Intimate Economies Of Bangkok:

The Intimate Economies of Bangkok Ara Wilson, 2004-07-19 Wilson shows us how global dreams come to life in the cacophony of Bangkok's markets. Business tycoons, sex workers, mall strollers, and penny capitalists. Each forms an exemplary figure, a source of reflection and emulation. In this engrossing work, the women and men of Bangkok produce themselves and the global economy. I have seen no better ethnography of globalization. Anna Tsing, author of *In the Realm of the Diamond Queen*. This fascinating book draws together the strands that weave intimate and kinship worlds into the fabric of the modern Thai economy. From floating markets to department stores and go-go bars, Wilson's inquiry reveals the gendered practices that sustain economic domains and how these commercial venues in turn recast the intimate life. Upending stereotypical notions about Thai gender, *Intimate Economies* casts a complex feminist perspective on the new styles of being emerging in the spaces of global capitalism. Aihwa Ong, author of *Buddha Is Hiding*. Wilson brilliantly deciphers the ways intimate lives, personas, subjectivities, relations are involved in the formation of modern and transnational capitalist markets. To do this, she carefully unpacks the social infrastructure of five different globalized markets in Bangkok. Saskia Sassen, author of *Guests and Aliens*. Offers something rare and valuable in studies of globalization: a fine-grained ethnography at the intersection of capitalist and non-capitalist economies. In Ara Wilson's fascinating study of urban Thailand, the sex trade is intertwined with the gift economy, the department store with the kin economy. Navigating this often surprising terrain with unusual agility, Wilson has produced a masterful record of new worlds and new subjects in the making. Julie Graham, co-author of *The End of Capitalism As We Knew It: A Feminist Critique of Political Economy*.

The Intimate Economies of Bangkok Ara Wilson, 2004-07-19 Bangkok has been at the frontier of capitalism's drive into the global south for three decades. Rapid development has profoundly altered public and private life in Thailand. In her provocative study of contemporary commerce in Bangkok, Ara Wilson captures the intimate effects of the global economy in this vibrant city. *The Intimate Economies of Bangkok* is a multifaceted portrait of the intertwining of identities, relationships, and economics during Bangkok's boom years. Using innovative case studies of women's and men's participation in a range of modern markets: department stores, go-go bars, a popular downtown mall, a telecommunications company, and the direct sales corporations Amway and Avon, Wilson chronicles the powerful expansion of capitalist exchange into further reaches of Thai society. She shows how global economies have interacted with local systems to create new kinds of lifestyles, ranging from tomboys to corporate tycoons to sex workers. Combining feminist theory with classic anthropological understandings of exchange, this historically grounded ethnography maps the reverberations of gender, sexuality, and ethnicity at the hub of Bangkok's modern economy.

Companion to Urban Anthropology BLACKWELL COMPANIONS TO ANTHROPOLOGY A Companion to Urban Anthropology The city is becoming the basic currency of human and non human life a pile of interconnections which makes a series of difficult wholes This volume navigates the anthropology of this medium with the greatest aplomb Nigel Thrift University of Warwick A Companion to Urban Anthropology presents original essays on central concepts in urban anthropology and ethnography Featuring contributions from more than 25 leading international scholars in urban studies the readings cover a wide variety of topics Each essay explores a key phenomenon and is grounded in the author s original research along with findings of other urbanists Classic issues such as built structures and urban planning community markets and race lead to emergent areas of study including borders sexualities nature extralegality and resilience and sustainability A Companion to Urban Anthropology offers revealing insights into the complex forces that continue to shape the urban experience

