-12-15 A new edition of the esteemed nursing text exploring social cultural and political issues affecting individual and community health What makes a healthy community And how can nurses and midwives support community health and wellbeing In Community Health and Wellness 4th Edition Primary health care in practice authors Anne McMurray and Jill Clendon advance the discussion of health as a product of the interaction between people and their environment Engagingly written and based on extensive research this valuable nursing textbook is ideal for nursing students as well as those working in the field Issues such a gender and cultural inclusiveness provide essential backdrops to evidence based policy research and the provision of equitable health care for all The Miller Family case study This new edition of Community Health and Wellness features a common family case study running throughout the text The Miller family crosses Australia and New Zealand providing examples of primary health care issues in both countries These include child health services accessing care adolescent health contemporary family issues ageing cultural support and inclusive health care global insights with a focus on primary health care practice in Australia and New Zealand promotion of community health care across the lifespan a unique socio ecological approach to community health the Ottawa Charter the Jakarta Declaration and the Bangkok Charter are included as contemporary health promotion guidelines for practice extensive references providing current specific source information Emphasis on health literacy intervention and health promotion An evolving case study runs through each chapter and links to reflective activities Focus on learning outcomes to facilitate the integration of policy research and practice Exploration of Australian and New Zealand nursing and midwifery roles in primary health care practice Strong pedagogy to increase engagement and emphasise key issues Reflective exercises and Action Points encourage readers to consider the key issues their implications and how to move forward Research studies exemplify the central theme of each chapter and promote evidence based practice Evolve eBook and resources      Marital Relationships and Parenting: Intimate relations and their correlates Ami Rokach,2018-11-09 Romantic relationships especially good ones are desired of almost all humans However what makes such relationships good and nourishing For the most part it is the support and intimacy that exists within the couple and their ability to experience life and face difficulties together This book is divided into two sections one focusing on the couple and their intimate relationship and the other on

how that relationship influences their offspring Part one examines whether sacrificing in an intimate relationship is always beneficial and whether it help strengthen the marital couple unit Attachment theory has had a significant influence on how we view relationships in childhood as well as in adulthood The book sheds light on the mechanisms that mediate attachment style and the quality of the intimate relationships exploring the relationship between one s ability to express empathy and that person s ability to offer social support to his her partner The second part of the book explores what young adults think about marriage influenced by their parental relationship how parental relationships affect children s social experience in school how parental approaches to children affect their sibling relationship the parental role in childhood eating disturbances and how the family climate affects children s loneliness All in all the book affords a thorough review not only of what marital couple intimacy is and what can affect it but how significant it is in affecting their children in and out of the house The chapters in this book were originally published in the Journal of Psychology

businesspeople and others Chapter on immigrants acculturation processes Lively chapter opening case examples including compelling personal stories End of chapter summaries Mindful Guidelines to put into practice and critical thinking questions New and expanded discussions of hot topics cross cultural workplaces community building peace building romantic relationships prejudice and discrimination microaggressions and ethical issues

**Cognitive-Behavioral Therapy for Sexual Dysfunction** Michael Metz, Norman Epstein, Barry McCarthy, 2017-11-13 Cognitive Behavioral Therapy for Sexual Dysfunction provides clinicians and graduate students with a comprehensive biopsychosocial model of useful practical empirically based strategies and techniques to address common sexual dysfunctions It is the most comprehensive volume describing the couple cognitive behavioral approach to assessment treatment and relapse prevention of sexual dysfunction The focus is on sexual desire and satisfaction with an emphasis on the Good Enough Sex GES model of sharing sexual pleasure rather than an individual perfect intercourse performance test This title reflects the contributions of Mike Metz to the field of couple sex therapy

**Identity and Repartnering After Separation** R. Lampard, K. Peggs, 2007-07-25 This book examines the lives and repartnering behaviour of former spouses and co habitees groups pivotal to recent marital change Focusing on contemporary Britain it examines these people s experiences of being single their orientations towards past and new relationships and their self identities in the context of a couple orientated society

