## **Journey Into The World My Life Before Birth:**

Journey Into the World : My Life Before Birth J. (Jaroslav) Vlcek, 1989      **Tracking Consciousness Before Birth and Beyond** Jaroslav Vlcek DSc., 2017-04-13 Tracking Consciousness Before Birth and Beyond is based on the author's recollection of his conscious life before birth. In the 1st part of the book, the author narrates the memories. In the 2nd part, he explains and analyses the narrative from the adult point of view and shows its relationship to the scientific and empirical knowledge of life. In the 3rd, he discusses in depth the various events in the prenatal period such as conception, recognition of food as a source of energy and body building substance, starting the heart, building the brain, and body power of the life force, tree of life, the unborn's innate intelligence in the timing and execution of its birth, and others. Going beyond, the author reveals a plausible theory of the origin of life on Earth based on the quantum concept of the sun's energy as its life force and its awareness as consciousness evolution as a creative act and more. The book should be of interest to life scientists as well as laymen and those seeking life understanding and self realization.

**Connected ~ Before Birth & Beyond** Randine Mariona, 2021-06-08 Today's parents are working harder than ever. Never have parents been asked to do so much with such little support. Parents today can feel alone and judged for not doing things right. Randine is a relatable modern parent. She gets the joys and appreciates the challenges of showing up every day to parent. Randine is not afraid to be real. She shares personal stories throughout the book that will capture your heart, make you laugh, and bring a tear to your eye, demonstrating how well she knows the realities of parenting today. Readers will turn the pages feeling understood, validated, and appreciated for who they are and for all of their efforts. Randine demonstrates that caring for parents is caring for children. Randine unlocks what is key to parenting. She captures what decades of clinical and academic training coupled with raising two boys has taught her about what matters. Spoiler: the key is not about being perfect. If you are interested in optimizing your child's development and increasing your confidence and your fulfillment as a parent, Connected Before Birth and Beyond is your next read. Expect to feel energized, inspired, and supported. Parents will come away with a deeper awareness and relationship with themselves and their children. What will be different after reading this book? Possibly everything.
