*Journeys to Orthodoxy* Thomas Doulis, 1986-01      *Facing East* Frederica Mathewes-Green, 2016-01-05 The Classic Story of a Family's Pilgrimage into the Orthodox Church Veiled in the smoke of incense the Eastern Orthodox Church has long been an enigma to the Western world Yet as Frederica Mathewes Green discovered it is a vital living faith rich in ritual beauty and steadfast in integrity Utilizing the framework of the Orthodox calendar Mathewes Green chronicles a year in the life of her small Orthodox mission church eloquently illustrating the joys and blessings an ancient faith can bring to the worshipers of today

*Orthodox Identities in Western Europe* Maria Hämmerli, Jean-François Mayer, 2016-05-23 The Orthodox migration in the West matters despite its unobtrusive presence And it matters in a way that has not yet been explored in social and religious studies in terms of size geographical scope theological input and social impact This book explores the adjustment of Orthodox migrants and their churches to Western social and religious contexts in different scenarios This variety is consistent with Orthodox internal diversity regarding ethnicity migration circumstances Church State relations and in line with the specificities of the receiving country in terms of religious landscape degree of secularisation legal treatment of immigrant religious institutions or socio economic configurations Exploring how Orthodox identities develop when displaced from traditional ground where they are socially and culturally embedded this book offers fresh insights into Orthodox identities in secular religiously pluralistic social contexts

*Becoming Orthodox* Peter E. Gillquist, 1989 This is the story of a handful of courageous men and their congregations who risked stable occupations security and the approval of life long friends to be obedient to God's call It is also the story of every believer who is searching for the Church Where Christ is Lord Where holiness human responsibility and the sovereignty of God are preached Where fellowship is more than a covered dish supper in the church basement And where fads and fashions take a backseat to apostolic worship and doctrine

*Journeys of Faith* Zondervan, 2012-03-06 Research indicates that on average Americans change their religious affiliation at least once during their lives Journeys of Faith examines the movement between four Christian traditions and what led believers to make a shift Four prominent converts to Eastern Orthodoxy Catholicism Evangelicalism and Anglicanism describe their new faith traditions and doctrines and their spiritual journeys into them Response chapters offer respectful critiques Contributors include Wilbur Ellsworth Eastern Orthodoxy with a response by Craig Blaising Francis J Beckwith Roman Catholicism with Gregg Allison responding Chris Castaldo Evangelicalism and Brad S Gregory's Catholic response Lyle W Dorsett Anglicanism with a response by Robert A Peterson This book provides you with a series of first hand accounts of thoughtful Christians changing religious affiliation or remaining true to the traditions they

have always known and their rationale for those decisions Gain a wealth of insight into the attractions of each of the represented denominations and an understanding of the current faith migration within the church today

**A Journey of Fear and Joy** Oswin Craton, 2020-05-20 A Journey of Fear and Joy is the story of one man's journey to the church of the New Testament Having been brought up in the Church of Christ a part of the Campbell Stone Restoration Movement he believed his church was the original first century church restored But while investigating the history of the Lord's church he discovered a number of inconsistencies in the beliefs and practices of the present day restored church with the church of the first century This book presents a summary of his findings and the startling conclusions he reached in his rediscovery of the church we read about in the New Testament It is the tale of a journey that brought the author both much fear and great joy Readers may be surprised at his conclusions but no more surprised than he when he learned that the original church had been with us all along the faith having been maintained in historical continuity throughout the centuries by the Eastern Orthodox Church This second edition incorporates both the original book first published in 2004 and also the companion volume *Apologia* from 2014 that helped expand upon the original and included a number of questions and answers stemming from the first book

*The Eastern Church in the Spiritual Marketplace* Amy Slagle, 2011-09-01 Like many Americans the Eastern Orthodox converts in this study are participants in what scholars today refer to as the spiritual marketplace or quest culture of expanding religious diversity and individual choice making that marks the post World War II American religious landscape In this highly readable ethnographic study Slagle explores the ways in which converts clerics and lifelong church members use marketplace metaphors in describing and enacting their religious lives Slagle conducted participant observation and formal semi structured interviews in Orthodox churches in Pittsburgh Pennsylvania and Jackson Mississippi Known among Orthodox Christians as the Holy Land of North American Orthodoxy Pittsburgh offers an important context for exploring the interplay of Orthodox Christianity with the mainstreams of American religious life Slagle's second round of research in Jackson sheds light on the American Bible Belt where over the past thirty years the Orthodox Church in America has marshaled significant resources to build mission parishes Relatively few ethnographic studies have examined Eastern Orthodox Christianity in the United States and Slagle's book fills a significant gap This lucidly written book is an ideal selection for courses in the sociology and anthropology of religion contemporary Christianity and religious change Scholars of Orthodox Christianity as well as clerical and lay people interested in Eastern Orthodoxy will find this book to be of great appeal

