Judaism And The American Idea

Andrew R. Heinze

Judaism And The American Idea:

Judaism and the American Idea Milton Ridvas Konvitz, 1980 *The New Covenant* Sam B. Girgus, 1984 Girgus defines the American idea as the set of values beliefs and traditions of democracy equality and republicanism and argues that writers of the New Covenant tradition challenged society to live up to its own imperatives for individual and cultural renewal Abraham Cahan Anzi Yezierska Henry Roth Johanna Kaplan Philip Roth Norman Mailer Saul Bellow and E L Doctorow formed a new poetics to articulate a modern version of the myth and ideology of America Originally published in 1984 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value An American Idol Robert J. Loewenberg, 1984 A collection of revised essays which appeared previously in various journals Presents the thesis that Jewhatred is a philosophic question founded in idolatry Modern academic scholarship is historicist rather than philosophic and is therefore unprepared to consider the possibility that the hatred of Judaism may be a form of idol worship Contends that American liberalism is grounded in the ideas of Ralph Waldo Emerson on freedom and that Emerson was an antisemite who understood that Judaism was an obstacle to unbridled freedom also discusses Hitler s ideas in terms of his aspirations toward absolute freedom which leads ultimately to self annihilation and Nazism as the ultimate form of idolatry and their antisemitism stemming from Judaism s opposition to these goals *The Jewish Law Annual* Bernard S. Jackson, 2023-08-28

Rethinking the Messianic Idea in Judaism Michael L. Morgan, Steven Weitzman, 2014-11-28 Over the centuries the messianic tradition has provided the language through which modern Jewish philosophers socialists and Zionists envisioned a utopian future Michael L Morgan Steven Weitzman and an international group of leading scholars ask new questions and provide new ways of thinking about this enduring Jewish idea Using the writings of Gershom Scholem which ranged over the history of messianic belief and its conflicted role in the Jewish imagination these essays put aside the boundaries that divide history from philosophy and religion to offer new perspectives on the role and relevance of messianism today **Jews and the American Soul** Andrew R. Heinze, 2021-03-09 What do Joyce Brothers and Sigmund Freud Rabbi Harold Kushner and philosopher Martin Buber have in common They belong to a group of pivotal and highly influential Jewish thinkers who altered the face of modern America in ways few people recognize So argues Andrew Heinze who reveals in rich and unprecedented detail the extent to which Jewish values often in tense interaction with an established Christian consensus shaped the country s psychological and spiritual vocabulary *Jews and the American Soul* is the first book to recognize the central role Jews and Jewish values have played in shaping American ideas of the inner life It overturns the widely shared assumption that modern ideas of human nature derived simply from the nation s Protestant heritage Heinze marshals a rich array of evidence to show how individuals ranging from Erich Fromm to Ann Landers changed the way Americans think

about mind and soul The book shows us the many ways that Jewish thinkers influenced everything from the human potential movement and pop psychology to secular spirituality It also provides fascinating new interpretations of Sigmund Freud Alfred Adler and Western views of the psyche the clash among Protestant Catholic and Jewish moral sensibilities in America the origins and evolution of America's psychological and therapeutic culture the role of Jewish women as American public moralists and more A must read for anyone interested in the contribution of Jews and Jewish culture to modern America

How America Met the Jews Hasia R. Diner, 2017-12-29 Explore how American conditions and Jewish circumstances collided in the nineteenth and early twentieth centuries In this new book award winning author Hasia R Diner explores the issues behind why European Jews overwhelmingly chose to move to the United States between the 1820s and 1920s Unlike books that tend to romanticize American freedom as the force behind this period of migration or that tend to focus on Jewish contributions to America or that concentrate on how Jewish traditions of literacy and self help made it possible for them to succeed Diner instead focuses on aspects of American life and history that made it the preferred destination for 90 percent of European Jews Features Examination of the realities of race immigration color money economic development politics and religion in America Exploration of an America agenda that sought out white immigrants to help stoke economic development and that valued religion as a force for morality

Judaism and Justice Rabbi Sidney Schwarz, PhD, 2011-05-02 The first state of the art comprehensive resource to encompass the wide breadth of the rapidly growing field of Judaism and health For Jews religion and medicine and science are not inherently in conflict even within the Torah observant community but rather can be friendly partners in the pursuit of wholesome ends such as truth healing and the advancement of humankind from the Introduction This authoritative volume part professional handbook part scholarly resource and part source of practical information for laypeople melds the seemingly disparate elements of Judaism and health into a truly multidisciplinary collective enhancing the work within each area and creating new possibilities for synergy across disciplines

