Journey Towards the Light Suzanne Haslam,2011-07-09 Suzanne Haslam was brought up in a normal happy family in the north of England When she married a man who turned out to be an obsessive control freak she found herself constantly humiliated manipulated and bullied Her husband was clever enough to make sure her family and friends never saw what was going on and because the abuse was not physical there were no scars which she could display as evidence Her family accused her of imagining it all and even allowed her husband who was working in the family business to worm his way into their favour as the one who had been wronged After seven years of misery Suzanne managed to pluck up the courage to divorce her husband However the stress of coping with the abuse and the tension with her family drove her to a full scale nervous breakdown and she was forced to take extended sick leave from the nursing job she loved She sought sanctuary in a remote Spanish monastery where she experienced a series of vivid psychic events which ultimately showed

her how she could rebuild her life Over the years that followed she was finally able to recover her strength and confidence and find new happiness security and professional success

Journey of the Innocent Aida Payton, 2012-06 My name is Aida Payton and this is my true story Find out the true word of God inside this book based on my life experiences here in the United States of America and the Philippines I am the person that never went to school or tutorial and yet Jesus himself taught me the holy family Angels and all saints Find out Gods or Jesus name in more than 500 translations into different names The reason I wrote this book is because a lot of people misinterpreted the word of God and use God s name for war Example like for Christians and Muslims killing each other for nothing I would say I am going to correct this the way God Jesus teaches me We re supposed to treat each other like Brothers and Sisters Uncles and Aunts Niece and Nephews Grand Father s and Grand Mother s We are supposed to respect each other We are not supposed to be fighting each other because of different religions or because we were raised differently That is beyond God s Imaginations so here I am he sent me to deliver his message to all kinds of people in this world That s why I have to write his name into different languages because we speak different languages That s why we call God Jesus in different names In my next Book I will write how People got deceived by bad spirit I say this because it happened to me and because of God Almighty s Jesus Christ help bad spirit no place in his Distractions He can never win over me We worship the same God in different names