**Living Apart Together Transnationally (LATT) Couples** Rashmi Singla, 2024-05-18 This book provides deep insight into intimacy and distance in the complex globalised world through the newly coined concept of couples living apart together transnationally LATT Based on a review of the past four decades seminal studies and narratives from a qualitative empirical study including both heterosexual and same sex couples it shows intimacy can be maintained without geographical proximity The book has a rich layered and nuanced exploration of LATT couples experiences of relationship maintenance across distance and time through diverse ways such as digital emotions online sexual activity and meaning making through spirituality which challenge existing Eurocentric conceptualisations of intimacy and relationships It also reveals an array of good practices for relationship maintenance across countries which can inspire other couples and practitioners Thus the book is an important resource not only for academics in the disciplines of psychology anthropology cultural studies family science sociology migration and communication but particularly useful for practitioners dealing with couple relationships such as counselors social workers and mental health advisors It is also relevant for international organizations and multinational corporations working with couples living apart together transnationally The implications of this book for how we live now are clear in a more closely connected and mobile world the possibility of living our most intimate relationships across distance will affect increasing numbers of us the book s informative theoretical and practical messages have valuable lessons for many of us now and in the future Dr Lucy Williams University of Kent the UK Living Apart Together Transnationally LATT Couples Promoting mental health and intimacy gives us insights into the everyday lives of couples living apart together LAT in a contemporary

world characterized by globalisation and pandemics that have affected border controls and migration policies in different countries Rashmi Singla invites us to challenge the way we understand intimate relationships that are connected to physical proximity and provides us with innovative ways to maintain emotional and physical intimacy despite geographical separation

Sayaka Osanami T rmgren Associate Professor of International Migration and Ethnic Relations Malm University Sweden Dr Rashmi Singla s book *Living Apart Together Transnationally* addresses a very important problem many modern couples encounter living apart in different countries The increasing globalization of the job market and mass migration in the past four decades have made this topic more important than ever before However research about love and life in such conditions is still limited The research presented in this book reveals some new qualitative research findings about how partners maintain health and intimacy in such challenging conditions This book presents novel and invaluable research for scholars in the area of love and couple relationships

Victor Karandashev Ph D Professor of Aquinas College Michigan The U S A Dr Rashmi Singla s work *Living Apart Together Transnationally* LATT stands as a profoundly empirical exploration of long distance couples spanning international borders The book provides captivating revelations into the lives intimacies and spiritual dimensions of such relationships Offering an interdisciplinary approach it establishes a robust groundwork for further investigations in this emerging field

Lise Paulsen Galal PhD Associate Professor in Intercultural Studies Roskilde University Denmark How important is proximity in intimate relationships when partners live apart in different countries This question sits at the core of this timely book which offers new insights in part through the range of areas considered but also through its challenge to existing Eurocentric conceptualisations of intimacy and relationships Using narratives collected in in depth interviews including through the period of Covid 19 Dr Rashmi Singla provides rich accounts of living apart together LAT but vitally adding a transnational perspective LATT

Dr Tina Miller Professor of Sociology Oxford Brookes University UK Author of *Motherhood Contemporary Experiences and Generational Change* Cambridge University Press 2023 The book *Living Apart Together Transnationally* LATT *Couples Promoting Mental Health and Intimacy* is based on an empirical study on couples living apart transnationally Collecting data on couples is difficult and for that alone I appreciate the work done by the author Given that migration and mobility of families and couples is not likely to come to an end with the pandemic a study that brings together experiences of couples compelled to live apart would be illustrative The book refers to using social media for couples to connect with each other This is useful information in the social and digital worlds that we live in The phenomenon of migration and couples having to live apart is an ongoing one which is likely to be of interest to many academics and practitioners from host and receiving countries

Professor Sujata Sriram Dean School of Human Ecology Tata Institute of Social Sciences Mumbai India This ground breaking book provides new knowledge of how the increasing number of couples living apart together in different countries the so called LATT couples cope with their situation and how they can maintain intimate relationships despite the distance Based on in depth interviews with heterosexual and same sex couples