It is ideal for medical and healthcare providers rabbis educators academic scholars healthcare researchers and caregivers congregational leaders and laypeople with an interest in the most recent and most exciting developments in this new important field *Jewish Life and American Culture* Sylvia Barack Fishman, 2012-02-01 Jews in the United States are uniquely American in their connections to Jewish religion and ethnicity Sylvia Barack Fishman in her groundbreaking book *Jewish Life and American Culture* shows that contemporary Jews have created a hybrid new form of Judaism merging American values and behaviors with those from historical Jewish traditions Fishman introduces a new concept called coalescence an adaptation technique through which Jews merge American and Jewish elements Analyzing the increasingly permeable boundaries in the ethnic identity construction of Jewish and non Jewish Americans she suggests that during the process of coalescence Jews combine the texts of American and Jewish cultures losing track of their dissonance and perceiving them as a unified Jewish whole The author generates data from diverse sources in the social sciences and

humanities including the 1990 National Jewish Population Survey and other statistical studies interviews and focus groups popular and material culture literature and film to demonstrate the pervasiveness of coalescence The book pays special attention to gender issues and the relationship of women to their Jewish and American identities A blend of lively narrative and scholarly detail this book includes useful tables accessible figures and models and fascinating illustrations which present the educational occupational and behavioral patterns of American Jews organizational profiles family formation religious observance and the impact of Jewish education

Jews and Diaspora Nationalism Simon Rabinovitch, 2012 An anthology of Jewish diaspora nationalist thought across the ideological spectrum

A Bibliography of Jewish Education in the United States Norman Drachler, 2017-12-01 Entries from thousands of publications whether in English Hebrew Yiddish and German on all aspects of Jewish education from pre school through secondary education This book contains entries from thousands of publications whether in English Hebrew Yiddish and German books research reports educational and general periodicals synagogue histories conference proceedings bibliographies and encyclopedias on all aspects of Jewish education from pre school through secondary education

Jews in Christian America Naomi Wiener Cohen, 1992 A driving force in the history of American Jews has been the pursuit of religious equality under law Jews reasoned that state and federal legislation or public practices which sanctioned religious specifically Christian usages blocked their path to full integration within society Always a small minority and ever fearful of the outspoken proponents of the Christian state nineteenth century Jews became ardent defenders of church state separation In the twentieth century Jewish defense organizations took a prominent role in landmark court cases on religion in the schools Sunday laws and public displays of Christian symbols Over the last two centuries Jews shifted from support of a neutral to all religions government to a divorced from religion government and from defense of their own interests to the defense of other religious minorities Jews in Christian America traces in historical context the response of American Jews to the issues presented by a Christian flavored public religion Discussing the contributions of each major wave of Jewish immigrants to the reinforcement of a separationist stand Cohen shows how Jewish communal priorities pressures from the larger society and Jewish Christian relationships fashioned that response She also makes clear that the Jewish community was never totally united on the goals and tactics of a separationist posture despite the continued predominance of the strict separationists others argued the adverse effects of that position on communal well being and on the very survival of Judaism

Jewish Art in America Matthew Baigell, 2007 Is there a Jewish art Is there a single Jewish experience Matthew Baigell the acknowledged American expert on Jewish art offers the first book ever on the history of Jewish American art from the early settlements to the present

Masculinity and the Making of American Judaism Sarah Imhoff, 2017-03-13 An examination of how early twentieth century American Jewish men experienced manhood and presented their masculinity to others How did American Jewish men experience manhood and how did they present their masculinity to others In this distinctive book Sarah Imhoff shows that the project of shaping American Jewish manhood was

not just one of assimilation or exclusion Jewish manhood was neither a mirror of normative American manhood nor its negative effeminate opposite Imhoff demonstrates how early twentieth century Jews constructed a gentler less aggressive manhood drawn partly from the American pioneer spirit and immigration experience but also from Hollywood and the YMCA which required intense cultivation of a muscled male physique She contends that these models helped Jews articulate the value of an acculturated American Judaism Tapping into a rich historical literature to reveal how Jews looked at masculinity differently than Protestants or other religious groups Imhoff illuminates the particular experience of American Jewish men There is so much literature and very good scholarship on Judaism and gender but the majority of that literature reflects an interest in women A hearty thank you to Sarah Imhoff for writing the other half of the story and for doing it so elegantly

Claire Elise Katz author of *Levinas and the Crisis of Humanism* Invariably lucid and engaging Sarah Imhoff provides a secure foundation for how religion shaped American masculinity and how masculinity shaped American Judaism in the early twentieth century Judith Gerson author of *By Thanksgiving We Were Americans* German Jewish Refugees and Holocaust Memory