Historical Dictionary of Thailand Gerald W. Fry, Gayla S. Nieminen, Harold E. Smith, 2013-08-08 Throughout its history Thailand has shown remarkable resiliency adaptability and creativity in responding to serious threats and crises and this since much earlier times when it was known as Siam This book while focusing on the modern period does reach back to ancient kingdoms but also shows the impressive rise to a modern democracy although still endowed with a king and even more impressively an economic tiger Moreover it has become a prime tourist destination and is thus known to vast numbers of foreigners as a sort of instant Asia The Historical Dictionary of Thailand now in its third edition covers this amazing story in various ways First the chronology traces the most significant events from year to year The introduction then provides a good overview of the land and people the history and traditions and where it now seems to be heading The dictionary which by now has hundreds of detailed and cross referenced entries looks more closely at important persons places institutions and events as well as more generally its politics economy society culture and religion So this is an excellent reference work not only for scholars but many others who have visited the country and were fascinated by it **Everyday Life in Southeast**

Asia Kathleen M. Adams, Kathleen A. Fridman illustrates how the neoliberal emphasis on responsibility individualism and entrepreneurship binds people together with the ropes of aspiration Freedom from Work delves into a world of financial self help in which books seminars and board games reject get rich quick formulas and instead suggest to participants that there is something fundamentally wrong with who they are and that they must struggle to correct it Fridman analyzes three groups who exercise principles from Rich Dad Poor Dad by playing the board game Cashflow and investing in cash generating assets with the goal of leaving the rat race of employment Fridman shows that the global economic transformations of the last few decades have been accompanied by popular resources that transform the people trying to survive and even thrive A gifted observer Fridman s ethnographic account uncovers a unique blend of morality and economics in self help groups pursuing their dream of financial freedom This book contributes to economic and cultural sociology but will also fascinate general readers Viviana A Zelizer Lloyd Cotsen 50 Professor of Sociology Princeton University A wonderful portrait of how financial technologies of the self work in modern culture Marion Fourcade University of California Berkeley

Law and the Stranger Austin Sarat, Lawrence Douglas, Martha Merrill Umphrey, 2010-07-06 Law calls communities into being and constitutes the we it governs This act of defining produces an outside as well as an inside a border whose crossing is guarded maintaining the identity coherence and integrity of the space and people within Those wishing to enter must negotiate a complex terrain of defensive mechanisms expectations assumptions and legal proscriptions Essentially law enforces the boundary between inside and outside in both physical and epistemological ways Law and the Stranger explores the ways law identifies and responds to strangers within and across borders It analyzes the ambiguous place strangers occupy in communities not their own and reflects on how dealing with strangers challenges the laws and communities that invite or parry them As the book reveals strangers are made through law rather than born through accidents of geography

On the Edges of Development Kum-Kum Bhavnani, John Foran, Priya Kurian, Debashish Munshi, 2009-03-04 Big business financial institutions and capitalist powers have wreaked much havoc on the Third World in the name of development This book re imagines development through a careful and imaginative exploration of some of the many ways that culture in the broadest sense of lived experience and its representation can recenter resistance suggest alternative models and advance critiques of development as it is currently practiced The diverse group of scholars and activists who contribute chapters to the volume engage with the puzzle of how best to conceptualize an alternative development that improves the living conditions of women and men in different parts of the world and simultaneously demands solutions that focus on the integration of gender diversity and development with the realities of people s lives

AsiaPacifiQueer Fran Martin, Peter Jackson, Mark McLelland, Audrey Yue, 2010-10-01 This interdisciplinary collection examines the shaping of local sexual cultures in the Asian Pacific region in order to move beyond definitions and understandings of sexuality that rely on Western assumptions The diverse studies in AsiaPacifiQueer demonstrate convincingly that in the realm of sexualities globalization results in creative and cultural admixture rather than

