Journey Of A Lifetime Forty Years Of Nursing:

Journey of a Lifetime Mary Ellen J. Brown, 2003-12 This book tells of one nurse's career and life throughout a period of years. Many changes in the care of patients and the profession of nursing are documented. The travel and adventures met in the United States, Air Force, portray this person's journey. Stories about places from Washington State to South Carolina, England, Japan, and Vietnam are included. One section is devoted to research concerning touch and back massage. Types of nursing life experiences, the education required, are mentioned. Perhaps this autobiography will encourage others to seek nursing as a career.

My Fifty Year Nursing Journey Barbara Ann Burke, NA, LVN, ADN, BSN, MSN, 2013-07-26 In this sometime amusing, sometime challenging journey through fifty years of Nursing, this author presents her favorite memoirs. Beginning as a young sixteen-year-old Nurse Aide in the early 1960s, her long walk through Nursing launches in a small town hospital in the south. She moves you through youthful learning experiences, Nurse trainings, personal struggles with choices and lessons learned in life. Her progression through young adulthood addresses concerns of leaving her own children to care for patients and all the usual parenting versus career issues young Mothers deal with. Her sometimes joyful, sometimes stressful Nursing world is described from her early education throughout Nursing positions in many settings. Her return to college as a mature woman to achieve further degrees is certainly respectable. Watching a young and naive girl grow into a successful, confident Nurse with experience in several arenas will delight and entertain you. Anyone who is interested in the field of Nursing must travel this journey with this Nurse. She is now considering retirement and is in a quandary. Nursing is her life and walking away is difficult. You will quickly realize Just Why On Earth Anyone Would Ever Want To Be A Nurse.

Journey to Yes George Daniel Harvey, 2013-05 This book is about opening up possibilities to living a deeper, more dimensional, self-empowered life. At its core is love, and all it may ask of us in service to ourselves and others is to include all life in its diversity. *Journey To Yes And Other Spirited Notions* speaks to the value of engaging life more mindfully, to live life more authentically, more fearlessly, more compassionately, in humility, guided in the wisdom of heart-centered love. To accept responsibility for outcome in our life and for our salvation. To discover our own path to a more peaceful, joyful, fulfilling life lived more consciously in gratitude.