The Jewish Origins of Cultural Pluralism Daniel Greene, 2011-04-15 Daniel Greene traces the emergence of the idea of cultural pluralism to the lived experiences of a group of Jewish college students and public intellectuals including the philosopher Horace M Kallen These young Jews faced particular challenges as they sought to integrate themselves into the American academy and literary world of the early 20th century At Harvard University they founded an influential student organization known as the Menorah Association in 1906 and later the Menorah Journal which became a leading voice of Jewish public opinion in the 1920s In response to the idea that the American melting pot would erase all cultural differences the Menorah Association advocated a pluralist America that would accommodate a thriving Jewish culture while bringing Jewishness into mainstream American life

JPS: The Americanization of Jewish Culture, 1888-1988 Jonathan D. Sarna, 2021-09 Published to mark the 100th anniversary of The Jewish Publication Society Jonathan Sarna's engaging blend of anecdote and analysis presents the personalities and the controversies the struggles and the achievements behind a century of publishing by the oldest English language publisher of Jewish books in the world Includes black and white photographs and extensive listings of JPS officers and editors governing boards and authors translators and illustrators up to 1988

Religious Myths and Visions of America Christopher Buck, 2009-04-30 At the heart of American studies is the idea of America itself Here Buck looks at the religious significance of America by examining those religions that have attached some kind of spiritual meaning to America The author explores how American Protestantism and nine minority faiths have projected America into the mainstream of world history by defining and by redefining America's world role Surveying the religious myths and visions of America of ten religions Buck shows how minority faiths have redefined America's sense of national purpose This book invites serious reflection on what it means to be an American particularly from a religious perspective Religious myths of America are thought orienting narratives that serve as vehicles of spiritual and social

truths about the United States itself Religious visions of America are action oriented agendas that articulate the goals to which America should aspire and the role it should play in the community of nations Buck examines the distinctive perspectives held by ten religious traditions that inform and expand on the notion of America and its place in the world He covers Native American Protestant Catholic Jewish Mormon Christian Identity Black Muslim Islamic Buddhist and Baha i beliefs and invites serious reflection on what it means to be an American particularly from a religious perspective

Sephardi and Mizrahi Jews in America Saba Soomekh,2015-12-15 Sephardi and Mizrahi Jews in America includes academics artists writers and civic and religious leaders who contributed chapters focusing on the Sephardi and Mizrahi experience in America Topics will address language literature art diaspora identity and civic and political engagement When discussing identity in America one contributor will review and explore the distinct philosophy and culture of classic Sephardic Judaism and how that philosophy and culture represents a viable option for American Jews who seek a rich and meaningful medium through which to balance Jewish tradition and modernity Another chapter will provide a historical perspective of Sephardi Ashkenazi Diasporic tensions Additionally contributors will address the term Sephardi as a self imposed collective ethnic designation that had to be learned and naturalized and its parameters defined and negotiated in the new context of the United States and in conversation with discussions about Sephardic identity across the globe This volume also will look at the theme of literature focusing on Egyptian and Iranian writers in the United States Continuing with the Iranian Jewish community contributors will discuss the historical and social genesis of Iranian American Jewish participation and leadership in American civic political and Jewish affairs Another chapter reviews how art is used to express Iranian Diaspora identity and nostalgia The significance of language among Sephardi and Mizrahi communities is discussed One chapter looks at the Ladino speaking Sephardic Jewish population of Seattle while another confronts the experience of Judeo Spanish speakers in the United States and how they negotiate identity via the use of language In addition scholars will explore how Judeo Spanish speakers engage in dialogue with one another from a century ago and furthermore how they use and modify their language when they find themselves in Spanish speaking areas today *Greeted with Smiles* Evan Rapport,2014 *Greeted with Smiles* explores the circumstances facing new American immigrants using the music of the Bukharian Jews to gain entrance into their community and their culture Author Evan Rapport investigates the transformation of Bukharian identity through an examination of corresponding changes in its music focusing on three of these distinct but overlapping repertoires maqom Jewish religious music and popular music **A History of the Jews in America** Howard M. Sachar,1993-11-02 Spanning 350 years of Jewish experience in this country *A History of the Jews in America* is an essential chronicle by the author of *The Course of Modern Jewish History* With impressive scholarship and a riveting sense of detail Howard M Sachar tells the stories of Spanish marranos and Russian refugees of aristocrats and threadbare social revolutionaries of philanthropists and Hollywood moguls At the same time he elucidates the grand themes of the Jewish

encounter with America from the bigotry of a Christian majority to the tensions among Jews of different origins and beliefs and from the struggle for acceptance to the ambivalence of assimilation

Judaism And The American Idea Introduction

In today's digital age, the availability of Judaism And The American Idea books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Judaism And The American Idea books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Judaism And The American Idea books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Judaism And The American Idea versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Judaism And The American Idea books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Judaism And The American Idea books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Judaism And The American Idea books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Judaism And The American Idea books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Judaism And The American Idea books and manuals for download and embark on your journey of knowledge?

FAQs About Judaism And The American Idea Books

1. Where can I buy Judaism And The American Idea books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
