TYAS,1854      Inner Sanctuary Robert E. Shaffer,2015-11-20 Robert E Shaffer has always been a poet but it took some time  
for him to find his true voice As a young man he enlisted in the Army and served in Vietnam He came home discouraged and  
disillusioned which is when the words began to truly flow What followed was a career working with youth and his spirit soon  
soared Inner Sanctuary follows the crooked line of his life as he finds solace on the page His collection delves into his own  
subconscious but also looks to the world around him He recalls those who have gone before embracing memories long since  
past He too regards the seasons of nature and of life He takes careful study of youthfulness and the magic found therein He  
encourages adults to not lose their sense of wonder no matter the age Shaffer ponders over his family and the generations  
that will follow once he is gone Finally he tackles the darkness and terror of war Despite moments of despair his collection is  
one of universal hope of interest to all who wish to live lives of happy satisfaction      **Bulletin of the National Association

**American Agriculturist** ,1907      Shadowed Cocktails Donald R. Anderson,2010-10-01 An important and prolific  
playwright Philip Barry wrote hit plays such as *The Philadelphia Story* and *Holiday* However he has been largely forgotten  
and no book length analysis of his work has appeared in more than forty years With this book Donald R Anderson rescues the  
playwright from obscurity Although Barry s successes were with comedies of manners he also wrote dramatic and  
experimental works Anderson analyzes all of Barry s plays twenty one in total and questions the traditional characterization  
of the American playwright s work He begins with Barry s early plays concerning intergenerational tensions and lessons  
learned from the Great War Subsequent chapters explore Barry s preoccupation with fidelity and infidelity his struggles with  
his Catholic beliefs and his investigations into sources of evil and despair Anderson also looks at the plays of the late 1930s  
and the 1940s including the posthumously produced *Second Threshold* One chapter is devoted to Barry s synergistic  
relationship with Katharine Hepburn her role in lifting the playwright out of a mid 1930s slump and his role in rescuing her  
from the label of box office poison with both *The Philadelphia Story* and the World War II drama *Without Love* Anderson  
places Barry within the context of his times but also shows him drawing on past influences and anticipating theatrical

developments of the latter part of the twentieth century Part cultural history part literary analysis Shadowed Cocktails is sure to revitalize interest in this remarkable American author and his role in rescuing her from the label of box office poison with both *The Philadelphia Story* and the World War II drama *Without Love*     **The International Bookbinder** ,1909
