## CALL TO COMMITMENT

"A beautiful book, partly by reason of the simple but moving style the author brings to her reporting; partly because of the beauty of life, words, and work described; most of all, perhaps, because the people who say and do these things make no claims for themselves, except that they desire to love God and to do His will, and are always ready to confess their own failures and His limitless power. The book will, and should, trouble many of us."—JOHN L. CASTELL

"This is an exciting story of a church that is meeting people where they are, and this aspect of its ministry could well be followed (if not duplicated) by all churches."—*Commentary*

"This is one of those exceedingly rare books where the use of superlatives is warranted. It is a remarkable book about remarkable people."—*Review and Expositor*

"Here is a remarkable account of what can be accomplished by dedicated Christians in a numerically small city church."

—*Church Management*

"CALL TO COMMITMENT contains much that can be helpful for both ministers and laymen. It calls for a perspective reading of this unique effort in the development of the church."—*The Christian*

Copyright Office, 1971 **Community of the Transfiguration** Paul R Dekar, 2008-08-28 In the 1930s German theologian Dietrich Bonhoeffer anticipated the restoration of the Church after the coming Second World War through a new kind of monasticism a way of life of uncompromising adherence to the Sermon on the Mount in imitation of Christ Since then the renewal of Christian monasticism has become a great spiritual movement Imbued with a love for God and neighbour and with a healthy self love people are going to monasteries to deepen their relationship with God to pray and to find peace While some monastic institutions are suffering a decline in traditional vocations many Christians are exploring monastic lifestyles This book introduces The Community of the Transfiguration in Australia the story of a new monastic community and an inspiring source of hope for the world at another time of spiritual social and ecological crisis *It's About Time* N. David Mermin, 2009-07-06 In *It's About Time* N David Mermin asserts that relativity ought to be an important part of everyone's education after all it is largely about time a subject with which all are familiar The book reveals that some of our most intuitive notions about time are shockingly wrong and that the real nature of time discovered by Einstein can be rigorously explained without advanced mathematics This readable exposition of the nature of time as addressed in Einstein's theory of relativity is accessible to anyone who remembers a little high school algebra and elementary plane geometry The book evolved as Mermin taught the subject to diverse groups of undergraduates at Cornell University none of them science majors over three and a half decades Mermin's approach is imaginative yet accurate and complete Clear lively and informal the book will appeal to intellectually curious readers of all kinds including even professional physicists who will be intrigued by its highly original approach Transformational Architecture Ron

Dekar,2021-06-02 Thomas Merton God s Messenger on the Road towards a New World highlights the contribution of the best selling North American writer between the Second World War and 1968 The Cistercian monk called people to act justly love kindness and walk humbly By his critique of technology a major impediment for people to follow Jesus by his writing on contemplative prayer by his interfaith outreach and through his witness against racism war and degradation of nature Merton still matters This book uses Micah 6 8 to organize Merton s focus on justice lovingkindness and humility as well as his dialogue with Rachel Carson Ernesto Cardinal Gandhi Martin Luther King Jr Thich

Nhat Hahn and others      **Thomas Merton and the New World** Paul R. Dekar, 2023-09-28 Merton still matters writes Paul R Dekar about Cistercian monk Thomas Merton Calling people to act justly love kindness and walk humbly Merton used his contemplative practice to see beyond what disrupts and divides us from one another to find the truth of our common humanity unity in our creation in the image of God In Thomas Merton and the New World Dekar focuses primarily on two issues of concern to our current world First he studies Merton s warnings of the abuse that stems from unmindful and irresponsible use of technology and its ecological devastation Second he examines Merton s thinking on racial injustice in the mid 1960s through his correspondence with his allies and contemporaries James Baldwin for example Using Micah 6 8 to arrange Merton s focus on justice lovingkindness and humility with input from Merton s dialogue with Gandhi Martin Luther King Rachel Carson and others Dekar demonstrates just how prophetic and transferable Merton s teachings remain      What You Sow Is a Bare Seed Celeste Kennel-Shank, 2023-08-17 What You Sow Is a Bare Seed is a group biography that tells the stories of ordinary but extraordinary people who were engaged in movements for renewal in the church and justice in broader society People such as Dora Koundakjian Johnson an Armenian Lebanese linguistics scholar and activist and Doug Huron an attorney who won a landmark US Supreme Court civil rights case They were among those who came together as the ecumenical Community of Christ in Washington DC Planted in the inner city in 1965 when many churches were leaving the Community distinguished itself from the more organized church without rejecting it as one former member says They believed that helping each other identify their gifts was a compelling way to shape their collective ministry beyond themselves The Community initially intended not to own property but later bought a building and opened it up as a community center As a final act of ministry the Community gave its building away to a nonprofit partner when it closed in 2016 leaving a legacy that continues today      The World's Carriers and Carrying Trades' Review , 1925      **Changing Church** Jann Aldredge-Clanton, 2011-11-01 Through the fascinating stories of pioneering ministers this book reveals a unique picture of progressive changes occurring in the Christian tradition Meeting challenges and overcoming obstacles these twelve diverse ministers are changing the church as they take prophetic stands on gender race interfaith cooperation ecology sexual orientation economic opportunity and other social justice issues Believing in the power of sacred symbolism to shape social reality and to provide a foundation for justice and freedom for all people these ministers lead worship with inclusive language and imagery for humanity and divinity They include multicultural female and male images of the Divine Their stories affirm the connection between this expansive theology and an ethic of justice and equality in human relationships In working from within to change the church these ministers have risked censure by denominational authorities loss of opportunities for promotion to larger congregations or to prestigious denominational positions and even loss of their jobs They have found creative ways to balance advocating for change and working to support the church using their positions as ordained clergy to bring liberating change to the church and the wider culture      Care-full Preaching G.
