Cheerfulness Timothy Hampton, 2022-05-24 A timely story of a forgotten emotion Cheerfulness A Literary and Cultural History tells a new story about the cultural imagination of the West wherein cheerfulness a momentary uptick in emotional energy a temporary lightening of spirit functions as a crucial theme in literary philosophical and artistic creations from early modern to contemporary times In dazzling interpretations of Shakespeare and Montaigne Hume Austen and Emerson Dickens Nietzsche and Louis Armstrong Hampton explores the philosophical construal of cheerfulness as a theme in Protestant theology a focus of medical writing a topic in Enlightenment psychology and a category of modern aesthetics In a conclusion on cheerfulness in pandemic days Hampton stresses the importance of lightness of mind under the pressure of catastrophe A history of the emotional life of European and American cultures a breathtaking exploration of the intersections of culture literature and psychology Cheerfulness challenges the dominant narrative of Western aesthetics as a story of melancholy mourning tragedy and trauma Hampton captures the many appearances of this fleeting and powerfully

transformative emotion whose historical and literary trajectory has never before been systematically traced **Because of This I Rejoice** Max O. Vincent, 2018-10-01 For too long Lent has been thought of as a season of self sacrifice and discipline that sounds to many Christians like a list of spiritual chores Lenten disciplines become the spiritual equivalent of New Year's resolutions to lose weight be healthier or practice better money management These promises are easily made and often quickly broken leaving us feeling like we do not measure up to what we should be In his letter to the Philippians the apostle Paul joyfully turns to spiritual practices that draw him closer to God amid persecution and imprisonment These practices keep Paul connected to a sense of God's power and presence Joy flows from Paul and becomes a vital part of his relationship with the Philippians Because of This I Rejoice is a 6 week study of Philippians that explores what Paul teaches about joyfully practicing spiritual disciplines The intent of these disciplines is to help us focus less on ourselves and more on God This Lenten study invites us to engage in the same spiritual practices as a way to grow closer to God and allow joy to flow through our lives **Trinity and Transformation** Todd Speidell, 2016-03-08 The triune God of grace James B Torrance tirelessly insisted is the true agent to transform worship mission and society Unfortunately the church often lapses into moralism and legalism or exhortations and condemnations rather than witnessing to the sole sufficient grace of God in Christ When we neglect the Trinity a de facto unitarianism throws the church back onto its own existence and resources In Christ however the church participates through the Spirit in union with Christ's communion with the Father By so doing it also participates in Christ's mission to the world The essays of this volume articulate and extend Torrance's evangelical theology which draws attention away from ourselves and toward the triune God who is for us and for the world **Food Instagram** Emily J.