Kling, 2020 In this first in depth and wide ranging history of Christian conversion David Kling examines the dynamic of turning to the Christian faith by individuals families and people groups Global in reach and engaging recent methods and theories in conversion studies the narrative progresses from early Christian beginnings in the Roman world to Christianity's expansion into Europe the Americas China India and Africa Although conversion is often associated with a particular strand of modern Christianity evangelical and a particular type of

experience sudden overwhelming when examined over two millennia it emerges as a phenomenon far more complex than any one dimensional profile would suggest

**The Second Journey** Robert P. Vande Kappelle, 2020-07-24 Spirituality is our connection to a greater whole It is a journey from God to God and with God and thus a journey toward Self Through this process we come to differentiate between our temporary self called ego and our permanent self the part of us made for ongoing relationship with God In the end we discover that we know God by being known much like one loves by being loved There are two halves or phases in spirituality sometimes flawed sometimes overlapping and other times distinct While many people experience first half of life spirituality most never get to second half of life thinking and living Designed as a study guide for group or individual use The Second Journey examines the development of Christian spirituality starting with its conception in the biblical and Greek philosophical tradition and continuing in orthodox and heterodox expressions Reading this book is like looking through one's favorite album of photographs each illustrating some aspect or dimension vital to spirituality The range of portraits examined is extensive including groups such as Platonists Stoics Gnostics Quakers Revivalists Neo Orthodox and Eastern Orthodox and individuals such as Philo Valentinus Origen Dionysius Augustine Julian of Norwich John of the Cross Jonathan Edwards John Wesley Schleiermacher Kierkegaard Barth Tillich and Richard Rohr Examining traditional and non traditional thinkers readers will discover that knowing God involves both light and darkness usually in that order Spirituality does not make us otherworldly it renders us more fully alive Matthew Fox

**Restoring the Shattered** Nancy E. Head, 2018-10-02 Written in an easy to understand conversational style Restoring the Shattered is an account of Nancy E Head's journey through single motherhood and poverty The permanent divide between her and her husband led to a shattering of their family as the children settled into separate camps The story begins when Nancy and her children have little to eat Through a miraculous intervention God provides and leads them along their way Other interventions and more guidance came from people of different denominations illustrating Christ's love through the larger Church When one of Nancy's grown children became Catholic she became more aware of the ways her own evangelical tradition often dismisses Catholic believers and misinterprets many of their doctrines While doctrines may differ so many essential beliefs are the same Restoring the Shattered looks at the causes of the Reformation and other schisms and how the original schism in Christianity happened because of a mistranslation Misunderstanding others faith languages feeds so much separation today Nancy encourages pursuing accord among evangelical Catholic and Christian Orthodox communities in order to lead the Church to the kind of ministry that helped Nancy's family so much and rebuild the ruins of society through obedience to Christ's call for Christian accord

Zondervan,2010-10-05 Are Eastern Orthodoxy and evangelicalism at all compatible To some Western evangelicals the practices of Eastern Orthodoxy seem mysterious and perhaps even unbiblical From an Orthodox perspective evangelicals lack the spiritual roots provided by centuries old church traditions Are the differences between these two branches of Christianity as sharp as they seem Or is there room for agreement This book allows five leading authorities to present their different views in a respectful manner have them critiqued by their fellow authors and then respond to those critiques Writing from an Orthodox perspective with a strong appreciation for evangelicalism Bradley Nassif makes a case for compatibility Michael Horton and Vladimir Berzonsky take the opposite stance from their respective evangelical and Orthodox backgrounds And George Hancock Stefan evangelical and Edward Rommen Orthodox each offer a qualified perhaps The interactive Counterpoints forum is ideal for comparing and contrasting the different positions to understand the strengths and weaknesses of these two important branches of Christianity and to form a personal conclusion regarding their compatibility A Theological Journey Ghislain Lafont,2007 From the earliest proclamation of the Gospel to the present

**Theological Retrieval for Evangelicals** Gavin Ortlund, 2019-11-05 Restless for rootedness many Christians are abandoning Protestantism altogether Many evangelicals today are aching for theological rootedness often found in other Christian traditions Modern evangelicalism is not known for drawing from church history to inform views on the Christian life which can lead to a me and my Bible approach to theology But this book aims to show how Protestantism offers the theological depth so many desire without the need for abandoning a distinctly evangelical identity By focusing on particular doctrines and neglected theologians this book shows how evangelicals can draw from the past to meet the challenges of the present **The Ecumenical Work of the Icon** Hilda Kleiman, 2018-09-27 The Ecumenical Work of the Icon is an invitation to the students and faculties of Catholic seminaries to be a part of the tradition of the icon through the lens of ecumenism With a view of ecumenism as lived in both the Roman Catholic and Orthodox traditions the visual theological language of the icon may be engaged more fully and respectfully thus enriching the theological education and future ministry of those who learn and teach in a Catholic setting In the third portion of the book readers are offered multiple practical pedagogical examples of how to integrate teaching and learning about the icon into seminary courses and beyond including writing assignments oral presentations and hands on activities