a unilateral imposition of the western values and forms of sexual culture These essays range across the Pacific Rim and encompass a variety of forms of social cultural and personal expression examining sexuality through music cinema the media shifts in popular rhetoric comics and magazines and historical studies By investigating complex processes of localization interregional borrowing and hybridization the contributors underscore the mutual transformation of gender and sexuality in both Asian Pacific and Western cultures Contributors are Ronald Baytan J Neil C Garcia Kam Yip Lo Lucetta Song Hwee Lim J Darren Mackintosh Claire Maree Jin Hyung Park Teri Silvio Megan Sinnott Yik Koon Teh Carmen Ka Man Tong James Welker Heather Worth and Audrey Yue Gendering the Trans-Pacific World ,2017-03-06 As the inaugural volume of the new Brill book series Gendering the Trans Pacific World Diaspora Empire and Race this anthology presents an emergent interdisciplinary and multidisciplinary field that highlights the inextricable link between gender and the trans Pacific world The anthology features twenty one chapters by new and established scholars and writers They collectively examine the geographies of empire the significance of intimacy and affect the importance of beauty and the body and the circulation of culture This is an ideal volume to introduce advanced undergraduate and graduate students to Transpacific Studies and gender as a category of analysis Gendering the Trans Pacific World Diaspora Empire and Race is now available in paperback for individual customers

Wounded Cities Jane Schneider,Ida Susser,2020-06-29 Although the seemingly apocalyptic scale of the World Trade Center disaster continues to haunt people across the globe it is only the most recent example of a city tragically wounded Cities are in fact perpetually caught up in cycles of degeneration and renewal As with the WTC from time to time these cycles are severely ruptured by a sudden unpredictable event In the wake of recent terrorist activities this timely book explores how urban populations are affected by wounds inflicted through violence civil wars overbuilding drug trafficking and the collapse of infrastructures as well as natural disasters such as earthquakes Mexico City New York Beirut Belfast Bangkok and Baghdad are just a few examples of cities riddled with problems that undermine on a daily basis the quality of urban life What does it mean for urban dwellers when the infrastructure of a city collapses transport communication grids

heat light roads water and sanitation What are the effects of foreign investment and huge construction projects on urban populations and how does this change the look and character of a city How does drug trafficking intersect with class race and gender and what impact does it have on vulnerable urban communities How do political corruption and mafia networks distort the built environment Drawing on in depth case studies from across the globe this book answers these intriguing questions through its rigorous consideration of changing global and national contexts social movements and corrosive urban events Adopting a grass roots up approach it places emphasis on peoples experiences of uneven development and inequality their engagement with memory in the face of continual change and the relevance of political activism to bettering their lives It is especially attentive to the historical interaction of particular cities with wider political and economic forces as these interactions have shaped local governance over time

Managing Global Risks in the Urban Age Yee-Kuang

Heng,2016-03-03 The first full length exposition of what it terms a global city global risks nexus this volume crosses disciplinary boundaries to draw upon research from Security Studies Geography Sociology and Urban Studies Innovative in its approach integrating theories about Global Cities with those positing a Global Risk Society Yee Kuang Heng positions this research in the midst of two concurrent global trends that will gain more significance in coming years The world is experiencing the consequences of not only rapid globalisation but also urbanization In 2008 the UN declared that more than half the world s population was now urban At the same time highly connected global cities like New York London Tokyo and Singapore also face rapidly spreading global risks such as pandemics and financial crises Unique in developing a typology of global risks that threaten a global city like Singapore beyond its Asian focus the book also draws out thematic and policy lessons pertinent to other global cities Global cities do not simply materialize They are dependent on a range of stakeholders at various levels that produce and re produce its command and control capabilities in the face of global risks Singapore s experiences managing global risks in the financial aviation and maritime domains are common concerns shared by many countries and cities that have or aspire to develop similar critical infrastructure

Cultural Politics of Gender and Sexuality in Contemporary Asia Tiantian Zheng,2017-07-31

