Joy Is To Know Him:

Sadhana â *The Realisation of Life* Rabindranath Tagore, 2020-04-19 Perhaps it is well for me to explain that the subject matter of the papers published in this book has not been philosophically treated nor has it been approached from the scholar's point of view The writer has been brought up in a family where texts of the Upanishads are used in daily worship and he has had before him the example of his father who lived his long life in the closest communion with God while not neglecting his duties to the world or allowing his keen interest in all human affairs to suffer any abatement So in these papers it may be hoped western readers will have an opportunity of coming into touch with the ancient spirit of India as revealed in our sacred texts and manifested in the life of to day Author's Preface

Do You Know Him? Evangelist Rachel McCuinen, 2025-06-17 There is no greater benefit to the human life than knowing and developing a relationship with God There is peace and a sense of knowing who you are when you know God This book explains how God's desire is for his people to get to know him and gives instructions on how to use the tools he has provided Through the inspiration of the Holy Spirit I want to share with you vital tools to use to develop a relationship with God Although these tools are not new they have somehow been overlooked and not emphasized as important as the earlier saints taught We need a prayer life to communicate with God We need to read and study the word of God to know his will for our

Christian Treasury, 1855 The Glory Walk James R. Wilkes, 2010-02-01 The Glory Walk is a brief work explaining to Christians what living for God's glory is all about It is a summons to believers to live in the bigger picture of God's kingdom with God's purposes in view We must face the reality that western culture is man centered that one's natural tendencies are toward self glory and that the grace of God is what is deeply needed to fulfill our purposes in God's created order Christians need to be God centered oriented by the truth of God's Word focused on the gospel and completely dependent on God We must see clearly that our God is infinitely glorious Thus He is worthy to receive our worship and praise The believer's duty is to live intentionally for God's glory alone However duty must not carry with it the idea of drudgery Instead by God's grace we delight in him and desire his glory to be known The teachings in The Glory Walk call believers to the joyful life of exalting Christ