spread all over the world and including the author's own lived experiences the book convincingly challenges the conventional wisdom that cohabitation is a necessary condition for intimacy Through a novel theoretical framework Rashmi Singla highlights changing gendered orders and the challenges that meet long distance relationships crossing the Global North Global South divides Drude Dahlerup Professor of Political Science Stockholm and Roskilde Universities Sweden and Denmark Living Apart Together is a timely book that addresses the complexities of love sex marriage intimacy and transnational distancing Through qualitative research this excellent book offers answers to current and enduring questions of immigration migration and border crossings Dr Rashmi Singla's research and scholarship open new ways of understanding how intimate relationships are governed by post modern capitalism which challenges socio economic geo political and cultural forms of being intimate The book takes us on a journey of intimate discoveries which unfold through its various chapters on how people can nurture desire intimacy and love even while living apart either as a matter of personal choice or out of professional necessity In essence Living Apart Together is a critical text in answering the larger question of what it is to be human in today's digital world Roy Moodley Associate Professor Ontario Institute for Studies in Education Department of Applied Psychology and Human Development University of Toronto Canada Living Apart together is a timely book that addresses the complexities of love sex marriage intimacy and transnational distancing Through qualitative research this excellent book offers answers to current and enduring questions of immigration migration and border crossings Dr Rashmi Singla's research and scholarship open up new ways of understanding how intimate relationships are governed by post modern capitalism which challenges socio economic geo political and cultural forms of being intimate The book takes us on a journey of intimate discoveries which unfold through its various chapters on how people can nurture desire intimacy and love even while living apart either as a matter of personal choice or as professional necessity In essence Living Apart Together is a critical text in answering the larger question of what it is to be human to today digital world **The Changing World of**

**Gay Men** P. Robinson, 2015-12-04 This ground breaking book explores the experiences of gay men and their understanding of what it meant to be gay in the 20th Century from when homosexuality was illegal though the less repressed but no less difficult eras of gay liberation and the HIV AIDS epidemic **An Introduction to Marriage and Family Therapy** Joseph L. Wetchler, Lorna L. Hecker, 2014-04-04 Learn the fundamentals of family therapy and treatment An Introduction to Marriage and Family Therapy presents insight and analysis from 20 of the foremost experts in the theoretical and practice areas of family therapy offering a unique blend of approaches and styles Chapters draw on each author's area of expertise in exploring the history of family therapy and the application of systems theory to families Ideal as a comprehensive resource for entry level students the book also gives undergraduates a glimpse of graduate training and provides useful tips on how to apply to graduate school and what to expect while shopping for graduate education An Introduction to Marriage and Family Therapy is divided into two parts a theoretical section where commonly used theories are presented with practical case

examples and a section devoted to special issues and topics such as couples therapy communication training marital enrichment and premarital counseling The book also covers substance abuse divorce gender and culture family violence sexual dysfunctions and sex therapy treatment and the interface of ethics and the legal system An Introduction to Marriage and Family Therapy also discusses the history of family therapy systems theory and cybernetics structural and strategic family therapy cognitive behavioral experiential and transgenerational therapies collaborative language based models current research findings and much more With its unique and comprehensive approach An Introduction to Marriage and Family Therapy serves as a theoretical introduction to the field of marriage and therapy and related mental health disciplines where family treatment is emphasized The book is essential for educators in marriage and family counseling classes and is an invaluable resource for therapists counselors social work professionals pastoral educators and family psychologists

The Attachment-Based Focused Genogram Workbook Rita DeMaria, Briana Bogue, Veronica Haggerty, 2019-06-26 The Attachment Based Focused Genogram Workbook is a hands on guide for clinicians looking to integrate attachment research and family systems theory into their practice with particular attention to intergenerational transmission processes The book introduces a range of relationship mapping and timeline tools grounded in the use of focused genograms and the Intersystem Approach Examining the importance of the therapeutic bond within a variety of client systems the book outlines a new methodology for identifying childhood attachment patterns adult attachment styles family scripts and attachment narratives and contextual social bonds Exercises are also included throughout to encourage reflective thinking and to consolidate key concepts Utilizing genograms as an essential tool in systemically focused family practice this workbook will help therapists at all levels to apply and strengthen systemic considerations for clinical practice and research The text also complements the revised edition of Focused Genograms which uniquely applies attachment research for individuals couples and families in contextual clinical settings

### **Intimate Couple Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Intimate Couple free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Intimate Couple free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Intimate Couple free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers

voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Intimate Couple. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Intimate Couple any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Intimate Couple Books

1. Where can I buy Intimate Couple books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Intimate Couple book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