In globalizing Asia sexual mores and gender roles are in constant flux How have economic shifts and social changes altered and reconfigured the cultural meanings of gender and sexuality in the region How have the changing political economy and social milieu influenced and shaped the inner workings and micro politics of family structure gender relationships intimate romance transactional sex and sexual behaviors This volume offers up to date grounded critical analysis of the complex intersections of gender sexuality and political economy across a diverse array of Asian societies China Japan Cambodia Vietnam India Pakistan Hong Kong Thailand and Taiwan Based on intense ethnographic fieldwork the chapters disentangle the ways in which gendered and sexual experiences are impinged upon by state policies economic realities cultural ideologies and social hierarchies Whether highlighting intimate relationships between elite businessmen and their mistresses in China nightclub performances by Thai men in Bangkok

single women's views of romance motherhood and marriage in Hong Kong Shanghai and Tokyo or male same sex relationships in Pakistan each chapter centers around the stories of the gendered subjects themselves and how they are shaped by outside forces Taken together they provide a provocative entrance into the cultural politics of gender and sexuality in Asia By foregrounding cross cultural ethnographic research this volume sheds light on how configurations of gender and sexuality are constituted negotiated contested transformed and at times perpetuated and reproduced in private intimate experiences It will be of particular interest to students and scholars in anthropology sociology political science and women's and LGBTQ studies

Living Buddhism Julia Cassaniti, 2015-12-18 In *Living Buddhism* Julia Cassaniti explores Buddhist ideas of impermanence nonattachment and intention as they are translated into everyday practice in contemporary Thailand Although most lay people find these philosophical concepts difficult to grasp Cassaniti shows that people do in fact make an effort to comprehend them and integrate them as guides for their everyday lives In doing so she makes a convincing case that complex philosophical concepts are not the sole property of religious specialists and that ordinary lay Buddhists find in them a means for dealing with life's difficulties More broadly the book speaks to the ways that culturally informed ideas are part of the psychological processes that we all use to make sense of the world around us In an approachable first person narrative style that combines interview and participant observation material gathered over the course of two years in the community Cassaniti shows how Buddhist ideas are understood interrelated and reinforced through secular and religious practices in everyday life She compares the emotional experiences of Buddhist villagers with religious and cultural practices in a nearby Christian village *Living Buddhism* highlights the importance of change calmness as captured in the Thai phrase *jai yen* or a cool heart and karma Cassaniti's narrative untangles the Thai villagers' feelings and problems and the solutions they seek

Monsoon Marketplace Elmo Gonzaga, 2023-12-05 Provides vivid accounts of commercial and leisure spaces that captivated the public imagination in the past but have since been destroyed forgotten or refurbished *Monsoon Marketplace* uncovers the entangled vernacular cultures of capitalist modernity mass consumption and media spectatorship in two understudied postcolonial Asian cities across three crucial historical moments Juxtaposing Manila and Singapore it analyzes print and audiovisual representations of popular commercial and leisure spaces during the colonial occupation in the 1930s national development in the 1960s and neoliberal globalization in the 2000s Engaging with the work of creators including Nick Joaquin Kevin Kwan and P Ramlee it discusses figures of female shoppers in 1930s Manila languid expatriates in 1930s Singapore street hawkers in 1960s Singapore youthful activists in 1960s Manila call center agents in 2000s Manila and super rich investors in 2000s Singapore Looking at the historical transformation of Calle Escolta Avenida Rizal Raffles Place and Orchard Road it focuses on Crystal Arcade the Manila Carnival the Great World and New World Amusement Parks and Change Alley all of which had once captivated the public imagination but have since vanished from the cityscape Instead of treating capitalism media and modernity as overarching systems or processes the book examines how their configurations

and experiences are contingent variable pluralistic and archipelagic Diverging from critical theories and cultural studies that see consumerism and spectatorship as sources of alienation docility and fantasy it explores how they create new possibilities for agency collectivity and resistance

Lives in Transit Wendy A. Vogt, 2018-11-13 *Lives in Transit* chronicles the dangerous journeys of Central American migrants in transit through Mexico Drawing on fieldwork in humanitarian aid shelters and other key sites Wendy A Vogt examines the multiple forms of violence that migrants experience as their bodies labor and lives become implicated in global and local economies that profit from their mobility as racialized and gendered others She also reveals new forms of intimacy solidarity and activism that have emerged along transit routes over the past decade Through the stories of migrants shelter workers and local residents Vogt encourages us to reimagine transit as a site of both violence and precarity as well as social struggle and resistance
